

School-Parent Compact

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

- Effective compacts:**
- Link to goals of the school improvement plan
 - Focus on student learning skills
 - Describe how teachers will help students develop those skills using high-quality curriculum and instruction in a safe and supportive environment
 - Share strategies parents can use at home
 - Explain how teachers and parents will communicate about student progress
 - Describe opportunities for parents to volunteer, observe, and participate in the classroom

Our Goals for Student Achievement

District Goals

ACADEMIC GOAL: Each student will gain at least, one proficiency level each year in reading and mathematics as the result of highly skilled instruction and the use of instructional technology.

ENGLISH LANGUAGE LEARNER GOAL: All linked-English proficient students will gain at least, one proficiency level each year in reading and mathematics as measured by a CA Language Proficiency Assessment. English learners receive increased opportunities to enroll in more advanced courses, leading to college and career readiness.

SAFE LEARNING ENVIRONMENTS: All students will be educated in learning environments that are safe, drug free, and conducive to learning. CVUSD will provide safe and secure school environments.

School Goals

English Learner Goal: English Learners (EL's) will increase one proficiency level, as evidenced by performance on the annual California English Language Development Test (CELDT), through the use of EL strategies and instructional technology.

Academic Goal: 100% of students will improve their achievement and advanced student will not decrease their achievement as measured by Common Core Assessments, benchmarks, and formative assessments.

Parent/Teacher Collaboration: Teachers will increase their home to school connection with parents via a variety of homework communications: (agenda/folder, classroom newsletter or website, Remind 101, etc). Two-way communication will be encouraged from school to home and home to school to increase parent/teacher collaboration for student success.

Our school uses high quality curriculum and instruction with effective teaching methods to enable students to meet state academic standards. We support our students and work hard to provide a welcoming, safe school environment.

Shared Responsibility for Learning

In the Classroom

The **Fourth Grade** team will work with students and their families to support students' success in meeting or exceeding the CA Common Core State Standards. Some of our key ways to connect our classroom practices with the school goals will be to:

English Learner Goal:

- ✓ Strategies used for oral language development such as pair share, visuals, and read-alouds.
- ✓ Develop academic vocabulary for writing and speaking.
- ✓ Utilize sentence frames to support student speaking in complete sentences along with writing.

Writing Goal:

- ✓ Daily writing across all curricular areas.
- ✓ Writing in class and at home.
- ✓ Utilize research-based writing strategies and graphic organizers.

Parent/Teacher Collaboration:

- ✓ Daily communication via agendas and email.
- ✓ Agendas filed in daily by students.
- ✓ Walk-through Assembly (Social Studies).
- ✓ Encourage volunteers/help in the classroom.

At Home

Here are some ideas of how families can support students' success:

- Practice always speaking in complete sentences.
- Allow your child to practice with educational games at home using computers/tablets/ipads and view educational programs.
- Ensure that your child reads (or is read to) on a nightly basis.
- Reinforce writing strategies learned in class at home.
- Check your child's homework and class work daily for accuracy and understanding.
- Encourage your child to write often outside of homework (i.e. Thank you notes, lists, letters).
- Volunteer time in the classroom when available.
- Communicate with teacher as needed.
- Ensure that your child is at school, on time, each and every day.

FAMILIES ARE WELCOME TO CONTRIBUTE IDEAS AT ANY TIME.
