SUBJECT: COMPENSATION INCREASE FOR SUBSTITUTE SERVICES PROVIDED FOR CERTIFICATED EMPLOYEES

BACKGROUND

The District last provided a pay rate increase for its certificated substitutes in 2014. Currently, surrounding school districts provide a pay rate above what the District provides. As a result, the District continues to lose potential substitute applicants, which further impacts the District’s ability to cover classroom vacancies. The District must provide a competitive salary to ensure it has an adequate and well-qualified pool of certificated substitutes.

The District currently provides a daily rate of $125.00 for its substitute teachers. Substitutes working on a long-term assignment receive a rate of $140.00 per day. This rate becomes retroactive on the eleventh consecutive day worked in the same assignment. The proposed increase would augment the daily rate to $140.00. The long-term assignment will increase the daily rate to $155.00.

Approval of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education approve a compensation increase for substitute services provided for certificated employees.

FISCAL IMPACT

The fiscal impact is unknown at this time due to the fluctuation of substitutes and student workers.

SUBJECT: REVISIONS TO THE CLASSIFIED SUBSTITUTE SALARY SCHEDULE

BACKGROUND

Classified substitutes are hired to work temporary day-to-day or long-term assignments on an as-needed basis. The current Classified Salary Schedule only captures a small sample of classifications available for substitute assignments. The District’s goal is to implement an updated salary schedule that includes all classifications and aligns to Step A of the Classified School Employees Association salary schedule.

New language is provided in UPPER CASE. New hourly rates are provided in bold, while old hourly rates to be deleted are lined through.

Approval of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education approve the revisions to the Classified Substitute Salary Schedule.

FISCAL IMPACT

The fiscal impact is unknown at this time due to the fluctuation of substitutes and student workers.

BACKGROUND

The Board of Education may admit students expelled from other districts in accordance with law when consistent with the Board’s goal to provide a safe and secure school environment for students and staff.

The District shall not enroll a student expelled by another district for any of the offenses listed in Education Code 48915(a) or (c) (mandatory expulsion offenses) during the term of the student’s expulsion, unless the enrollment is at a community day school. A student expelled for an act specified in Education Code 48915(a) or (c) may enroll in the District after the term of his/her expulsion if the Board finds, at a hearing, that the student does not pose a continuing danger to students or staff.

The Board, when making its determination whether to enroll an individual who has been expelled from another school district for any of the acts mentioned above, may consider the following options: deny enrollment, permit enrollment, or permit conditional enrollment in a regular school program or another education program.

Approval of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

Based upon the evidence presented to the Expulsion Hearing Administrative Panel, it is recommended the request regarding admission to the Chino Valley Unified School District be approved for student admission case 19/20-03A.

Except for single acts of a grave nature, expulsion is used only when there is a history of misconduct, when other forms of discipline, including suspension, have failed to bring about proper conduct, or when the student’s presence causes a continuing danger to him/herself or others.

A student may be expelled only by the Board of Education. The Board shall expel, as required by law, any student found to have committed certain offenses listed in Education Code 48915.

Approval of this item supports the goals identified within the District’s Strategic Plan.

The Board of Education recognizes that school-sponsored trips are an important component of a student’s development and supplement and enrich the classroom learning experience. School-sponsored trips may be conducted in connection with the District’s course of study or school related social, educational, cultural, athletic, school band activities, or other extracurricular or cocurricular activities. Resources will be identified and established at the school site to assist economically disadvantaged students in obtaining funding for field trips and, in some cases, student travel. School sponsored trips that require overnight stay or are in excess of 250 miles (one way) require board approval.

Approval of this item supports the goals identified within the District’s Strategic Plan.

Approval of this item supports the goals identified within the District’s Strategic Plan.

SUBJECT: CHINO VALLEY UNIFIED SCHOOL DISTRICT 2019/2020 SCHOOL ACCOUNTABILITY REPORT CARD

==================================================================

BACKGROUND

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Additionally, data reported in the Local Control and Accountability Plan is to be consistent with data reported in the SARC.

The SARC generally begins with a profile that provides background information about the school and its students. The profile summarizes the school's mission, goals, and accomplishments. State law requires that the SARC contains all of the following:

- Demographics
- School safety and climate for learning information
- Facilities inspection results
- Academic data
- Class size
- Teacher and staff information
- Curriculum and instruction descriptions
- Postsecondary preparation information
- Fiscal and expenditure data
- Types of services

State law encourages schools to make a concerted effort to notify parents of the purpose of the SARC. Specifically, schools are required to notify all parents about the availability of the SARC and instructions about how the SARC can be obtained both through the internet and on paper. It is also required that if a sufficient number of the school's enrolled students speak a single primary language other than English, state law requires that the SARC be made available to parents in the appropriate language.
Approval of this item supports the goals identified within the District’s Strategic Plan.

**RECOMMENDATION**

It is recommended the Board of Education approve the Chino Valley Unified School District 2019/2020 School Accountability Report Card.

SUBJECT: ARTICULATION AGREEMENT BETWEEN MT. SAN ANTONIO COLLEGE AND THE CHINO VALLEY UNIFIED SCHOOL DISTRICT

BACKGROUND

This Articulation Agreement sets forth the terms for a systematic process by which the Chino Valley Unified School District and Mt. San Antonio College will enable students to move from a high school program or course to the next educational level, minimizing duplication of efforts and reducing educational costs.

Course articulation is based upon demonstration of competencies through a course, or courses, as defined in the agreement, which specifies the conditions that allow the college to award articulated college credit at the completion of the student’s high school articulated course. Students enrolled in the following Chino Valley Unified School District courses may qualify for articulation credit during the 2019/2020 academic year (Course ID - Course name): 5845-Nursery/Greenhouse Management; 5404-Agricultural Biology; 5612-PE Agriculture Horsemanship; 5840-Introduction to Agriculture; 5407-Veterinary Science A&P; 5716-American Sign Language 1; 5798-American Sign Language 2; 5799-American Sign Language 3H; and 5U06-Agricultural and Soil Chemistry.

PREPARED BY: Grace Park, Ed.D., Associate Superintendent, Curriculum, Instruction, Innovation, and Support Maggie Bunten, Director, Technology

SUBJECT: RESOLUTION 2019/2020-25 AUTHORIZATION TO JOIN EDUCATION TECHNOLOGY JOINT POWERS AUTHORITY (ED TECH JPA)

BACKGROUND

The Chino Valley Unified School District desires to become a member of the Education Technology Joint Powers Authority (Ed Tech JPA). Ed Tech JPA acts as a procurement vehicle for technology goods and allows members to leverage contracts established through the Request for Proposal process, thus alleviating members' administrative costs and overhead.

Each Ed Tech JPA contract leveraged by the District must be Board approved and executed prior to any obligation to the District.

Approval of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education approve Resolution 2019/2020-25 Authorization to join Education Technology Joint Powers Authority (Ed Tech JPA).

FISCAL IMPACT

None.
WHEREAS, the Chino Valley Unified School District has been considering methods to better address the procurement costs, data privacy protection, and pricing of its education software; and

WHEREAS, other California public agencies, such as school districts, community college districts, and county offices of education who have also considered these issues have determined that there is a need to form a coalition of public districts to acquire education technology and services for use at their respective facilities; and

WHEREAS, Title 1, Division 7, Chapter 5, Article 1, (Section 6500 et seq.) of the Government Code authorizes joint exercise by two or more public agencies of any power common to them; and

WHEREAS, California law enables school districts, county superintendent of schools, community college districts, and joint power agencies to actively control procurement and privacy terms and to acquire educational software and services for use at their respective facilities, and to establish a coalition to accomplish those ends; and

WHEREAS, the Irvine Unified School District, Capistrano Unified School District, Fullerton Unified School District, and the Clovis Unified School District have formed the Education Technology Joint Powers Authority (Ed Tech JPA), a California joint powers authority, and have agreed to be the Founding Members of Ed Tech JPA, and appointed their respective district's chief technology officer, chief business official, or person with equivalent duties and background, to serve as a member of the Ed Tech JPA Board; and

WHEREAS, the Board of Education of the Chino Valley Unified School District ("District") has considered the proposed Associate Membership Agreement, under which the District will become an associate member of Education Technology JPA; and

WHEREAS, the District has determined that entering into an Associate Membership Agreement to avail the District to the benefits of the Ed Tech JPA, including obtaining legally compliant and economically priced technology services and products, as well as the financial, technical, and professional development services to support the successful implementation of products and services purchased through a JPA, is in the best interests of the District.

NOW, THEREFORE, BE IT RESOLVED,

1. The Board of Education of the Chino Valley Unified School District hereby declares and formally approves its membership in Ed Tech JPA, a California Joint Powers Authority, and instructs its duly authorized agent to execute and deliver on its behalf any necessary or appropriate documents to carry out the intent of this resolution, including
the Ed Tech JPA Associate Membership Agreement and any agreements necessary or appropriate to participate in Ed Tech JPA programs.

2. The Board of Education of the Chino Valley Unified School District authorizes the Superintendent or designee to appoint District’s Technology or Business Services Department, or person with equivalent duties and background in education technology procurement, who shall serve as the authorized representative to the JPA.

**APPROVED, PASSED, AND ADOPTED** by the Board of Education of the Chino Valley Unified School District this 16th day of January 2020 by the following vote:

I, Norm Enfield, Ed.D., Secretary of the Chino Valley Unified School District Board of Education, do hereby certify that the foregoing is a full, true, and correct copy of the Resolution passed and adopted by said Board at a regularly scheduled and conducted meeting held on said date, which Resolution is on file in the office of said Board.

Norm Enfield, Ed.D., Superintendent
Secretary, Board of Education
ED TECH JPA  
ASSOCIATE MEMBER AGREEMENT

This Associate Member Agreement is made as of 1/16/2020 (the “Effective Date”), by and between the Education Technology Joint Powers Authority ("Ed Tech JPA") and Chino Valley USD ("Associate Member").

RECITALS

WHEREAS, Articles 1 and 2, Chapter 5, Division 7, Title 1 of the California Government Code (Section 6500 et seq.) permits two or more public agencies by agreement to exercise jointly powers common to the contracting parties; and

WHEREAS, the Board of Trustees of Capistrano Unified School District, Irvine Unified School District, Clovis Unified School District and Fullerton School District ("Founding Members") have executed a Joint Powers Agreement, formally establishing the Ed Tech JPA for the purpose of aggregating purchasing power and expertise to negotiate legally complaint and economically priced technology software agreements for procurement by its members; and

WHEREAS, Ed Tech JPA's Board issues requests for proposals, evaluates proposals, and negotiates Master Agreements with vendors that meet minimum criteria established by the Ed Tech JPA's Founding Members; and

WHEREAS, Ed Tech JPA negotiates with Vendors to establish the general terms for the purchase of the Product ("Master Agreement") by current Ed Tech JPA members and by other “Eligible Entities” who elect to join the Ed Tech JPA: and

WHEREAS, Associate Members electing to use a Master Agreement will enter into a separate contract ("Purchase Agreement") with the Vendor; and

WHEREAS, Chino Valley USD is an Eligible Entity with the power to contract and desires to become an Associate Member of Ed Tech JPA so that it may avail itself to the pricing, terms, and conditions leveraged by Ed Tech JPA; and

WHEREAS, a condition of joining the Ed Tech JPA is execution of this Associate Member Agreement; and

WHEREAS, if required, the Governing Board of Chino Valley USD has reviewed the services available from the Ed Tech JPA and determined that the coordinated programs and services provided by Ed Tech JPA will result in benefits that are in the best interest of Associate Member.

NOW, therefore, for good and valuable consideration, the parties agree as follows.

ARTICLE 1: DEFINITIONS

“Associate Member” shall mean any Eligible Entity that has duly executed and delivered to the Ed Tech JPA an Associate Membership Agreement.
"Designated Representative" shall mean a member of the Associate Member's technology or business services department, or person with equivalent duties and background in education technology procurement, who shall serve as the authorized representative to the JPA. The Designated Representative will be identified on the Associate Membership Application.

"Ed Tech JPA” shall mean the Education Technology Joint Powers Authority created pursuant to the JPA Agreement executed by its Founding Members.

"Eligible Entity" shall mean (a) all California public school districts, county offices of education, and community college districts, and (b) any other public agency in the United States whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase goods or services through a procurement vehicle such as Ed Tech JPA.

"Founding Members" shall mean those public school districts, cities, counties, and other governmental units that are signatories to the Joint Powers Agreement and have a voting member serving on the JPA's Board of Directors.

"Implementation Plan" shall mean the mutually agreed upon contract fulfilment requirements established between Associate Member and Vendor for delivery of a product purchased pursuant to the JPA agreements, including timeline, infrastructure and data integration, testing, content creation, training and post-implementation support, and project evaluation.

"Master Agreement" shall mean an agreement entered into between Ed Tech JPA and Vendor following RFP selection process administered by Ed Tech JPA, setting forth the general terms for purchase of a Product.

"Purchase Agreement" shall mean an agreement, duly executed and approved by the Associate Member's authorized representative and, if required, approved by its governing Board, entered into between Associate Member and Vendor, based on the same general terms and conditions as the Master Agreement.

"Vendor" shall mean an entity or firm selected for a Master Agreement after submitting a responsive proposal in compliance with the specifications contained in this Request for Proposals, including meeting the essential requirements set forth by the Ed Tech JPA's Board.

ARTICLE 2: ASSOCIATE MEMBER POWERS, DUTIES, & RESTRICTIONS

2.1 Associate Member Status. The [Entity Name] is hereby made an Associate Member of the Ed Tech JPA for all purposes of the Agreement and the Bylaws of the Ed Tech JPA, the provisions of which are hereby incorporated herein by reference. From and after the date of execution and delivery of this Associate Membership Agreement by the Associate Member and the Ed Tech JPA, the Associate Member shall be and remain an Associate Member of the Ed Tech JPA.

2.2 Term. Membership shall be for one (1) year, and shall automatically renew from year to year, on the same terms and conditions as the prior term, unless terminated sooner by either party.

2.3 Fees. Ed Tech JPA may make reasonable charges for its services rendered to members as set forth below.
2.3.1 Administrative Fee. The Ed Tech JPA receives an administrative fee (the “Administrative Fee”) for each transaction, calculated as a small percentage of the gross invoiced amount (for some procurements a fixed fee applies) of any Purchase Agreement with Vendor. The administrative fee is used to cover overhead and administrative costs associated with conducting each product procurement and maintaining the JPA. Associate Member's payment to Vendors shall include the Administrative Fee for each executed Purchase Agreement, and Vendor shall deliver the Administrative Fee to Ed Tech JPA. Once a Purchase Agreement has been fully executed by the Associate Member and the Vendor, the Administrative Fee is non-refundable under any circumstances.

2.3.2 Membership Fee. Currently, there is no cost to Associate Member to join the Ed Tech JPA. The JPA reserves the right, and Associate Member acknowledges such reservation, to assess a fee, (“Membership Fee”) to its Associate Members at an undetermined future date. In such event, Associate Members shall be provided advance notice and be provided the opportunity to withdraw membership prior to assessment of the Membership Fee. Purchase Agreements executed prior to Associates Member’s withdrawal (if applicable), shall remain in effect through their natural termination and any extensions thereto, and the Administrative Fees associated with such Purchase Agreement(s) shall continue to be paid to Ed Tech JPA.

2.3.3 Audits. Ed Tech JPA will periodically audit Vendors, and Associate Members will cooperate in transaction reporting including, if requested, providing a copy of all executed Purchase Agreements to Ed Tech JPA within thirty (30) days of such request.

2.3.4 Product Research. Associate Member may browse products available for purchase and, if a suitable product is identified, Associate Member may enter into a Purchase Agreement directly with Vendor for that product. If a suitable product is not identified, Associate Members are free to solicit proposals and negotiate directly with a vendor not subject to a Master Agreement with the Ed Tech JPA.

2.3.5 Minimum Price. Associate Member acknowledges and agrees that the collective bargaining power of the Ed Tech JPA would be undermined if Associate Member used the terms and conditions obtained by the Ed Tech JPA to negotiate separately with Vendor for its own advantage. Associate Member agrees that it will not attempt to negotiate lower prices with a Vendor under contract with the JPA. Notwithstanding the foregoing, Associate Member is free to solicit proposals and negotiate directly with a vendor not subject to a Master Agreement with the Ed Tech JPA. Consistent with this goal, and in order to provide Associate Members with assurances regarding advantageous pricing by purchasing through the JPA, Vendors are requested to provide a Minimum Price Guarantee (MPG), whereby the Vendor will not sell directly, or through a reseller, to Ed Tech JPA’s Eligible Entities (regardless of whether the Eligible Entity is an Associate Member of the Ed Tech JPA) for a lower price. The requirements of this Section do not apply to contracts in existence prior to the establishment of a Master Agreement between Vendor and Ed Tech JPA.

2.4 Designated Representative. Associate Member shall appoint a Designated Representative to serve as the primary contact with Ed Tech JPA. The Designated Representative should be a member of the District's technology or business services department, or person with equivalent duties and background in education technology procurement. Associate Member will be provided a single sign-on to access to Ed Tech JPA product information. The Designated Representative will be the custodian of Associate Member's credentials and is responsible for account security. The Designated Representative shall be authorized by the District's governing board, if required, to conduct due diligence in product selection,
and develop an Implementation Plan with Vendors. The Designated Representative shall obtain authority from the District's governing board, if required, to negotiate and execute Purchase Agreements with Vendors. Purchase Agreements shall only be made for the direct use of Associate Member and not on behalf of any third party.

2.5 Proprietary/Confidential Materials. Associate Member acknowledges that Proposals and other documents may contain proprietary and confidential information. Associate Member agrees to maintain documents in a responsible manner with security measures reflecting best practices. Associate Member shall not share Proposals and documentation that may contain proprietary and confidential information with third-parties without prior consent from the Vendor and/or Ed Tech JPA as applicable unless required to do so by law. In the event that a third-party requests confidential or proprietary information from Associate Member, Associate Member shall notify Vendor and/or Ed Tech JPA so that Vendor/Ed Tech JPA may assist Associate Member to redact proprietary information prior to disclosing the requested information.

2.6 Restrictions. An Associate Member shall not be entitled to representation on the Board of Directors or to vote on any matter coming before the Board of Directors or the Ed Tech JPA. However, an Associate Member shall be entitled to participate in all programs and other undertakings of the Ed Tech JPA.

2.7 Withdrawal. An Associate Member may withdraw from membership in the Ed Tech JPA upon thirty (30) days advance written notice to the Ed Tech JPA. No such withdrawal, however, shall relieve such Associate Member from its obligations under any outstanding Purchase Agreements relating to the Ed Tech JPA. Effective immediately upon withdrawal, Associate Members shall not have access Ed Tech JPA Master Agreements and other documentation, or be entitled to participate in the other programs of the JPA.

2.8 Independent Vendor Selection. Ed Tech JPA does not warrant that the products available will be suitable for the specific needs of individual members. Associate Member agrees to conduct its own due diligence in compliance with all applicable state and federal laws, as well as the requirements of Associate Member's local procurement rules and regulations. Associate Member is solely responsible for determining suitability of product and compliance with local, state and federal procurement rules prior to entering into Purchase Agreement.

2.9 Compliance with Laws. Ed Tech JPA's competitively bid Master Agreements follow bidding and procurement procedures established by the California Public Contract Code and the local body overseeing each respective Founding Member. Associate Member has access to all the contract documentation prepared by Ed Tech JPA and is responsible for compliance with any additional or varying laws and regulations governing its purchases. Associate Member acknowledges that purchases made with federal funds may be subject to additional requirements. Associate Member is encouraged to seek approval from its own local agency(s) before entering into a Purchase Agreement with a Vendor.

Master Agreements are available to Associate Members "as is". Ed Tech JPA is under no obligation to revise the terms, conditions, scope, price, and/or any other conditions of the contract for the benefit of an Associate Member. Associate Members are permitted to negotiate directly with the Vendor and agree to additional terms and conditions that are separate from the base price.
Associate Member acknowledges and agrees that is solely responsible for (a) completing due diligence regarding the suitability of Vendor, including using price as a significant factor, and (b) prior to executing a Purchase Agreement, working directly with the Vendor to establish a suitable Implementation Plan for contract fulfillment. An Associate Member is not bound to a purchase until it has obtained approval from its Board, if required, and executed the Purchase Agreement with the Vendor for the Product. Associate Member acknowledges that Vendor is not bound to provide products and/or services prior to execution of the Purchase Agreement.

2.10 Liabilities. The debts, liabilities and obligations of the Associate Member shall be the debts, liabilities or obligations of the Associate Member alone and not of the Ed Tech JPA or its membership. There shall be no joint and several liabilities between Ed Tech JPA and Associate Member. Notwithstanding any other provision of this Agreement, in no event, shall Ed Tech JPA be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including, but not limited to, lost profits or revenue, arising out of or in connection with this Agreement for the services performed in connection with this Agreement.

2.11 Release. Associate Member acknowledges that Ed Tech JPA is not a party to any Purchase Agreement between the Associate Member and the Vendor. Associate Member is solely responsible for all aspects of its purchase, including ordering its goods and/or services, inspecting and accepting the goods and/or services, and providing payment. Any dispute which may arise from Associate Member's participation in Purchase Agreement shall be resolved between the Associate Member and the Vendor. Associate Member will not seek remedy from Ed Tech JPA for issues arising from a Purchase Agreement and hereby waives and releases Ed Tech JPA from all possible claims.

2.12 Reservation of Rights. Ed Tech JPA reserves the right to cancel the whole or any part of this contract due to failure by the Associate Member to carry out any obligation, term or condition of the contract, including, failure to follow the established procedure for purchase orders, invoices and receipt of funds, and failure to pay.

2.13 Indemnification. Associate Member agrees to defend, indemnify and hold the Ed Tech JPA, its Governing Board and its Board members, as well as all of their respective officers, employees and agents, free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any such use.

2.14 Amendments. This Agreement shall not be altered, changed or amended except by written amendment executed by both parties.

2.15 Governing Law. This Agreement shall be governed by and the rights, duties and obligations of the parties shall be determined and enforced in accordance with the laws of the State of California.

2.16 Severability. If any term, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force and effect, and shall not be affected, impaired or invalidated in any way.

2.17 Integration/Entire Agreement of Parties. This Agreement constitutes the entire agreement between the parties and supersedes all prior discussions, negotiations, and agreements, whether oral or written. This Agreement may be amended or modified only by a written instrument executed by both parties.
IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the date indicated below.

BACKGROUND

Public Contract Code (PCC) 20111 requires school district governing boards to competitively bid and award any contracts involving an expenditure of more than $86,000.00 to the lowest responsible bidder.

Notwithstanding PCC 20111, PCC 20118 and Administrative Regulation 3311 state that without advertising for bids and upon a determination that it is in the best interest of the District, the Board may authorize District staff by contract, lease, requisition, or purchase order of another public corporation or agency, to lease data-processing equipment, or to purchase materials, supplies, equipment, automotive vehicles, tractors and other personal property for the District in the manner that the other public corporation or agency is authorized to make the leases or purchases from a vendor (piggyback).

Alternatively, if there is an existing contract between a public corporation or agency and a vendor for the lease or purchase of personal property, the District may authorize the lease or purchase of personal property directly to the vendor under the same terms that are available to the public corporation or agency under the contract.

Staff requests approval of the following resolutions to provide authorization for the District to participate by piggyback in contracts as itemized below:

Approval of this item supports the goals identified within the District’s Strategic Plan.

**RECOMMENDATION**

A Notice to Contractors Calling for Bid 19-20-20F, Emergency Operations Plan Development was published in the Inland Valley Daily Bulletin on September 18 and September 25, 2019. Bids were opened at 10:00 a.m. on October 11, 2019. The results are as follows:

<table>
<thead>
<tr>

<tr>
<td>School Safety Operations</td>
<td>$148,700.00</td>
</tr>
<tr>
<td>Campus Safety Group, LLC</td>
<td>$165,450.00</td>
</tr>
</tbody>
</table>

RECOMMENDATION

It is recommended the Board of Education reject the bids received for Bid 19-20-20F, Emergency Operations Plan Development, and authorize staff to re-bid the project.

FISCAL IMPACT

BACKGROUND

The Request for Proposals (RFP) process requires vendors to submit proposals within a framework created to fit the District’s unique needs. The District is able to customize the services to be purchased on its specific needs, receive better responses, screen vendors more effectively, and ultimately receive a better product or solution for less money.

RFP 19-20-25, Data Networking Services – District Wide – E-Rate Fiscal Year 23 (2020-2021) was published in the Inland Valley Daily Bulletin on November 7, 2019, and November 14, 2019. Proposals were opened at 3:00 p.m. on December 12, 2019. The three companies submitting proposals to be considered were Crown Castle Fiber, Frontier Communications Corporation, and Charter Communications Operating LLC.

The basic scope of work for this RFP includes data networking services to schools, administrative facilities, non-instructional facilities, and to the Internet through Chaffey Joint Union High School Districts K12HSN (K12 High Speed Network).

The criteria used to evaluate the RFP’s were cost of eligible products and services, 35%; solution, 25%; experience, 15%; experience with CVUSD, 10%; responsiveness to RFP 5%; and references of project of similar size and scope, 10%.

Approval of this item supports the goals identified within the District’s Strategic Plan.
RECOMMENDATION

It is recommended the Board of Education award RFP 19-20-25, Data Networking Services – District Wide – E-Rate Fiscal Year 23 (2020-2021) to Charter Communications Operating LLC.

FISCAL IMPACT

$1,058,580.00 to General Fund 01.

BACKGROUND

On July 18, 2019, the Board of Education approved a revised fee schedule for the use of District facilities. It was brought to the attention of the District that an additional category of Tennis Courts (no lights) would better serve the District and community so as user groups utilizing the tennis courts during daylight hours would not be charged the same rate as those using lighted tennis courts during nighttime hours.

SUBJECT: NEW JOB DESCRIPTIONS FOR ELECTRONICS COMMUNICATION SYSTEMS TECHNICIAN; ELECTRONICS DISPLAY SYSTEMS TECHNICIAN; ELECTRONICS SECURITY SYSTEMS TECHNICIAN; AND REVISION OF JOB DESCRIPTION FOR LEAD ELECTRONICS TECHNICIAN

BACKGROUND

Job descriptions are a statement of duties, qualifications, and responsibilities associated with a particular job. It is a matter of standard practice to modify and/or create job descriptions as new positions become necessary, jobs evolve, and responsibilities and duties change. Additionally, changes in organizational structure, student needs, and other factors require the revision of existing positions to support the District’s mission of increased student achievement.

The proposed new job descriptions for Electronics Communication Systems Technician, Electronics Display Systems Technician, and Electronics Security Systems Technician have been created to meet current industry demand and ensure that each position delineates and focuses on the specific needs of the Maintenance, Operations, and Construction Department. The Electronics Technician II shall be abolished.

Additionally, the Lead Electronics Technician job description is being updated to reflect the relationship to the new positions as well as the increased responsibility and associated duties.

The District has consulted with the California School Employees Association as required.

New language is provided in UPPER CASE while old language to be deleted is lined through.

Approval of this item supports the goals identified within the District’s Strategic Plan.
RECOMMENDATION

It is recommended the Board of Education:

a) Approve the new job description for Electronics Communication Systems Technician;
b) Authorize the creation of an Electronics Communication Systems Technician position;
c) Approve the new job description for Electronics Display Systems Technician;
d) Authorize the creation of an Electronics Display Systems Technician position;
e) Approve the new job description for Electronics Security Systems Technician;
f) Authorize the creation of an Electronics Security Systems Technician position; and
g) Approve the revisions to the job description for Lead Electronics Technician.

FISCAL IMPACT

There are additional fiscal impacts for salary inclusive of mandatory benefits to the General Fund of $5,020.00 for the Electronics Communication Systems Technician position, $5,020.00 for the Electronics Display Systems Technician position, $5,020.00 for the Electronics Security Systems Technician, and $10,967.00 for the Lead Electronics Technician.

BACKGROUND

On November 7, 2000, California voters approved Proposition 39, the Smaller Classes, Safer Schools and Financial Accountability Act. Proposition 39 amended portions of the California Constitution to provide for the issuance of general obligation bonds by school districts, community college districts, or county offices of education, "for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of rental property for school facilities", upon approval by 55 percent of the electorate. In addition to reducing the approval threshold from two-thirds to 55 percent, Proposition 39 and the enacting legislation (AB 1908 and AB 2659) requires the following accountability measures as codified in Education Code sections 15278-15282:

1. Requires that the proceeds from the sale of the bonds be used only for the purposes specified in Article XIIIA, Section 1(b)(3)(C) of the California Constitution, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

2. The school district must list the specific school facilities projects to be funded in the ballot measure, and must certify that the governing board has evaluated safety, class size reduction and information technology needs in developing the project list.

3. Requires the school district to appoint a Citizens' Oversight Committee.

4. Requires the school district to conduct an annual independent financial audit and performance audit in accordance with the Government Auditing Standards issued by the comptroller general of the United States of the bond proceeds until all of the proceeds have been expended.
5. Requires the school district to conduct an annual independent performance audit to ensure that the funds have been expended only on the specific projects listed.

The objectives of the financial/performance audit are twofold:

1. Determine whether expenditures charged to the building fund have been made in accordance with the bond project list approved by the voters through the approval of Measure G.

2. Determine whether salary transactions charged to the building fund were in support of Measure G and not for District general administration or operations.

The Board of Education must review the annual audit for the prior year at a public meeting. The Annual Audit Report has been provided under separate cover.

Consideration of this item supports the goals identified within the District’s Strategic Plan.

RECOMMENDATION

It is recommended the Board of Education receive for information the Measure G Financial/Performance Audit Report.

FISCAL IMPACT

None.
