SUBJECT:    2018/2019 LOCAL CONTROL AND ACCOUNTABILITY PLAN

BACKGROUND

The Local Control Funding Formula (LCFF) system requires that each Local Educational Agency (LEA) develop, adopt and annually update a three-year Local Control and Accountability Plan (LCAP). The LCAP is required to identify goals and measure progress for student subgroups (English learners, low income, and foster youths) across multiple performance indicators.

Pursuant to Education Codes 52060 and 52066, the LCAP describes the District’s overall vision for students, annual goals, and specific actions the District will take to achieve its identified vision and goals. Additionally, the LCAP must focus on eight areas identified as state priorities. The plan also demonstrates how the District’s budget will help achieve the goals, and assess each year how well the strategies in the plan were able to improve outcomes. As such, the District is required to annually update its three-year LCAP, as necessary.

The Board conducted a public hearing on this item at its June 14, 2018 meeting. Subsequently, the District is required to submit its LCAP to the San Bernardino County Superintendent of Schools. The approved LCAP becomes effective July 1, 2018. A hardcopy of the draft 2018/2019 LCAP is available in the lobby for public inspection.

Approval of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education adopt the 2018/2019 Local Control and Accountability Plan.

SUBJECT: ADOPTION OF THE 2018/2019 BUDGET

============================================

BACKGROUND

In July 2013, Governor Jerry Brown enacted a budget that included a brand-new education funding system called the Local Control Funding Formula (LCFF). The LCFF distributed combined resources to school districts through a base grant per unit of average daily attendance with additional supplemental funding allocated to districts based on their proportion of English learners, foster youth, and free and reduced-price meal eligible students. The State’s estimated timeframe to fully transition to the new funding formula was 2020/2021.

The May Revision is the final statutory opportunity for the Governor to update his economic projections prior to enactment of the State Budget in June. On May 11, 2018, Governor Brown released the May Revision to his January budget proposal for the 2018/2019 fiscal year. Throughout the current fiscal year, state revenues have outpaced forecasts both before and during the important tax month of April. With this solid revenue base, Governor Brown is proposing to fully fund the LCFF in 2018/2019, two years earlier than originally planned. He also proposed one-time discretionary funds to offset against the outstanding mandate claims.

In his press conference, while acknowledging the increased revenues and the economy’s overall strong fiscal health, Governor Brown returned to his theme of fiscal prudence. The May Revision reflects his belief in fiscal restraint and his fear that an economic downturn is inevitable. Governor Brown noted that it is the role of government to manage and keep an even keel on spending between good times and bad by building the State’s reserves and avoid substantial new ongoing obligations. Districts are advised to remain focused on stabilizing expenditures, maintaining adequate reserves, and planning to sustain current programs.
The District’s proposed budget for 2018/2019 reflects the Governor’s proposed LCFF funding structures included in his May Revision, using the LCFF calculators provided by School Services of California and the San Bernardino County Superintendent of Schools. The proposed budget for 2018/2019 also reflects the actions and services included in the proposed Local Control and Accountability Plan.

Based on the current revenue assumptions and current expenditure plan, the proposed general fund budget for 2018/2019 and two subsequent years will meet the minimum statutory reserve requirement. All other funds are also in balance.

Education Code 52062 requires the Board of Education to conduct a public hearing prior to approving the 2018/2019 budget at its June 28, 2018 meeting. A public hearing was conducted on June 14, 2018. The 2018/2019 budget is being presented under separate cover. A hard copy is available for public inspection in the District lobby of the Chino Valley Unified School District.

RECOMMENDATION

It is recommended the Board of Education adopt the 2018/2019 budget for all funds and authorize the Superintendent or designee to sign the 2018/2019 District Certification of Budget Adoption.

SUBJECT: REVISIONS TO THE CERTIFICATED AND CLASSIFIED CABINET SALARY SCHEDULE

BACKGROUND

As such, the Board is being asked to approve the revisions to the Certified and Classified Cabinet Salary Schedule effective July 1, 2018, to include the classifications of Associate Superintendent of Business Services; and Curriculum, Instruction, Innovation, and Support. The proposed revisions are provided in UPPER CASE, while old language to be deleted is lined through.

Approval of this item supports the goals identified within the District’s Strategic Plan.

In order to better meet the needs of the District in its efforts to successfully implement the District goals (i.e. Measure G, Local Control Accountability Plan), two (2) associate superintendent positions in the Divisions of Business Services and Curriculum, Instruction, Innovation, and Support are being proposed.

Approval of this item supports the goals identified within the District’s Strategic Plan.

WHEREAS, the provisions of Article XIII, Section 36(e) create in the state General Fund an Education Protection Account to receive and disburse the revenues derived from the incremental increases in taxes imposed by Article XIII, Section 36(f);

WHEREAS, before June 30th of each year, the Superintendent or designee shall estimate the total amount of additional revenues, less refunds that will be derived from the incremental increases in tax rates made pursuant to Article XIII, Section 36(f) that will be available for transfer into the Education Protection Account during the next fiscal year;

WHEREAS, if the sum determined by the State Controller is positive, the State Controller shall transfer the amount calculated into the Education Protection Account within ten days preceding the end of the fiscal year;

WHEREAS, the monies received from the Education Protection Account shall not be used for salaries or benefits for administrators or any other administrative cost;

WHEREAS, each community college district, county office of education, school district and charter school shall annually publish on its Internet website an accounting of how much money was received from the Education Protection Account and how that money was spent;

BACKGROUND

Board policies, administrative regulations, and bylaws of the Board are routinely developed and revised as a result of changes in law, mandates, federal regulations, and current practice. Policy adds conditions under which a multitrack year-round school may instead offer a minimum of 163 instructional days. This item was presented to the Board of Education on June 14, 2018, as information.

New language is provided in UPPER CASE while old language to be deleted is lined through.

Approval of this item supports the goals identified within the District’s Strategic Plan.

YEAR-ROUND SCHEDULES

The Board of Education believes that a year-round school schedule could benefit the district and its students by providing continuous instruction and reducing learning loss over extended vacations, as well as enabling the district to address allowing timely interventions to improve academic achievement, and alleviating overcrowding in schools through more efficient use of school facilities. The board shall consider the feasibility of establishing year-round schedules as the board monitors based on current and projected enrollments, facilities needs, and instructional needs.

(cf. 6111 - School Calendar)
(cf. 7110 - Facilities Master Plan)

Before approving a year-round program in any district school, the board shall consult with certificated and classified employees of the school, parents/guardians of students who would be affected by the change, and the community at large. Such consultation shall include at least one public hearing for which adequate notice has been given to the employees and parents/guardians of affected students. (Education Code 37616)

(cf. 0420 - School Plans/Site Councils)
(cf. 4112.9/4212.9/4312.9 - Employee Notifications)
(cf. 5145.6 - Parental Notifications)
(cf. 9320 - Meetings and Notices)

The superintendent or designee shall develop a year-round schedule for any school selected or approved by the board for year-round schedule. The schedule shall specify the number of tracks or groups into which students and staff shall be divided and the number and length of instructional and vacation periods.

IF THE BOARD DETERMINES TO OPERATE A YEAR-ROUND PROGRAM IN A MANNER THAT WOULD REQUIRE ANY STUDENT TO ENROLL, THE SUPERINTENDENT OR DESIGNEE SHALL PUBLISH, NOT LATER THAN NOVEMBER 1 OF THE SCHOOL YEAR PRECEDING THE COMMENCEMENT OF THE PROGRAM, NOTICE OF THE DISTRICT’S INTENTION TO OPERATE THE PROGRAM. SUCH NOTICE SHALL BE PUBLISHED IN A NEWSPAPER OF GENERAL CIRCULATION WITHIN THE DISTRICT, OR IF THERE IS NO SUCH NEWSPAPER, THEN IN ANY NEWSPAPER OF GENERAL CIRCULATION THAT IS REGULARLY CIRCULATED IN THE DISTRICT. THE NOTICE SHALL BE PUBLISHED ONCE EACH WEEK FOR THREE SUCCESSIVE WEEKS OR, IF THE NEWSPAPER IS REGULARLY PUBLISHED ONCE A WEEK OR MORE OFTEN, AT LEAST THREE TIMES WITH AT LEAST FIVE DAYS INTERVENING BETWEEN THE RESPECTIVE PUBLICATION DATES NOT COUNTING THE PUBLICATION DATES. (Education Code 37611)
YEAR-ROUND SCHEDULES (cont.)

(cf. 5116.1 - Intradistrict Open Enrollment)

ON THE BOARD'S ORDER, OR UPON A SUFFICIENT PETITION BY THE PUBLIC TO THE COUNTY SUPERINTENDENT OF SCHOOLS AFTER THE ABOVE NOTICE OF INTENTION IS GIVEN BY THE DISTRICT, AN ELECTION SHALL BE CALLED TO DETERMINE WHETHER TO PERMIT A YEAR-ROUND PROGRAM TO BE OPERATED. (Education Code 37612)

EACH YEAR-ROUND SCHOOL SHALL OFFER A MINIMUM OF 175 DAYS OF INSTRUCTION PER SCHOOL YEAR, UNTIL IT EQUALS OR EXCEEDS THE LOCAL CONTROL FUNDING FORMULA TARGET ESTABLISHED FOR IT PURSUANT TO EDUCATION CODE 42238.02, AT WHICH TIME EACH SCHOOL SHALL OFFER 180 DAYS OR MORE OF INSTRUCTION PER SCHOOL YEAR. (Education Code 37620, 41420, 46208)

HOWEVER, ANY SCHOOL THAT OPERATES ON A MULTITRACK SCHEDULE SHALL BE DEEMED IN COMPLIANCE WITH THESE REQUIREMENTS IF IT OFFERS A MINIMUM OF 163 INSTRUCTIONAL DAYS PER SCHOOL YEAR. TO DO SO, THE BOARD SHALL ADOPT A RESOLUTION AT A REGULARLY SCHEDULED BOARD MEETING CERTIFYING THAT THE NUMBER OF ANNUAL INSTRUCTIONAL MINUTES IS NOT LESS THAN THAT OF SCHOOLS OF THE SAME GRADE LEVELS UTILIZING THE TRADITIONAL SCHOOL CALENDAR AND THAT IT IS NOT POSSIBLE TO MAINTAIN A MULTITRACK SCHEDULE WITH THE SAME NUMBER OF INSTRUCTIONAL DAYS PROVIDED BY DISTRICT SCHOOLS ON A TRADITIONAL CALENDAR GIVEN THE FACILITIES, PROGRAM, CLASS SIZES, AND PROJECTED NUMBER OF STUDENTS ENROLLED AT THE SCHOOL SITE. THE SUPERINTENDENT OR DESIGNEE SHALL ANNUALLY CERTIFY TO THE SUPERINTENDENT OF PUBLIC INSTRUCTION THAT ANY SUCH SCHOOL IS MAINTAINED FOR AT LEAST 163 INSTRUCTIONAL DAYS. (Education Code 37670, 46208)

(cf. 1431 - Waivers)
(cf. 6112 - School Day)

EACH SCHOOL OPERATING ON A YEAR-ROUND SCHEDULE SHALL BE CLOSED FOR ALL STUDENTS AND EMPLOYEES ON REGULAR SCHOOL HOLIDAYS. (Education Code 37619)

(cf. 6115 - Ceremonies and Observances)

Assignment to Year-Round Tracks

The Superintendent or designee shall establish an unbiased process for determining assignment of students to tracks based on the following criteria GUIDELINES:
YEAR-ROUND SCHEDULES (cont.)

1. Students of the same family shall be placed in the same group or track unless one or more of such students are enrolled in a special education class or unless the parent/guardian requests that the students be placed in different groups. (Education Code 37617)

(cf. 6159 - Individualized Education Program)

2. Assignment based on ability level shall be minimized except when necessary to accommodate special education needs or other specialized programs.

(cf. 6159 - Individualized Education Program)
(cf. 6172 - Gifted and Talented Student Program)

3. After assignment based on the above priorities, remaining students shall be chosen on a lottery basis when the number of students requesting a particular track exceeds spaces available. Students’ second preferences of track assignment shall be accommodated to the extent possible.

The Superintendent or designee shall give parents/guardians adequate notice regarding their child’s schedule.

Once students are assigned to a track, priority shall be placed on keeping students on the same track each year unless the parent/guardian requests a change.

Policy adopted: August 21, 1997
Revised: June 18, 2009
REVISED:
DATE:       June 28, 2018

TO:         Members, Board of Education

FROM:       Wayne M. Joseph, Superintendent

PREPARED BY: Gregory J. Stachura, Asst. Supt., Facilities, Planning, and Operations
            Anna G. Hamilton, Director, Purchasing

SUBJECT:    PURCHASE ORDER REGISTER

BACKGROUND

Board Policy 3310 Business and Noninstructional Operations – Purchasing requires approval/ratification of purchase orders by the Board of Education. A purchase order is a legal contract between a district and vendor, containing a description of each item listed and/or a statement to the effect that supplies, equipment or services furnished herewith shall be in accordance with specifications and conditions.

Purchase orders represent a commitment of funds. No item on this register will be processed unless within budgeted funds. The actual payment for the services or materials is made with a warrant (check) and reported on the warrant register report.

Approval of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education approve/ratify the purchase order register, provided under separate cover.

FISCAL IMPACT

$4,985,748.55 to all District funding sources.
BACKGROUND

All contracts between the District and outside agencies shall conform to standards required by law and shall be prepared under the direction of the Superintendent or designee. To be valid or to constitute an enforceable obligation against the District, all contracts must be approved and/or ratified by the Board of Education.

Approval of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education approve/ratify the Agreements for Contractor/Consultant Services.

FISCAL IMPACT

As indicated.

TO: Members, Board of Education

FROM: Wayne M. Joseph, Superintendent

PREPARED BY: Gregory J. Stachura, Asst. Supt., Facilities, Planning, and Operations

SUBJECT: SURPLUS/OBSOLETE PROPERTY

===================================================================

BACKGROUND

The Board of Education recognizes that the District may own personal property which is unusable, obsolete, or no longer needed by the District. The Superintendent or designee shall arrange for the sale or disposal of District personal property in accordance with Board policy and the requirements of Education Code 17545.

Lists of surplus items are emailed to the Facilities/Planning Department to be placed on an upcoming Board agenda. After Board approval, items may be picked up by District warehouse or a liquidation company for public auction. Proceeds of the sale are deposited into the General Fund.

Approval of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education declare the District property surplus/obsolete and authorize staff to sell/dispose of said property.

FISCAL IMPACT

Increase to the General Fund from proceeds of sale.

SUBJECT:    RESOLUTION 2017/2018-87 FOR AUTHORIZATION TO UTILIZE A PIGGYBACK CONTRACT

BACKGROUND

Public Contract Code (PCC) 20111 requires school district governing boards to competitively bid and award any contracts involving an expenditure of more than $86,000.00 to the lowest responsible bidder.

Notwithstanding PCC 20111, PCC 20118 and Administrative Regulation 3311 state that without advertising for bids and upon a determination that it is in the best interest of the District, the Board may authorize District staff by contract, lease, requisition, or purchase order of another public corporation or agency, to lease data-processing equipment, or to purchase materials, supplies, equipment, automotive vehicles, tractors and other personal property for the District in the manner that the other public corporation or agency is authorized to make the leases or purchases from a vendor (piggyback).

Alternatively, if there is an existing contract between a public corporation or agency and a vendor for the lease or purchase of personal property, the District may authorize the lease or purchase of personal property directly to the vendor under the same terms that are available to the public corporation or agency under the contract.

Staff requests approval of the following resolution to provide authorization for the District to participate by piggyback in contract as itemized below:

**RECOMMENDATION**

It is recommended the Board of Education adopt Resolution 2017/2018-87 for authorization to utilize a piggyback contract.

**FISCAL IMPACT**

Unknown.

WMJ:GJS:AGH:pw
WHEREAS, the Board of Education (Board) of the Chino Valley Unified School District (District) has determined that a true and very real need exists to procure Software VAR for the District;

WHEREAS, DGS Participating Addendum currently has a piggyback contract, 7-16-70-37 amendment 1, in accordance with Public Contract Code 20118 with CW Government LLC that contains the materials, supplies, equipment and/or other personal property the District currently requires;

WHEREAS, the board of education of a school district, without advertising for bids, if the board has determined it to be in the best interests of the district, may authorize by contract, lease, requisition, or purchase order of any public corporation or agency, including any county, city, town, or district, to lease data-processing equipment, purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property for the district in the manner in which the public corporation or agency is authorized by law to make the leases or purchases from a vendor;

WHEREAS, the board of education of a school district is required to make a determination that a purchase and/or lease through a public corporation or agency is in the best interests of the district to take advantage of this exception; and

WHEREAS, the Board has determined that it is in the best interest of the District to authorize the purchase of Software VAR through the piggyback contract procured by the DGS Participating Addendum 7-16-70-37 amendment 1.

NOW, THEREFORE, BE IT RESOLVED the Board hereby finds, determines, and declares as follows:

Section 1. Determination re: Recitals. All of the recitals set forth above are true and correct.

Section 2. Determination re: Purchase through Other Public Agency. Pursuant to Public Contract Code 20118, that authorizing the purchase of Software VAR through the piggyback contract originally procured by the DGS Participating Addendum 7-16-70-37 amendment 1 is in the best interests of the District because there is volume pricing that can be used to reduce the District’s overall price.
Section 3. Authorization. The Board hereby authorizes the acquisition of Software VAR in accordance with Public Contract Code 20118 through the piggyback contract originally procured by the DGS Participating Addendum 7-16-70-37 amendment 1.

Section 4. Other Actions. The Superintendent or his designee are each hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to consummate the purchase, sale, and lease, and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, and that any and all such prior actions by the District’s Superintendent, or his designee, are hereby ratified by the Board.

Section 5. Effective Date. This resolution shall be effective as of October 12, 2016, for the term ending April 7, 2019.

In no event shall the retention exceed the sum of $5,000.00.

Time For Completion. Except to the extent otherwise expressly agreed in writing signed by an authorized representative of Trane, all dates provided by Trane or its representatives for commencement, progress or completion are estimates only. If such conditions differ materially and cause an increase in Trane’s cost of, or time required for, performance of any part of the Work, Trane shall be entitled to, and Customer shall consent by Change Order to, an equitable adjustment in the Contract Price, contract time, or both.

Asbestos And Hazardous Materials. Trane’s Work and other services in connection with this Agreement expressly excludes any identification, abatement, cleanup, control, disposal, removal or other work connected with asbestos, polychlorinated biphenyl ("PCB"), or other hazardous materials (hereafter, collectively, "Hazardous Materials"). Should Trane become aware of or suspect the presence of Hazardous Materials, Trane shall be required to perform work in the affected area only in the absence of Hazardous Materials and the affected area has been rendered harmless. In no event shall Trane be obligated to transport or handle Hazardous Material, to provide any notice to any governmental agency, or to examine the Premises for the presence of Hazardous Materials.

If Trane shall be unable to carry out any material obligation under this Agreement due to events beyond its control, such as acts of God, governmental or judicial authority, injunctions, riots, labor disputes, labor or material shortages, fires, or explosions, this Agreement shall end at Trane’s election (i) remain in effect but Trane’s obligations shall be suspended until the uncontrollable event terminates; or (ii) be terminated upon ten (10) days notice to Customer, in which event Customer shall pay Trane for all parts of the Work furnished to the date of termination.

Customer’s Breach. Each of the following events or conditions shall constitute a breach by Customer and shall give Trane the right, without an election of remedies, to terminate this Agreement by delivery of written notice, terminating the entire Agreement, which event Customer shall be liable to Trane for all Work furnished to date and all damages sustained by Trane (including lost profit and overhead). (i) Any failure by Customer to pay amounts due more than thirty (30) days after the date of the Invoice THEREOF; or (ii) Any failure by Customer to perform or comply with any material provision of this Agreement.

Indemnification. Trane and Customer shall indemnify and defend and hold each other harmless from all and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorney’s fees, resulting from death or bodily injury or damage to real or personal property, to the extent caused by the negligence or misconduct of their respective employees or other authorized agents in connection with their activities within the scope of this Agreement. However, neither party shall indemnify the other against claims, damages, expenses or liabilities, to the extent attributable to the negligence or misconduct of the other party. In any event, the obligation to indemnify shall be proportional to their respective fault. The duty to indemnify will survive in full force and effect, notwithstanding the expiration or early termination hereof, with respect to any claims based on facts or conditions that occurred prior to expiration or termination. Notwithstanding any contrary provision, neither party shall be liable to the other for any special, incidental, consequential or punitive damages.

==================================================================

BACKGROUND

On July 11, 2003, the Board of Education approved a land lease agreement with Pac Bell Wireless, LLC, dba Cingular Wireless (now dba T-Mobile) to construct and install a faux pine tree cellular tower/antenna array at Don Lugo High School. Per this agreement, all changes, modifications and improvements to the cellular tower/antenna array must be approved by the California Department of State Architect (DSA).

T-Mobile is proposing changes to the cellular tower/antenna array which require DSA approval. As part of the approval process, a DSA inspector is required to inspect and certify that the changes are per the DSA approved plans and specifications. The District will be providing the DSA inspector through its Board approved inspection service provider, TYR Inspections. T-Mobile will reimburse the District for these costs through the reimbursement agreement.

Approval of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education approve the Reimbursement Agreement for DSA Inspection Services through T-Mobile.

FISCAL IMPACT

None.

Any budget revision that will result in the unassigned fund balance dropping below the minimum level will require the approval of 2/3 vote of the district's governing board.
MINIMUM FUND BALANCE

The fund balance of the District’s general fund is intended to contain reserves to provide stability and flexibility in response to unexpected adversity and/or opportunities. The target is to maintain an unrestricted fund balance of not less than three percent (3%) of combined general fund expenditures and other financing uses in the unassigned fund balance classification. The rationale for this level of reserves is to provide the following:

• To meet state-required reserve levels in accordance with the standards and criteria adopted by the State Board of Education (education code 33128)

• To provide adequate cash to meet financial obligations

• To provide available funds to meet unanticipated or emergency financial obligations

• To provide stability during periods of economic distress

RESERVE BALANCE

THE DISTRICT BUDGET SHALL INCLUDE A MINIMUM RESERVE BALANCE FOR ECONOMIC UNCERTAINTIES THAT IS CONSISTENT WITH THE PERCENTAGE OR AMOUNT SPECIFIED IN 5 CCR 15450.

IN ANY YEAR THAT THE DISTRICT IS NOTIFIED BY THE SUPERINTENDENT OF PUBLIC INSTRUCTION THAT THE AMOUNT OF MONIES IN THE STATE PUBLIC SCHOOL SYSTEM STABILIZATION ACCOUNT EQUALS OR EXCEEDS THREE PERCENT OF THE COMBINED TOTAL OF GENERAL FUND REVENUES APPROPRIATED FOR SCHOOL DISTRICTS AND ALLOCATED LOCAL PROCEEDS OF TAXES, THE DISTRICT BUDGET SHALL NOT CONTAIN A COMBINED ASSIGNED OR UNASSIGNED ENDING GENERAL FUND BALANCE THAT IS IN EXCESS OF 10 PERCENT OF THESE FUNDS. (Education Code 41202, 42127.01)

Long-Term Financial Obligations

The District’s current-year budget and multi-year projections shall include adequate provisions for addressing the District’s long-term financial obligations, including, but not limited to, long-term obligations resulting from collective bargaining agreements, financing of facilities projects, unfunded or future liability for retiree benefits, and accrued workers’ compensation claims.

(cf. 4141/4241 – Collective Bargaining Agreement)
(cf. 4154/4254/4354 – Health and Welfare Benefits)
Regardless of the funding strategy used by the District, Governmental Accounting Standards Board (GASB) statement 45 requires the District to report the annual expense of OPEBS and, to the extent that the OPEBS are not prefunded, to report them as a liability on the district’s financial statements; see AR 3460 Financial Reports and Accountability.

The Board shall approve a plan for meeting the District’s long term obligations to fund non-pension, Other Postemployment Benefits (OPEBS). This plan shall include a specific funding strategy and the method that will be used to finance the District’s annual fiscal obligations for such benefits in a manner that continually reduces the deficit to the District to the extent possible. The Board reserves the authority to review and amend the funding strategy as necessary to ensure that it continues to serve the best interests of the District and maintains flexibility to adjust for changing budgetary considerations.

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of OPEBS, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve a sufficient amount of money in its budget to fund the present value of the benefits of existing retirees and/or the future cost of employees who are eligible for benefits in the current fiscal year. (Education Code 42140)

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of workers’ compensation claims, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve in the budget sufficient amounts to fund the present value of accrued but unfunded workers’ compensation claims or if it is otherwise decreasing the amount in its workers’ compensation reserve fund. The Board shall annually certify to the County Superintendent the amount, if any, that it has decided to reserve in the budget for these costs. The Board shall submit to the County Superintendent any budget revisions that may be necessary to account for this budget reserve. (Education Code 42141)

**Budget Amendments**

NO LATER THAN 45 DAYS AFTER THE GOVERNOR SIGNS THE ANNUAL BUDGET ACT, THE SUPERINTENDENT OR DESIGNEE SHALL MAKE AVAILABLE FOR PUBLIC REVIEW ANY REVISIONS IN BUDGETED REVENUES AND EXPENDITURES WHICH OCCUR AS A RESULT OF THE FUNDING MADE AVAILABLE BY THAT BUDGET ACT. (Education Code 42127)

Whenever revenues and expenditures change significantly throughout the year, the Superintendent or designee shall recommend budget amendments to ensure accurate projections of the District’s net ending balance. When final figures for the prior-year
Budget (cont.)

budget are available, this information shall be used as soon as possible to update the current-year budget’s beginning balance and projected revenues and expenditures. In addition, budget amendments shall be submitted for board approval when the state budget is adopted, collective bargaining agreements are accepted, district income declines, increased revenues or unanticipated savings are made available to the District, program proposals are significantly different from those approved during budget adoption, interfund transfers are needed to meet actual program expenditures, and/or other significant changes occur that impact budget projections.

SUBJECT: REVISION OF ADMINISTRATIVE REGULATION 6146.11 INSTRUCTION – ALTERNATIVE CREDITS TOWARD GRADUATION

===================================================================

BACKGROUND

Board policies, administrative regulations, and bylaws of the Board are routinely developed and revised as a result of changes in law, mandates, federal regulations, and current practice. Administrative Regulation 6146.11 Instruction – Alternative Credits Toward Graduation is being updated to replace California Standards Tests with California Assessment of student Performance and Progress (CAASPP) that was established January 1, 2014.

New language is provided in UPPER CASE while old language to be deleted is lined through.

Consideration of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education receive for information the revision of Administrative Regulation 6146.11 Instruction - Alternative Credits Toward Graduation.

FISCAL IMPACT

None.
ALTERNATIVE CREDITS TOWARD GRADUATION

Definitions

A semester period is one period of 40 to 60 minutes of instructional time per week throughout one semester of at least 17 weeks, or a minimum of 12 clock hours of instructional time provided during the academic year or in summer school. While the content to be covered is planned within these time frames, a student may be granted one semester period of credit even though the student spends less than the aforementioned amount of time in completing the necessary work. (5 CCR 1600)

Juvenile Court School

The District shall accept for credit any coursework satisfactorily completed by students while detained in a juvenile court school or county or state-operated institution. District students who successfully complete district graduation requirements while so detained shall receive a diploma from the school they last attended. (Education Code 48645.5)

Practical Demonstration of Skills and Competencies

At the discretion of the Superintendent, credit may be granted to students transferring from a school outside the state or country, or from a non accredited private, alternative, charter, or home school through practical demonstration of skills and competencies. This option is available only when previous successfully competed course work is similar to, but does not match, courses required for graduation and when the student would otherwise be unable to earn sufficient credits to graduate with his/her class.

The examination shall be comprehensive and cover all course objectives. Successful completion of the examination shall be at a level which indicated mastery of the content and/or reasonable chance for success in the next higher course.

Students in grades K-8 who transfer into the District without proof of having met the grade level proficiency standards in reading, mathematics, and writing must take the appropriate district tests of these basic skills to facilitate proper placement.

The principal at the enrolling school shall be responsible for determining which of the students credits are equivalent to district requirements.

The process for granting credit by examination at grades 9-12 shall include, but not be limited to, the following:

The student transcript is evaluated and credit given for courses which match district academic standards, time requirements, and graduation requirements.
ALTERNATIVE CREDITS TOWARD GRADUATION (cont.)

Credit may be given where an examination of the student’s portfolio of work, papers, completed project, graded tests or other documents demonstrate a level of skill and knowledge which match district academic standards, time requirements, and graduation requirements.

The principal determines that the student cannot earn sufficient credits in the District to graduate with his/her appropriate class.

For courses that are similar, an opportunity may be offered for the student to demonstrate skills by his/her performance on appropriate examinations, comprehensive final examinations, and/or other culminating examinations which demonstrate mastery of the course content.

The student and their parents are informed of the option to earn credits through examination and the requirements.

The student may be provided with the textbook for the course and given a period of two weeks to review the material.

The examination will be administered at a time and location to be determined by the school.

Within 10 workdays of the administration of the examination, the parent and student will be notified of the results of the examination.

The course grade shall be determined by the score earned on the examination.

The parents, student, and counselor will meet to develop a plan for graduation for the student.

Once a student has been placed in a course, the teacher shall verify that the student has achieved a level of preparation consistent with his/her placement in that class.

If a student's parent/guardian disagrees with the school site staff's judgment on grade-level placement, course placement and/or equivalency of academic credit, the parent/guardian may appeal to the Superintendent or designee. It is the parent’s/guardian’s responsibility to provide evidence of equivalency of course content alignment to California Academic Content Standards.
ALTERNATIVE CREDITS TOWARD GRADUATION (cont.)

Within 10 working days of notification of placement or credit determination, the parent/guardian may request, in writing, a conference with the Superintendent or designee to review the school site staff's decision.

The Superintendent or designee shall schedule a conference within 10 working days of the parent/guardian's request. This meeting may include the principal or designee, representatives of the school's certificated staff, and the student's parents/guardian. It shall be the parent/guardian's responsibility to present evidence that the facts do not support the school staff's decision on the student's placement and/or transferability of prior credits.

The Superintendent or designee's decision shall be final.

Supervised Work Experience Education

A student may be granted up to forty (40) total units of credit for work experience education. No more than ten (10) units can be earned in any one semester, with a maximum of twenty (20) units in two semesters.

To receive credit, the student must satisfy eligibility requirements and receive at least the minimum period of instruction or counseling pursuant to Education Code 51760.3.

Career Technical Education Classes Offered in High Schools

Credit shall be granted for career technical courses offered at the student's high school of attendance.

Courses Offered by Regional Occupational Centers or Programs

A student shall be granted credit for courses offered by Regional Occupational Programs (ROP) or centers when appropriately enrolled.

The student must satisfy all eligibility requirements and receive at least the minimum services specified in Board Policy and Administrative Regulations 6178.

Independent Study

A qualifying student may receive credit for courses taken through the District's independent study or home-based independent study programs as specified in Board Policy and Administrative Regulations 6158.
ALTERNATIVE CREDITS TOWARD GRADUATION (cont.)

4. Upon completion of the course the student or parent/guardian submits a sealed official transcript showing that the student successfully completed the course.

5. At the student’s request, the course is not being applied for credit toward college graduation. (Title 5, Section 1630)

6. A pupil shall receive credit for community college courses that he or she completes at the level determined appropriate by the school district and community college district governing boards. (Education Code 48800 C)

7. The student receives the same letter grade for the high school credit as is granted by the college.

ALTERNATIVE CREDITS TOWARD GRADUATION (cont.)

1. The instruction entails fields and subjects included in the school's courses of study and curricula. (5 CCR 1631)

2. The student demonstrates his/her capabilities at the beginning and at the end of the period of private instruction by examination(s) given under the school's supervision, thereby showing that he/she has made satisfactory progress in learning satisfactory to the school. (5 CCR 1631)

3. The Superintendent or designee has approved the curriculum and final evaluation instrument used in the private instruction.

4. Credit earned for private instruction while the student attends district schools in grades nine through 12 is limited to 10 credits for any year.

The number of semester credits assigned to the course shall be determined before the student begins coursework.

The District shall grant credit toward graduation for correspondence instruction if all of the following conditions are met: (Education Code 51740, 51741; 5 CCR 1633)

1. The correspondence instruction is provided by the University of California, or other university or college in California accredited for teacher training, in subjects included within or related to the student's course of study.

2. The student is, for good reason, unable to take the course of study offered in the school.

3. The Superintendent or designee determines the number of semester periods to be credited for successful completion of a particular correspondence course.

4. No more than 40 total semester periods of correspondence instruction are credited to a student towards graduation.
ALTERNATIVE CREDITS TOWARD GRADUATION (cont.)

Military Service and Training

College credit toward graduation shall be granted for military service and training received while in the military service of the United States, within the maximum limits established in 5 CCR 1634. A person is eligible for this credit if he/she is either:

The Superintendent or designee shall keep a permanent record of the credit allowed for military service or training. (5 CCR 1634)

(cf. 5125 - Student Records)

Coursework Completed at Institutions External to the School District

The Superintendent or designee may, with evidence of prior approval grant credit toward high school graduation for coursework successfully completed in institutions external to the school district for the purposes of remediation, acceleration, or as a result of an impacted pupil schedule. However, all pupils are expected to complete core courses during the year they are to be tested on the California Assessments of Student Performance and Progress (CAASPP).

Students are expected to take English, math, science, and social science courses that are tested on a district campus.

All coursework taken at institutions external to the district must meet California state content standards and Chino Valley Unified School District expectations for content, academic rigor and appropriate levels of academic performance. Students will be required to take end of course examinations in courses where the District has created such exams. Academic credit may be denied if students do not demonstrate adequate knowledge, skills, and competencies normally required of students taking similar courses in the District.

Before requesting approval of coursework at institutions external to the District, pupils must exhaust all opportunities to enroll in an equivalent course at their school of attendance.

as a result of an impacted pupil schedule at the district high school the pupil normally attends.

The request will be approved or denied by the high school principal, or by the Director of Secondary Curriculum and Instruction in the case where the principal is on vacation or if there is a vacancy in the principal chair. Pre-approval by the principal is mandatory.

The parent/guardian, pupil and principal will sign a contract stating that the pupil will enroll in the next higher level course on their high school campus. The contract will be placed in the student CUM folder and noted in the District computer system.

Sealed official school transcripts must be delivered to the principal or principal designee upon completion of coursework completed at institutions external to the school district.

Physical Education

Physical education courses must be taken on a district campus. Physical Education is now monitored by the California Department of Education through the categorical program monitoring regulations as an area of accountability and compliance.

Credit toward the district’s physical education requirements may be earned through participation in district interscholastic athletic programs carried on wholly or partially after regular school hours when such participation entails a comparable amount of time and physical activity, when instruction includes all standards for the District adopted physical education curriculum, and provided that a teacher credentialed to teach physical education supervises the participation and assigns the grade.

Private Foreign Language Instruction

The District shall grant credit for foreign language studies successfully completed in a private school and shall apply the credit toward meeting any foreign language requirement prescribed for grades 9-12, provided that all of the following conditions are met: (Education Code 51243-51245; 5 CCR 1632)

1. The courses are in languages designated in Education Code 51244.

2. The student is regularly enrolled or applying to the District in grades 9-12.

3. The student or his/her applies in writing for the credit, specifies the private school attended and the amount and level of credit requested and submit a transcript or other documents from the private school showing that the student successfully completed the course.

4. The amount of credit sought equals at least one semester’s work.

5. The principal or designee determines that the student's achievement is equivalent to that expected of a student of comparable ability taking the same or similar instruction in district schools. This determination shall be based upon the private school’s report of a test developed by the private school in cooperation with the District or, if the private school is located outside the District, the principal or designee may use a test given by a public school or other evidence which he/she deems appropriate.
