# We will be your counselors for NEXT YEAR

- ▶ Counselors unfortunately WILL NOT be able to schedule appointments for incoming 8th graders and parents.
- ▶ All counselors currently have a full caseload and 8th graders will not become a part of our caseloads until next school year.
- ▶ Most questions can be answered by looking at our counseling webpage.

**High School Counseling Program**

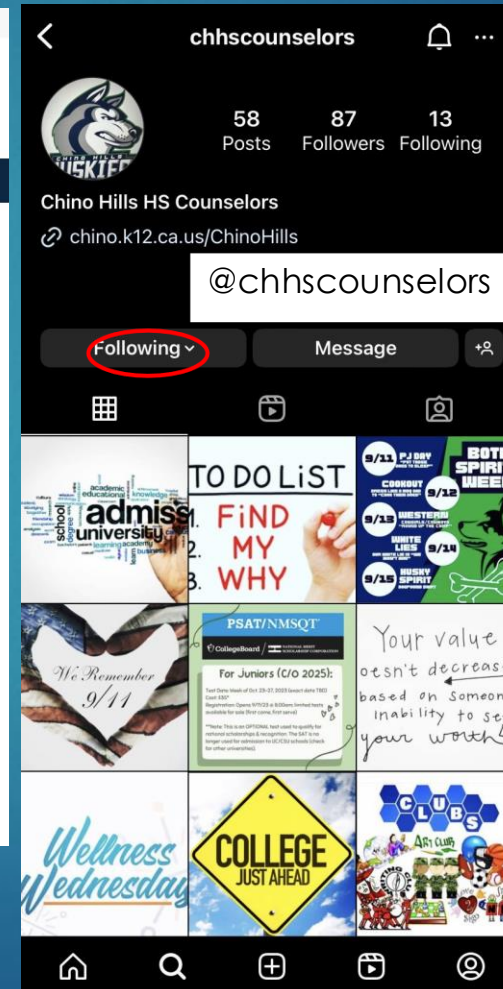

CHHS Counseling program is to enable all students to experience educational success by providing guidance in the areas of academic, and social development. Counselors are dedicated to helping students overcome challenges that interfere with learning. Counselors environment that supports all students, helping them achieve their full academic potential along with a balanced high school experience.

Counselors develop and implement a comprehensive program that:

- Encourages all students to develop a high school and post-secondary education plan based on their own interests, talents and skills.
- Provides career awareness through guidance lessons and career inventories.
- Supports students to become active learners, responsible citizens and productive members of a global workforce.
