The above representations as to square footage are true. Developer/Applicant agrees that if it is later determined that such representations are not true, then this certificate shall automatically terminate and the appropriate agency shall be notified. Government Code Section 66020 (d) requires notification to applicant that the 90-day approval period in which the applicant may protest such fees has begun. Pursuant to Government Code section 66023, Developer/Applicant may request an independent audit of the fees to be conducted at Developer/Applicant's cost.

Developer/Applicant

Date

This certifies that the above-named Developer/Applicant of the referenced project has satisfied the requirements of the Chino Valley Unified School District in compliance with Government Code Section 17620 and Government Code Section 65995 as of this date. However, please note that the final school fees are calculated according to the rates applicable at the time building permits are ISSUED. The amount paid under this application may need to be amended. Applicants who pre-pay District fees will receive credit towards any increase or decrease in school fees.
