Message from the Principal

Parents Are Teachers Too (PATT)

Parent involvement is key in the academic success of children. Come to our Parents Are Teachers Too Workshops for parents of students in Kinder and 1st Grade 8:45 A.M. 1/4/17, 1/11/17, 1/18/17, and 2/1/17.

Character Counts - Caring

The character pillar for January is caring. Think of how your actions affect others. Be sensitive to others' feelings. Be helpful

Parent Engagement Center

Take advantage of all of the training for parents at the Chino Valley Unified School District Engagement Center. Check out the website at

<http://www.chino.k12.ca.us/Page/8882>

Accelerated Reader

Make sure your child is reading every night. Students can check out books from the library at their own reading level according to the STAR Test. After they finish the book, they should study the book and take an AR Test to earn AR points.

Math Facts

Grades K-2 – Please study addition and subtraction math facts with your child.

Grades 3-5 – Please study multiplication math facts with your child.

It is important for your child to know their math facts so they can focus on steps and procedures to solve math problems. Practice math facts every night.
