BACKGROUND

The Association approved the tentative agreement by a unit vote on January 16, 2018.

The District has provided the necessary Notice to the Public and fiscal disclosure documents to the San Bernardino County Superintendent of Schools for review ten days in advance of this pending action item, as required by Assembly Bill 1200. Additionally, the Board is required to conduct a public hearing in order to receive public input prior to any Board action.

Approval of this item supports the goals identified within the District’s Strategic Plan.

a) Conduct a public hearing, and
b) Ratify the Tentative Agreement between the Chino Valley Unified School District and the Associated Chino Teachers effective the 2016/2017 school year through June 30, 2019.

TENTATIVE AGREEMENT

BETWEEN THE

CHINO VALLEY UNIFIED SCHOOL DISTRICT (CVUSD)
AND THE
ASSOCIATION OF CHINO TEACHERS (A.C.T.)

REGARDING SUCCESSOR NEGOTIATIONS TO THE COLLECTIVE BARGAINING AGREEMENT

ARTICLE 1: AGREEMENT

NOTATION:
The parties agree to use throughout the Agreement those same spellings, punctuation, grammar, references, titles, etc., to which they have agreed. Further, the parties agreed to consider all other editorial changes prior to distribution of the Agreement, as long as those changes do not alter the intent or scope of the Agreement. The parties agree that the "numbering" within the Articles need to be reviewed and adjusted as necessary.

The parties agree that the language will be included in a successor bargaining agreement.

1.1 Except as specifically provided herein, this agreement shall remain in full force and effect from July 1, 2016, through June 30, 2019.

1.2 Unless mutually agreed otherwise, negotiations will be closed through 2018-2019. Both parties agree to open negotiations to discuss professional learning communities in the 2018-2019 school year.

During the 2018-2019 school year, the Association and the District will meet to begin negotiations on a successor agreement for the 2019-2020 school year. For any subsequent reopener negotiations to the 2019-2020 successor agreement, Article 17 will be an automatic reopener. In addition, the Association and the District may each submit two (2) articles of the agreement for negotiation.

1.3 Parties

The Articles and provisions herein and appendices hereto constitute a bilateral and binding agreement ("Agreement") by and between the Chino Valley Unified School District (here and after to be the "District" and/or "Board") and the Associated Chino Teachers/CTA/NEA ("Association"), an employee organization.

1.4 Recognition and Unit Determination

1.4.3 Any open teaching position held by a substitute teacher, other than a position previously held by a unit member who is currently on a leave of absence for 120 days or less, shall be deemed a vacant position after twenty (20) workdays unless otherwise extended by mutual agreement. Vacant positions shall be filled according to the provisions of Article 15 of the Agreement.
ARTICLE 2: NEGOTIATION PROCEDURES

Not later than ten (10) workdays following the public hearing(s) required by law on such proposal, the District and Association shall commence good faith negotiations concerning the successor Agreement.

ARTICLE 3: ASSOCIATION RIGHTS

3.14 The District shall provide at least ten (10) days' advance notice of any new employee group orientations. A one (1) hour block of time will be reserved for the Association to meet during the group orientations with new employees without the presence of the District. The District will schedule the Association's block of time. If the scheduling of the Association's block of time will occur after the lunch hour, the District shall consult with the Association.

In the event the District conducts one-on-one orientations with new employees, it will inform the Association prior to the onboarding session to allow the Association to speak to the new hire.

The Association Labor Relations Representative may also attend the orientation session(s).

3.15 The District will provide the Association with the name; job title; department; work location; work, home, and personal cellular telephone numbers; personal email addresses on file with the employer; and home addresses of newly hired employees within thirty (30) days of hire or by the first pay period of the month following hire. The District will provide the Association with the above information for all bargaining unit members at least once every 120 days.

ARTICLE 4: RIGHTS RETAINED BY DISTRICT

The District shall have the right to require newly employed teachers authorized and hired to teach EL students to remain in their teaching assignment for a maximum of five (5) years.

ARTICLE 7: CLASS SIZE

The Parties are subject to an MOU concerning grade span adjustment that will run through the 2020-2021 school year. (NOT TO BE PLACED IN THE CBA)

7.5.2.3 Teachers assigned to a “6-4” schedule shall work the regular seven (7) hour workday during the 6-period semester, inclusive of lunch, and a five (5) hour workday during the alternate 4-period semester, exclusive of lunch. All unit members shall be given an equal opportunity for such an assignment when the master schedule permits doing so. When a “6-4” work assignment is agreed to by the unit member and the respective site administrator, the individual’s workday may include a conference period before or after the regular school day. Such “6-4” arrangements are to be considered commitments subject to mutual agreement in the event that changes are deemed necessary for the second semester.

ARTICLE 10: PUBLIC CHARGES

10.2 “Serious in Nature” means that the allegation, if found to be true, could be placed in the unit member’s personnel file and used by the District as a basis for disciplinary action against the unit member or as documentation for a negative comment on his/her evaluation.
ARTICLE 12: WORKING CONDITIONS

Recognizing that unit member contact with students is the primary responsibility of the District’s professional staff and that professional staff effectiveness, in part, depends upon positive District support, the District shall:

12.9 Make a good faith effort to ensure that no unit member shall be denied adequate time and classroom coverage for necessary restroom visits.

13.3 PARENTAL LEAVE

ARTICLE 13.3.1: USE OF SICK LEAVE FOR PARENTAL LEAVE

For purposes of this section, “parental leave” shall be defined as leave for reason of the birth of the unit member’s child, or the placement of a child with the unit member for adoption or foster care.

Unit members shall use current and accumulated sick leave for parental leave for up to 12 workweeks. When a unit member with at least one year of District service has exhausted all current and accumulated sick leave and continues to be absent on account of parental leave, he or she shall be entitled to substitute differential pay for the remainder of the 12-week leave. Substitute differential pay for purposes of parental leave means the difference between the unit member’s regular salary and (1) the amount paid to a substitute employed to replace the unit member or (2) if no substitute is employed, the amount that would have been paid to a substitute had one been employed to replace the unit member.

When the need for parental leave is foreseeable, the unit member shall make a reasonable effort to submit a request in writing to the Division of Human Resources no later than 30 days prior to the use of parental leave and the anticipated dates of the leave. Disputes over the foreseeability of the leave, or the reasonableness of the effort shall be resolved between the Association President and the Assistant Superintendent of Human Resources.

Parental leave shall be used within 12 months following the birth or placement of the child. Parental leave under this section runs concurrently with parental (child bonding) leave under the California Family Rights Act (CFRA) and the Family Medical Leave Act (FMLA). The total amount of parental leave shall not exceed 12 workweeks in a rolling 12-month period measured from the date following the birth or placement of the child.

13.3.2 In cases of expected maternity, the unit member involved may secure a leave of absence, without pay, not to exceed one (1) school year, at the end of which, the unit member shall be reemployed at a comparable position, and, if possible, the same position.

13.3.3 Paternal sick leave may be used for the delivery of a child, for a bona fide medical disability connected with a pregnancy, as verified by a doctor’s statement, and for normal postpartum recovery.

13.3.4 Upon request, the District shall provide a unit member who is a natural or adopting parent an unpaid leave of absence for the purposes of rearing his/her child. The unit member shall notify the District that he/she intends to take such a leave at a reasonable time prior to the anticipated date on which the leave is to commence. The length of such leave shall be limited to the remainder of the current school year, with the option of requesting one (1) additional school year.
13.7.1.2 A serious or critical illness or injury of a member of the unit member's immediate family/household that requires the services of a physician and of such a nature that the immediate presence of the unit member is required during his/her workday. The total number of days shall not exceed ten (10) days of personal necessity leave per school year.

13.7.1.3 An accident involving the unit member's property or the person or property of any member of the unit member's immediate family/household. The accident must be serious in nature, involve circumstances the unit member cannot reasonably be expected to disregard, and which requires the attention of the unit member during his/her workday. Such leave is limited to ten (10) days of personal necessity leave per school year.

13.15 CATASTROPHIC LEAVE

Unit members will be entitled to catastrophic leave in accordance with the Board Policy and Administrative Regulation.

ARTICLE 14 HOURS

14.3.2 Duties such as: campus supervision, supervision of social and athletic events, and field trips shall be posted at least two (2) weeks in advance and shall initially be offered to volunteers. In the event there are insufficient volunteers, such duties shall be assigned on an equitable basis. Equity shall be determined by the number of hours spent on extra-duty assignments of which no stipend is paid. Unit members shall not be required to perform supervision duties on any day when the unit member is not required to otherwise be on duty.

14.8 Unit members shall be given three (3) contract days after the close of each grading period to complete grade reports. Grade reports shall be due at 4:00 p.m. on that third contract day (including 8th graders and seniors). Exception: for the last grading period, grades for all 9th-11th graders shall be inputted into the student information system by the end of the last scheduled secondary teacher contracted workday.

14.11.1 The District shall provide to elementary teachers an uninterrupted conference/preparation period of no less than one hundred fifty (150) minutes per week. If the District schedules one conference/preparation period of at least 120 minutes, the remaining minutes must be scheduled in blocks of no less than 20 minutes. If the District schedules a conference/preparation period of less than 120 minutes, the remaining minutes must be scheduled in blocks of no less than 30 minutes.

An individual site may not deviate from the District preparation schedule unless agreed upon by the District and Association.

ARTICLE 15 PLACEMENT ASSIGNMENT, REASSIGNMENT, TRANSFER AND VACANCIES

15.1.4 On or before March 15 of the school year prior to the school year in which the transfer would become effective, the Division of Human Resources shall consider the transfer requests of unit members currently serving in the District prior to the time new personnel are being considered, and if all factors are equal between unit members initiating a transfer, as deemed by the administration, the transfer/reassignment for the succeeding year shall be made on the basis of seniority in the District. After March 15 of each year and up to the day before the duty year of unit member begins, all qualified
applicants who have applied for the vacancy at the work site shall have consideration in the selection process for filling the vacancy.

The paragraph above does not apply to positions where a separate interview and selection process exists (i.e. TOAs, Instructional Coaches, and TK teachers). Members who are selected for these positions may transfer out of the position in accordance with Article 15. There is no automatic right to transfer into a TOA, Instructional Coach, or TK teacher position.

15.2.2 Transfer requests shall be considered before hiring new employees from outside of the District. Unit members who desire transfers to other work site(s) shall have the opportunity to submit a Request for Transfer to the Division of Human Resources. All requests for transfer remaining on file as of March 16 shall become invalid. A unit member who still wishes to be considered for transfer must file a new request.

15.3.7 REDUCTION IN STAFF

Whenever the number of unit members placed at a school site must be reduced, and the reduction causes an involuntary transfer, the principal shall first seek a volunteer to transfer.

At the secondary level, should an appropriate unit member not volunteer and the need for an involuntary transfer remain, the unit member with the least District seniority in the affected department shall be transferred/reassigned to another assignment/site where there is an opening.

At the elementary level, should an appropriate unit member not volunteer and the need for an involuntary transfer remain, the unit member at the school site with the least District seniority will be transferred to another site where there is an opening.

15.6 OPENING NEW SCHOOL SITES

Whenever the District opens a new school, the principal shall be permitted to select for transfer volunteer unit members (teachers and counselors) from within the District. The principal shall select a minimum of thirty-three percent (33%) of the total staff allocation through the voluntary transfer process. The number of volunteer unit members shall not exceed twenty-five percent (25%) of the allocated classroom teachers at any one site, and shall not exceed twenty-five percent (25%) of any one department at any one site. In a case where a department or grade level has fewer than four (4) unit members, the principal may take one (1) unit member. The principal may fill the balance of the school’s staff through the voluntary transfer process, the involuntary transfer process, or hire external candidates. The District shall assign nurses, special education staff, and elementary music teachers.

Whenever the District opens a new school after the student school year begins but before March 15th of that school year, the provisions of Article 15.2 Voluntary Transfer shall apply, except that the number of unit members transferring from any grade level of an elementary site or department of any site may not exceed twenty-five percent (25%) of the affected grade level or department. In cases where a grade level or department has fewer than four (4) unit members, no more than one unit member may transfer from that grade level or department. This paragraph does not apply to delays in opening a new school that the District could not reasonably foresee.

This section does not apply to any school that is “transplanted” from one physical location to another in which all bargaining unit members move collectively from one physical location to another.
ARTICLE 17: COMPENSATION AND HEALTH AND WELFARE BENEFITS

2017-2018:

1. 2½% off schedule salary increase to current unit members based on their salary schedule as of December 5, 2017. Unit members who are on an unpaid leave of absence during the 2017-2018 school year will not be eligible to receive the payment. Additionally, this one-time payment shall not be applied to any stipends.

2. 2½% on schedule salary increase for 2017-2018 effective July 1, 2017.

2018-2019:

1. 2% on schedule salary increase for 2018-2019 effective July 1, 2018 (may be applied to benefits upon notice by the Association to the District by January 30, 2018).

This closes salary negotiations through 2018-2019.

A student may be expelled only by the Board of Education. The Board shall expel, as required by law, any student found to have committed certain offenses listed in Education Code 48915.

Approval of this item supports the goals identified within the District’s Strategic Plan.

SUBJECT: REVISION OF BOARD POLICY 6153 INSTRUCTION – SCHOOL-SPONSORED TRIPS

BACKGROUND

Board policies, administrative regulations, and bylaws of the Board are routinely developed and revised as a result of changes in law, mandates, federal regulations, and current practice. Board Policy 6153 Instruction – School-Sponsored Trips is being updated to reflect new law (AB 341, 2017) which eliminates the prohibition against the use of district funds to pay for the expenses of students participating in field trips or excursions to another state, to the District of Columbia, or to a foreign country. This item was presented to the Board of Education on January 18, 2018, as information.

New language is provided in UPPER CASE while old language to be deleted is lined through.

Approval of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education approve the revision of Board Policy 6153 Instruction – School-Sponsored Trips.

FISCAL IMPACT

None.
SCHOOL-SPONSORED TRIPS

The Board of Education recognizes that school-sponsored trips are an important component of a student’s development and supplement and enrich the classroom learning experience. School-Sponsored trips may be conducted in connection with the District’s course of study or school-related social, educational, cultural, athletic, school band activities, or other extracurricular or cocurricular activities. A field trip to a foreign country may be permitted to familiarize students with the language, history, geography, natural science, and other studies relative to the District’s course of study. (Education Code 35330)

(cf. 6143 - Courses of Study)
(cf. 6145 - Extracurricular and Cocurricular Activities)
(cf. 6145.2 - Athletic Competition)

Requests for school-sponsored trips involving out-of-state, out-of-country, or overnight travel shall be submitted to the Superintendent or designee. The Superintendent or designee shall review the request and make a recommendation to the Board as to whether the request should be approved by the Board. All other school-sponsored trips shall be approved in advance by the principal.

The principal shall establish a process for approving a staff member’s request to conduct a school-sponsored trip. When planning trips, staff shall consider student safety, objectives of instruction, the most effective use of instructional time, the distance from school, District and student expense, and transportation and supervision requirements. Principals may exclude from the trip any student whose presence on the trip would pose a safety or disciplinary risk.

(cf. 3530 - Insurance Management)
(cf. 3541.1 - Transportation for School-Related Trips)
(cf. 5142 - Safety)
(cf. 5143 - Insurance)
(cf. 5144 - Discipline)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

No field trip shall be authorized if any student would be excluded from participation because of a lack of sufficient funds. The Superintendent or designee shall coordinate with community groups to supply funds for students in need. (Education Code 35330)

(cf. 1230 - School-Connected Organizations)
(cf. 1321 - Solicitation of Funds from and by Students)
(cf. 1700 - Relations Between Private Industry and the Schools)

THE BOARD MAY APPROVE THE USE OF District funds shall not be used to pay for student expenses for IN-STATE, out-of-state or out-of-country field trips or excursions WHEN PERMITTED BY LAW. However, IN ADDITION, expenses of instructors, chaperones, and other personnel participating in such trips, as well as
incidental expenses for the use of District equipment during the trip, may be paid from District funds. (Education Code 35330)

BACKGROUND

Public Contract Code (PCC) 20111 requires school district governing boards to competitively bid and award any contracts involving an expenditure of more than $86,000.00 to the lowest responsible bidder.

Notwithstanding PCC 20111, PCC 20118 and Administrative Regulation 3311 state that without advertising for bids and upon a determination that it is in the best interest of the District, the Board may authorize District staff by contract, lease, requisition, or purchase order of another public corporation or agency, to lease data-processing equipment, or to purchase materials, supplies, equipment, automotive vehicles, tractors and other personal property for the District in the manner that the other public corporation or agency is authorized to make the leases or purchases from a vendor (piggyback).

Alternatively, if there is an existing contract between a public corporation or agency and a vendor for the lease or purchase of personal property, the District may authorize the lease or purchase of personal property directly to the vendor under the same terms that are available to the public corporation or agency under the contract.

Staff requests approval of the following resolution to provide authorization for the District to participate by piggyback in contracts as itemized below:

WHEREAS, the Board of Education (Board) of the Chino Valley Unified School District (District) has determined that a true and very real need exists to procure Lenovo Computer Equipment: Band 1-Desktop, Band 2-Laptop, Band 3-Tablet, Band 4-Server, and Band 5-Storage for the District;

WHEREAS, California Participating Addendum currently has a piggyback contract, Contract No. 7-15-70-34-007, in accordance with Public Contract Code 20118 with Lenovo Inc. that contains the materials, supplies, equipment and/or other personal property the District currently requires;

WHEREAS, the board of education of a school district, without advertising for bids, if the board has determined it to be in the best interests of the district, may authorize by contract, lease, requisition, or purchase order of any public corporation or agency, including any county, city, town, or district, to lease data-processing equipment, purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property for the district in the manner in which the public corporation or agency is authorized by law to make the leases or purchases from a vendor;

WHEREAS, the board of education of a school district is required to make a determination that a purchase and/or lease through a public corporation or agency is in the best interests of the district to take advantage of this exception; and

WHEREAS, the Board has determined that it is in the best interest of the District to authorize the purchase of Lenovo Computer Equipment: Band 1-Desktop, Band 2-Laptop, Band 3-Tablet, Band 4-Server, and Band 5-Storage through the piggyback contract procured by the California Participating Addendum Contract No. 7-15-70-34-007.

Section 4. Other Actions. The Superintendent or his designee are each hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to consummate the purchase, sale, and lease, and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, and that any and all such prior actions by the District’s Superintendent, or his designee, are hereby ratified by the Board.

BACKGROUND

The Office of Public School Construction requires contracts for geotechnical, soils, and special inspection services be obtained pursuant to a competitive process consistent with the requirements of Chapter 10, Section 4525 of the Government Code. October 18, 2017, the District issued a Request for Qualifications to seek qualified geotechnical inspection firms for new construction, modernization, and campus expansion projects. Nine (9) firms were solicited and nineteen (19) firms submitted their qualifications for consideration.

The review and evaluation panel consisted of three members of the District’s Facilities Planning and Operations Division. The review and evaluation of qualifications was based on the following criteria:

- California K-14 school district experience
- The ability to provide high quality services in a cost-effective manner
- Firm’s overall capability, stability, and available resources
- The ability to complete tasks within a timely and efficient manner
- The ability to deliver projects within budget and on time
- References

Based on these criteria, it is recommended that the following firms be approved for geotechnical, soils testing, and special inspection services on an as needed, project-by-project basis as projects develop:

John R. Byerly Inc.
Kleinfelder
Koury Engineering & Testing, Inc.
Leighton Consulting Inc.
RMA Group

CHINO VALLEY UNIFIED SCHOOL DISTRICT
POLICY ADOPTED:
DATE: February 1, 2018

TO: Members, Board of Education

FROM: Wayne M. Joseph, Superintendent

PREPARED BY: Gregory J. Stachura, Asst. Supt., Facilities, Planning, and Operations

SUBJECT: REQUEST TO NAME THE DON LUGO HS VARSITY BASEBALL FIELD AFTER JOE MARCOS

===================================================================

BACKGROUND

On April 20, 2017, community member Ryan Marcos, addressed the Board of Education to request naming the Don Lugo HS varsity baseball field after his father, retired former Don Lugo HS varsity baseball coach Joe Marcos. Shortly thereafter, Mr. Marcos followed up with a formal written request to the District.

Prior to his retirement in 2015, Joe Marcos served the Chino Valley Unified School District for 42 years at Don Lugo HS. Mr. Marcos began his career in 1974 as Don Lugo HS’s assistant varsity baseball coach and became head coach in 1985. During the course of his coaching tenure, Mr. Marcos coached over 650 athletes, most of whom went on to play baseball at the collegiate level. Over 35 of these athletes went on to play professional, major league baseball. In his 31 years as head coach, the program respectively had over 500 wins, many CIF playoff appearances, 10 CIF championships and the Mt. Baldy League title in 2015. In addition to the thousands of hours coaching, he also spent countless hours improving, maintaining, and renovating the varsity baseball field into a first-class high school baseball facility. Additionally, while at Don Lugo HS, Mr. Marcos coached wrestling, girls’ volleyball, junior varsity football, taught driver’s education, physical education, weightlifting, sport turf management and served as Don Lugo HS’s athletic director for 16 years.

In accordance with Board Policy 7310, Naming of Facilities:

1. The Citizen Advisory Committee on Naming Facilities shall review name suggestions.
2. The community, including students, shall be given advance notice of the intention to name or rename a facility.
3. The process shall include an information item on the Board agenda that specifies the duration of community notification and input (minimally 30 days).

4. The public shall be notified through the news media, District cable channel, social media outlets, and the District website that there is a 30-day opportunity to submit recommendations for names of facilities to the Citizen Advisory Committee.

5. Upon conclusion of the 30 days, at the next regularly scheduled Board meeting (March 15, 2018), the Board shall hold a public hearing on the proposed name change and entertain public comments.

6. At the following, regularly scheduled Board meeting (April 19, 2018), the item shall come before the Board, the Board will again entertain public comments and take action on the item.

On January 10, 2018, the Citizen Advisory Committee on Naming Facilities held a public meeting to hear the naming proposal from Ryan Marcos and to discuss it as well as the fiscal impact and other consequential impacts to the educational program. The committee agreed that this request was worthy of consideration and potential further action by the Board of Education.

Consideration of this item supports the goals identified within the District’s Strategic Plan.

**RECOMMENDATION**

It is recommended the Board of Education receive for information the request to name the Don Lugo HS Varsity Baseball Field after Joe Marcos.
