Candidate for ASB President ID 1:

We all remember our first day at Townsend. We were all so nervous and scared, the campus was so big, we had no idea where our classes were, we were nervous about trying to figure out the combination on the lockers that never worked the first time, hoping we weren’t going to be late for class. We didn’t know very many people so we smiled nervously at those sitting next to us in class. Look at us now!! Eventually things got easier for us, we started to figure out where our classes were, figured it was easier just to load the heavy backpacks on our backs rather than deal with the lockers and we started to get to know the people in our classes. Now we nod at them as we pass by. It’s hard to believe that we are almost done with this year. Junior high has been fun and a great new chapter in our lives.

I am running for President because I think that it’s important to create fun and memorable experiences in Junior High. These are moments that we will look back on when we are older. I want to make more of these moments. I have some ideas that will help make our time at Townsend more memorable. I want us to look back at our time in Junior High as the best time ever! How about better music at our dances? Better dance themes? Don’t we all want flag football or other sports at our school? I want you to feel included in the rallies, do you have an idea that you want to share? I want to hear about it! As President, I would welcome your ideas and encourage you to participate. I will do my best to make these ideas a reality. I want to be the type of President that everyone is comfortable with. And for all of those first day jitters of the upcoming 7th graders, I want them to feel welcome by showing them that this is the school to be at! This is our school!

GO TOWNSEND RANGERS!
Hey there Students of Townsend Jr. High! Did you ever want someone like Omar Knedlik who unintentionally made the first slurpee for ASB President? Well you found the right person! Elect me as president and I promise that I will keep every promise that I say, listen to ANY ideas anybody in the school has, be an awesome role model for all of you, include ALL Townsend Jr. High students in a lot of fun activities, and intentionally or unintentionally make Townsend the best Jr. High School! I will try my best to make Townsend the BEST in the WEST, and make all other schools feel sorry that they weren't here. Say, I am elected president; you ask me, "What now?" Well: I can't give you a trip to the moon, but I will try my best to get more student-fun activities made. The leadership class and I will work to our best abilities of making Townsend have way more activities. Every single time I make an improvement to the school that everyone likes, I will immediately start working on the next improvement for our school.

Ever since the fourth grade, I have tried to be a leader. I led my younger sister to her destiny, led my friends in basketball games, led my team (Or Friends) in some football games, and led my crew to victory multiple times. As President, I will definitely try to make P.E. more fun for everyone. Also, as Townsend's ASB President I will:

~Make a bunch of more activities at Townsend.
~Try my best to allow more field trips in Townsend.
~Work with the administration to get any ideas you have implemented.
~Get some more assemblies at our school.
~Be a strong, smart, kind leader.
~Make Townsend the BEST in the WEST.
~Make more lunch activities.
~Involve more students in lunch activities.
~Make executive decisions based on what you guys think.
~And do whatever you want me to. (Unless I do not agree with your idea)

So, if you guys are looking for a smart, enthusiastic, self-disciplined, hard-working, kind and work-for-the-greater-good kind of president; you've got the right candidate. If I'm President, I will work hard to make all of your never-ending dreams come true! So, the next time you want Townsend to become a better school, make sure to think of me!
We can all relate to this: you hear about a school dance coming up, and your friends are thrilled and you decide to tag along. It is your first dance, so you don’t know what to expect, but you set the dance a good standard. But when you do go to the dance, turns out, things aren’t so interesting as you thought. Well, ladies and gentlemen, if you find yourself in a sticky situation like this one, no problem – try picking me as your next Leadership leader.

As school year is coming to an end, the eighth graders are moving on to high school while seventh graders are preparing to be Townsend’s next top dogs. Being in school can be a lot of hard work at times, and as a fellow student, I know it can be stressful sometimes to maintain grades, homework, and after-school activities. Then there are highlights of the school year you look up to: rallies, dances, lunchtime games, and so much more. Sadly, I am positive that many of you have tried a new activity at school with high expectations, and found yourself disappointed. If you pick me as your next Leadership leader, I can make those events and activities things you want to take part of. I will work hard so you will have fun in school and do my best to ensure that rallies will be entertaining as well as surprising. If you want these things to happen at your school, pick me as your next Leadership President!

Hello Townsend students. I am excited for the opportunity to become your new ASB President. I believe I am the best candidate for this position because of my experience of serving as a leader in many aspects of my life, such as with sports, church and school. I would like to be your President to be an active member of the school, help with school spirit and make the decisions on how to improve our school. I work hard in everything I do, I am trustworthy, compassionate and I am determined to make our school the best in the West. I enjoy working with students and helping in any way I can. If you elect me as president, I will work 110% to make everyone’s experience here at Townsend one that you will never forget. To make this happen, I will make every event and dance a memorable one. I will listen to your ideas and work hard to make them a reality. As President, I want to make a significant impact here at Townsend. If you elect me, some of my ideas might be a little “crazy”, but everyone will really like the outcome.

Please vote for me for ASB President and I promise you won’t be disappointed!
Candidate for ASB President ID 5:

Vote for Me for ASB President

Who wants to participate in a KARAOKE CONTEST to compete against your friends? Do you guys want a FOOD TRUCK to come to our school once a month? Does anyone want a MOVIE NIGHT where you can hang out with your friends, kick back and relax? How about a COED BASEBALL OR SOCCER TOURNAMENT to show some school spirit and have fun? When I am elected ASB President for the school year of 2016-2017, I will do everything in my power to make the following activities happen, and implement many other enjoyable, new extracurricular events. I will also talk to the Commissioners of the other Committees and suggest that students should VOTE ON SPIRIT DAY THEMES, VOTE ON SPIRIT GAME POSSIBILITIES, and VOTE ON THEMES FOR THE RALLY. I will also try to make it possible for students to VOTE ON DANCE THEMES, and I will encourage student suggestions for new and inventive ideas. I have the experience and motivation to work towards these goals. I am excited to make our 8th grade year a memorable and awesome experience. Unfortunately, since summer always comes to an end, and we will come back to school in August, LET'S MAKE SCHOOL FUN!
Hi, my name is...oops, not supposed to say that right. Anyways, I am running for ASB president for the year of 2016-2017. I am not the type of student who will want to skip class with you or pull any pranks, but that probably isn't the type of President you want anyway. I am the type of student who will be there for you when you need a friend, someone who will stick up for you and what you want. I care for our school and all of the students in it.

If elected I will work my hardest all the time, but also keep a sense of humor. One of my many ideas as ASB president is to make official Townsend Social Media accounts. For example an Instagram, Twitter, Facebook, and Snap Chat. Don't worry teachers, these social media accounts have a purpose. We all know how much students love their phones and other electronics these days, well if there was any important special events that students needed reminders about, all you would need to do is post and the students could get a notification. This way students (and some teachers) can remember special events more easily, meaning they can be more involved in our school.

As your ASB president, I vow to end all homework. Just kidding. I wish I could do that, but what I can do is be your voice with the school administration and work to make this the best year Townsend Junior High School has ever had. I welcome all of your ideas for making our school better. I want to help all students develop their ideas, and communicate our proposals to our students and administration. Making change happen.

Being President is also a big responsibility, which I believe I can handle. If you want a president with qualities like being a hard worker, strong, and enthusiastic I am your candidate. I am not going to say I'm the most popular person in this school, because I'm not. I believe that the job for president should not be given for how popular you are, but what you want and will do for your school.

We’ll work together to help the community through volunteer work and showing everyone just how much Townsend Junior High students are dedicated. I would appreciate your vote for president. If elected, I will continue to fight for the things that are important to students, no matter how big or small they might be. Let’s work together to make our stamp on our school, our community, and our world. Go Rangers!
Candidate for Vice President ID 7:

I am running for vice president this 2016-2017 term for many reasons. The characteristics that I believe make me qualified to become vice president are my hard work, organization, and leadership skills. As vice president, I will offer support to all officers. Leadership works side-by-side with the student body and the administration to make sure all student events will be successful. I will ensure that this year will be memorable to all students by actively getting involved in planning rallies, dances, and events. I have some great ideas and will always make myself available for your thoughts and opinions. Thank you for taking the time to consider me as your vice president.

Candidate for Vice President ID 8:

Vote for me for your 2016-2017 Townsend Junior High Vice President! If I was Vice President I would work to make a huge impact on the school. I am responsible and always looking for a good time. If there were any problems at the school I would make sure they would be solved. Also, I am always available to listen to your concerns. Junior High should be fun and memorable. When we have dances I will help come up with great themes. I will work to get good DJs and good music. At the rallies, I think it would be great to have give-away prizes. Also, the rallies should have loud music, lots of craziness, and school spirit. I am a hard worker and will work hard to make Townsend Junior High a fun place to be. I look forward to serving you as your next Vice President.

Candidate for Vice President ID 9:

HELLO TOWNSEND RANGERS!!!!!!

I AM RUNNING FOR VICE PRESIDENT HAVE YOU HEARD? VOTE FOR ME AND SPREAD THE WORD.

I WANT TO MAKE TOWNSEND A BETTER PLACE. I WANT TO PLAN FUN ACTIVITIES, CREATE MORE TEAM SPORT CLUBS, GET ALL STUDENTS INVOLVED IN SOME TYPE OF FUN.

I'M FRIENDLY AND I'M SMART.

I SHOW COMMITMENT AND DEDICATION, WHETHER ITS RUNNING THE COURT OR RUNNING TOWNSEND NATION!

IF I AM THE LEADER OF THIS PACK, I PROMISE I WILL KEEP THINGS RUNNING ON TRACK.

VOTE FOR ME!!!!!!

YOUR NEXT VICE PRESIDENT
Candidate for Vice President ID 10:

Hey guys, if you’re looking for an AWESOME vice president, then you’ve come to the right speech! Here’s a little bit about myself, I’m a super hard worker and have a crazy, fun imagination. If you pick me for your vice president, I promise that you won’t regret it! To learn more about me, I’m willing to get out of my comfort zone to make our 8th grade year memorable. I’m also a good student who loves to spread humor just to get a point across. I work well with others so that we can make our ideas even better. I like to have lots of fun but at the same time I am serious about important things like schoolwork. I would like to have lots of fun activities to add some fun for all of you. Now for you to make the right decision, let’s have a recap: I’M RESPONSIBLE, COOPERATIVE, AND MOST IMPORTANTLY, LOVE TO HAVE FUN. I promise that you won’t regret voting for me! Let’s have an awesome 8th grade year!

Candidate for Treasurer ID 11:

I pledge to give my all if elected as Treasurer of Townsend Jr. High School. I believe I have many positive qualities that would make me the perfect candidate for Treasurer.
• I am a very honest person that likes to do the right thing.

• I am hard working and I like to accomplish goals.

• I have great math and accounting skills.

• I get along and work well with others.

• I would love to help make Townsend a better school for everyone.

• I would like a new challenge, something I’ve never done before.

• I would like to bring my fun personality to the leadership group and make new friends.

• I would welcome suggestions and ideas from the student body.

• I have a very positive outlook and like to solve problems.

In closing, please consider this new person to be your 2016-2017 Treasurer. I won’t let you down!
Candidate for Treasurer ID 12:

I said to money, “You are just a piece of paper,” money smiled and said, “of course I am a piece of paper, but I haven’t seen a dust bin yet in my life.” The quote above demonstrates how important money is in today’s world, but more important than money is its generation and management.

As you must have guessed, I am running for the post of the treasurer. The next question that might come to your mind is why me? I believe that I am fit to hold this position for various reasons. A treasurer needs to be responsible since they are managing funds. I take my work very seriously and I am responsible since I know one cannot achieve success without responsibility. A treasurer also needs to be organized. We all know it’s difficult to pass through middle school if we don’t organize ourselves. The organizing skills that I have developed will help me in doing the job accurately. Last but not least, a treasurer needs to be excellent in numbers. Math is my core strength and I am in love with numbers.

As a treasurer I want to change fundraisers to FUNdrasiers. I have numerous ideas about how to raise funds for the school while incorporating the idea of fun so that we all can participate in the events. Some of the ideas that I have include having movie days, dances, fundraisers, and student-teacher competitions. For lunch-time fundraisers my ideas include game time and bake sales. I will also put suggestion boxes to know your opinions on the fundraisers and also to incorporate your ideas into new events.

There is an age old saying which states that life is like a coin, you can spend it any way you wish, but you only spend it once. We will pass through middle school once, and I will try my very best to ensure that school will be a place that you would love to go back to. If elected the treasurer, I can assure you that you can count on me.
Candidate for Treasurer ID 14:

What is a leader? To me, a leader is one whose qualities and skills help them be dependable, versatile and loyal. A leader is one who can be trusted to take on a task and complete it. I believe I am very connected to what the students at Townsend Junior High want and when entrusted with your vote, I will strive to exceed your expectations. I am running for Treasurer for the 2016-2017 school year, and I have the qualities to fulfill the obligations associated with this position.

I am a student athlete currently on two teams. I also have a part-time job, which has taught me to how to manage and acquire clients, and how to work with and conserve money, all skills which are used as treasurer.

My goals as a commissioner include controlling student traffic and theming upcoming events and spirit days to new movies or current events. The “One Way” Band Hall increases your commute to your next class by minutes at a time, burning into your precious five minute passing period. If I were to fix this, I would have a line down the center of the hallway to have two-way traffic. Furthermore, I feel that there are issues or events that could benefit from a student vote. I would involve students in activities by letting them vote on certain parts of the event. My position as Treasurer will help the school have a high quality yearbook, a responsible spending of funds, and I will work hard to fulfill my obligation as one of your student leaders. I ask for your vote as Treasurer in the March 21st-22nd election. Thank you for your consideration.
Candidate for Community Commissioner ID 15:

HI Townsend!

Have you ever looked around school campus and thought "How can my school become a better place to be?" Well, as a candidate for Community Commissioner, I have the answer to that! If I am elected, Red Ribbon week will reach its height. Beautiful decorations and entertaining posters will mix in with the school atmosphere. Next, I will deliver to the fullest of my ability to have thrilling and benefiting group community projects once every three months. Some of my ideas include a beach cleanup, donating to a children's hospital, or visiting senior centers. As Community Commissioner, I have other ideas to make Townsend an amazing place. For instance, on a particular holiday, certain students will get treats to celebrate, till all students have been given a gift. If you're wondering "What if I don't like that holiday?" I say "Don't worry; you will get a gift for your favorite holiday!" Other great thoughts I have are to conduct fun and simple games and prizes for important events, like rallies. My final, but important, thought about improving TJHS, is beautifying this school. Picking up trash, making vibrant posters, other decorations are all ways I will make our school the best it can be.

So, after reading all the ways I will make Townsend Jr. High a marvelous and cheerful place to be, PLEASE VOTE FOR ME AS YOUR 2016-2017 COMMUNITY COMMISSIONER!!!

Candidate for Community Commissioner ID 16:

The position I would like to run for is Community Commissioner. I would like to serve as this commissioner because I feel that I have a lot to offer our school and community. First and foremost, I always try to be the best version of me and a positive role model at all times. As a member of Leadership and Community Commissioner, I will make sure that Townsend Jr High School has a positive impact on all of our students at our school and within the community of Chino Hills. Giving back and serving our community is something that I think is very important and something that I really enjoy doing. Along with serving our community, I would like to reach out to our local schools like Wickman, Butterfield Ranch, Chaparral, Glenmeade, and Rolling Ridge so that we can work together to make Townsend and our community a better place. I also want to make sure that we recognize the achievements, accomplishments, and efforts of our amazing students at Townsend. We will continue to recognize and reward our students for Student of the Month, Perfect Attendance, and Honor Roll, but I would also like to find ways to recognize and reward more students for their efforts, such as athletics, extra-curriculars, positive citizenship, and other academic achievements. We have great students here at Townsend and I hope that we can make them all feel proud of who they are and what they do. Thank you for taking the time to read my speech and thank you for making my time here at Townsend so special.
Candidate for Renaissance Commissioner ID 17:

Hey Townsend! Want to ensure that you have fun rallies and entertaining activities? Well, I can make sure to do that do that if I am your 2016-2017 Renaissance commissioner!

This year has already been such an exciting year from our dances to our spirit days, but my personal favorite parts of Townsend’s activities are the rallies!!

If I am your Renaissance commissioner next year, I'll make sure to spice up the rallies with a little extra something special! Do you want to see more performances of the Townsend Dance and Song team or more from some of the amazing talents that is here at or very school? Are you interested in performances from band, color gaurd, drama, or even some from your favorite teachers?

I'm not making any promises, but I will most definitely try to get all of your ideas in our rallies here at Townsend. Also, I'm great at creative writing and I want to make the rallies enjoyable for all of you.

I'm all ears for your ideas and I have a pen in hand. I'm ready to make Townsend's rallies the best it could ever be.

Candidate for Renaissance Commissioner ID 18:

Imagine a person willing to sacrifice their free time and weekends to plan rallies to celebrate the students’ success. I promise to be very committed, like coming to school early or staying after school to work on tasks and jobs. I want to be Renaissance commissioner because I want to share and hear different rally ideas to make the rallies here great! I love to come up with ideas for the rallies and I enjoy being creative. If I were to be Renaissance commissioner I am willing to sacrifice my own time and weekends to work on rally ideas and scripts. Also, I am ready to get out of my comfort zone to benefit the students here at Townsend! I will also perform the following: I will make the rallies fun and exciting. All year the students at Townsend work hard with every subject and my focus is to recognize their hard work by making the rallies a break from all the stress! I will also give back to the students here by making sure every Renaissance related job is done effectively. Becoming Renaissance commissioner is a job I am ready to be fully committed to and a job that I would really enjoy doing!
Candidate for Spirit Commissioner ID 19:

Do you want to have a fun time at school by having amazing spirit days and games that you will love? As spirit commissioner my job would be to plan and implement all spirit days, theme weeks, lunch games and related events. I would create spirit days that everyone will enjoy and have fun participating in. To create the best spirit days you need a student that has creative thinking. For example, having a crazy socks day or a stacking cup spirit game, where you try to stack 10 as fast as you can. As spirit commissioner I would make sure each spirit day and game is different and unique from that last one. I would also ask students for suggestions about spirit days. That way you might have a spirit day or game that you thought of during the year. I also will make sure that the events are posted around campus so you will always know the upcoming spirit days. Have fun at school by voting me as your 2016-2017 spirit commissioner.

Let’s be the heart of Townsend Jr. High School!

Candidate for Spirit Commissioner ID 20:

I should be elected as spirit commissioner because I am a leader and I will make this school a better place for everyone. I feel that if I were spirit commissioner I would be very responsible on planning all School Spirit Dress-Up days, theme weeks, and lunchtime activities. I really want to be the spirit commissioner of Leadership because I know that I have grown enough to take this kind of responsibility. I should also be elected because I love school spirit and I can come up with many new ideas. I can participate in other things as well. I am also very talented with art and photography, so I hope that comes helpful in Leadership. I am very good listener and I have always been respectful to all adults and children.

I hope I have made myself clear about how much I want to be the spirit commissioner of Leadership.

Thank you for your time!
Candidate for Spirit Commissioner ID 21:

Hello Townsend Rangers!! Who wants the next school year to be the best one yet?! I know for sure that I want it to be amazing!! This year I will be running for the 2016-2017 spirit commissioner. I think that a spirit commissioner should have some past experience with Leadership and some very important leadership qualities. I also feel that they should have a great deal of spirit, and have a creative mind. Luckily, I have all of those things, so let me explain why you should choose me for your 2016-2017 spirit commissioner!

First, I have had past experience in Leadership. I was in Leadership at my elementary school when I was in 4th, 5th, and 6th grade! I know how to make posters, perform in rallies, take pictures, and do many other things! I know how to work the lunch games and have been in the spirit committee before. I've been in Leadership for four years now so, I have a lot of experience. Second, I am very organized, and you can count on me to follow through with any task I am given, even if it's hard. I play the piano and in the past I had wanted to give up and stop playing, but my mom encouraged me to keep going, and I knew that things would get better. So, I didn't stop playing the piano, and I eventually started to like playing again. It was good that I didn't give up because if I had, I wouldn't be as good at playing the piano as I am now. I'm also a very hard worker, will try my best, and will stay committed to my position. I am a very vocal person and am not afraid to speak up in front of others. One time in elementary school, they had kids who wanted to try out for Leadership give a speech to the whole school. I wanted to be in Leadership so I stood up on the stage and talked to the whole school about why I should be in Leadership. You can count on me to be able to be in charge of an activity or game and keep everything under control. So as you can see, I have the experience and qualities to be a great spirit commissioner!

A spirit commissioner also needs to be a leader and have a great deal of spirit. What does spirit mean exactly? Spirit means, “the quality of courage, energy, and determination or assertiveness.” These characteristics are evident in many aspects of my life. I am on a soccer team and we often do cheers to pump each other up. When I am playing on the field, I cheer on my teammates. For example, if one of them scores a goal, I run all the way over to them, no matter where I am on the field, just to give them a high five. I am a good teammate and encourage the other players on the team to do their best. I also used to be in Girl Scouts when I was younger. I have gone to a stadium before to cheer on others while they were doing a marathon. I had a lot of spirit and energy then, and I think I could bring those two things to the plate as a spirit commissioner! Another way I have spirit is at school. I try my best to be a positive role model for other students and also try to participate in every spirit day. I want to represent my school and since spirit days are super fun, it’s the perfect way! They allow me to represent my school while having a good time!

Lastly, a spirit commissioner needs to have a creative mind so they can think of spirit days and games that every student will love, including you! Do you want to eat a cookie off your face or throw a pie in a teacher's face like we did last year? We could even wear our pajamas to school again! I have had experience in picking spirit days because I have been in leadership before. The spirit days and games should entertain all of us, and I promise that I will think of fun ones. I could think of spirit days that are related to popular things and movies at that time or lunch games that involve food! To help keep you informed about these activities, I will post papers and posters all around the school listing the event and the date. I would request that spirit days and games be announced in the morning announcements. I also think that if the school allows me, I will put a clipboard out with a sheet of paper attached to it near the lunch area. You could then write down ideas for spirit days and games that you think would be fun to participate in. I would then take your ideas into consideration for the future!

I hope you choose me for the 2016-2017 spirit commissioner! I promise that I will make the school a better place and a great environment for all students! GO RANGERS!!
Candidate for Spirit Commissioner ID 22:

The position that I am running for is Spirit Commissioner for the 2016-2017 school year. I have always been fond of the Spirit Committee and how it motivates students to want to be at school. I would love to play a bigger role in school spirit. Running for Commissioner would allow me to do so. I would be an effective spirit commissioner because I will always have new and fresh ideas for the committee. I would try to make it a fun and awesome experience for everyone. Some of my ideas are to play different games every week. Furthermore, I would like to reward the class that showed the most spirit at the end of the year. Some ideas for rewards would be a pizza party or an ice cream party. Being a Commissioner would also mean that I would be a role model for all incoming 7th and 8th graders that are new to Leadership. I will always try my best to welcome new Leadership members. Asking for their advice and input would be a very important part of my role. I would be the best pick for Spirit Commissioner because I am organized, driven and never procrastinate. My relationships with my peers and teachers is positive. I would be honored to be chosen as next year’s Spirit Commissioner.

Candidate for Spirit Commissioner ID 23:

Spirit days, spirit games, and spirit weeks are not only fun, but also brings the school closer and gives everybody a chance to take part in school activities. All of these activities falls into the hands of the one who plans it all, the Spirit Commissioner. I believe I can build upon some of the great ideas of this year's spirit activities and even create some of my own. I will always make sure I am a good role model and set good examples for others to follow. I will make every effort to get everyone involved, listen to your suggestions, and produce new, trendy ideas. Not only will I guarantee an exciting and fun year, but most importantly a memorable year!
Candidate for Spirit Commissioner ID 24:

If I were to be elected to be the new 2016-2017 spirit commissioner, I would do many things to improve school spirit and our school overall. I will make sure that the spirit days are well chosen and meet the students demands. I've noticed that students mainly participate in spirit days that are common and popular styles. If I'm the new spirit commissioner, the spirit days I plan will help improve the school and school spirit because I hope my idea will get more students involved. And for the spirit games, I will try to always get many students involved and interested in whatever the spirit day happens to be. I have also noticed that students mainly participate and are interested in games where food is involved. Everyone loves food, so I would try getting food in as many spirit games possible to get the student population more involved in spirit games. If I were to actually be spirit commissioner, I would do a lot to please the students and help show our schools spirit!

Candidate for Publicity Commissioner ID 25:

I am proud to be a Townsend Ranger and to be a part of an amazing school like Townsend. As commissioner I would work to make Townsend an all-around better place. I am running for the publicity commissioner. Did you know Townsend has an Instagram page? Neither did I until I was searching the web one day. As publicity commissioner I will work to build up the Instagram page so you could see what’s going on around Townsend. Have you ever missed a fun event at Townsend? Well, with me as commissioner you would never have that happen again! You will be able to enjoy all the fun and exciting things that happen around the campus. So vote for me as commissioner as I’ll make Townsend a better place to be!

Candidate for Publicity Commissioner ID 26:

I believe I should be your 2016-2017 ASB Publicity Commissioner. I have many traits that would make me a good candidate for the job. Most importantly, I am organized, responsible, and a positive role model. I will ensure positivity is spread around the school and make sure everyone is updated of fun upcoming events and activities. Townsend dances, rallies, spirit days, spirit games, assemblies, and so much more, will be advertised through morning bulletin announcements and posters around campus. I am a good leader and open to new ideas. I will help make our school year a great one!
