There will be NO LATE registration for **Session 1** (1st Semester courses only). Students can show up on the first day of summer school, Monday, June 2, to request placement on a course and/or change a course.

When a student receives their report card reflecting a final “F” or “D” grade, they can **scan the QR code** (available at each school’s Counseling Office or on the [Alternative Education Center](#) website) to request a course. **Requests for a Session 2 (2nd Semester courses only) can be made until Tuesday, June 17.** After Tuesday, June 17, students will have to show up on the first day of Session 2, Monday June 23, to register for a class if they did not complete the QR code request by June 17. All requests are based on a first come-first served basis, dependent on course availability.

Please look for the email communication from the Alternative Education Center regarding your course confirmation. Emails will be sent to student Outlook emails and the primary parent/guardian email address on file in Aeries.

Some courses will be offered at limited school sites:

- **English 10CP, Int Math 3 & World History will be offered only at CHS and CHHS only**
