

What is No Excuses University (NEU)?

The philosophy NEU is beyond providing visuals about college/university. Underneath the college environment, Anna Borba has committed to put in place the Six Exceptional Systems to support the students' academic growth. The Six Exceptional Systems are:

- Culture of Universal Achievement
- Collaboration
- Standards Alignment
- Assessment
- Data Management
- Interventions

NEU believes when these Six Exceptional Systems are in place, all students achieve and succeed. They also believe that all students should have the opportunity to be prepared for college when they graduate from high school. At Anna Borba, we share these ideals, and we are excited to have joined the NEU network. As a staff, we look forward to provide a safe and challenging learning environment for all of our Anna Borba students. Their road to college begins today!
