Dear Valerie,

On behalf of the Board of Directors, staff, volunteers and tens of thousands of troops and their families who we serve each year, thank you for your generous gift of 3 cases of water, 158 toiletries, 226 snack items and 23 cleaning products on 11/16/16.

Giving to the Bob Hope USO guarantees that your money will be spent supporting the tens of thousands of troops and military families that call Southern California home, and tens of thousands of more who pass through our airports on the way to their new duty station, or a well-deserved family vacation, or, in many cases over the past years, on their way to a combat zone. Those troops might be your neighbors, or the sister of a friend, or the grandson of the couple you know from the community. Or they may be unknown to you, but rest assured they are grateful for your support, and your contribution lets them know you are grateful for their service.

It is entirely due to you that we are able to offer entertainment programs and support activities to a young military family stationed far from home. It is entirely due to you that local troops headed to hot spots around the world will get their last touch of home at a USO and their first welcome back at one too. And it is entirely due to you that the young, lost, 18-year old private who is on his way to an overseas duty station for the first time in his life has a USO volunteer and second family at the USO to lean on and care for him.

We are not funded by the government or the Department of Defense. In fact, we are even a separate entity from USO, Inc., and must raise our own operating funds. We rely entirely on private donations, and each one, no matter large or small, makes a difference. So along with your generous gift, please spread the word about Bob Hope USO among your colleagues and friends who may be looking for a worthy cause to support.

Thank you again for including Bob Hope USO in your charitable giving - your contribution makes a difference for us, and the 130,000 troops and military families we serve each year.

Warm regards,

Bob Kurkjian
Executive Director

Your contribution is tax deductible to the extent allowed by law. No goods or services were provided in exchange for this donation.
