

Welcome

TO BACK TO SCHOOL NIGHT

# Meet the Teacher

Hello, my name is Mrs. Campos. I'm excited to be teaching first grade again. This is my 4th year teaching first grade at Cal Aero and my 11th year in our district. My son is also currently here in second grade.

I look forward to this school year!

# Happening Now

# 2nd Step

The **Second Step** program teaches skills in the following four areas:

1. **Skills for Learning:** Students gain skills to help themselves learn, including how to focus their attention, listen carefully, use self-talk to stay on task, and be assertive when asking for help with schoolwork.
2. **Empathy:** Students learn to identify and understand their own and others' feelings. Students also learn how to take another's perspective and how to show compassion.
3. **Emotion Management:** Students learn specific skills for calming down when experiencing strong feelings, such as anxiety or anger.
4. **Problem Solving:** Students learn a process for solving problems with others in a positive way.

# 2nd Step

## Second Step

- Please consent to the Second Step curriculum as part of the data confirmation

Wonders

# Reading

- 
- 
- In First grade, reading is a huge focus! **HUGE!** Your child should be reading aloud to someone else **every** night.
  - Every Week, in our homework, I will be sending home a decodable reader that correlates with our lesson. They will need to read this to you, you, the parent, will then sign the spot on the homework indicating that, yes, my child did read this book with me. This simple task will help tremendously in your child's ability to read.

# Spelling

Wonders

- Every Friday, on the homework cover page, you will get a list of spelling words to practice for the spelling test... I don't just test the word, I give them a dictation sentence with the word in it. Practice for the dictation sentences will be part of the weekly homework.
- I am looking for capitalizing the first word, neat writing, a space in between each word, and punctuation at the end in each dictation sentence.

To be prepared for first grade math curriculum, practicing **math facts** is always a good idea.

I have already posted on my web page a link to our timed tests. We take these daily; 100 problems in 5 minutes. Flash cards help too. There's also Xtra-Math. Their goal is to pass 1-10 for addition and 1-10 for subtraction before they reach **2nd grade**.

# Science

We have new Science curriculum. We discover many things in first grade, Space, plants, animals, sound, light... It is all very fun.

·twig·Science

# Social Studies

In first grade, students develop their understanding of basic concepts and ideas from civics, economics, geography, and history. The context for social studies learning in first grade is the family and the ways they choose to live and work together. To develop students' understanding of the basic social studies concepts, students are asked to think about families nearby and those far away.

# Homework

- Every Friday, Starting in July 26, I will send home a packet in their Aviator Folders. The Folder includes:
  - **Passwords** to login to their school accounts... They have access to prodigy, and Epic (although epic has a curfew).
  - **A sticker sheet** for checking complete homework. They get a sticker if the packet is turned in on time, neatly written, and complete. I just check for completion, not whether or not their answers are correct... They shouldn't be doing their homework unsupervised. It takes a village to raise these kiddos and you might have a better way at explaining something to your child than I do... we are a team.

# Homework

Continued...

Inside the Friday Folder, you should expect:

- **A packet** which includes: a Cover Sheet (2 sided) stating what is assigned each day and math pages.
  - The **homework cover sheet** includes the topics for the week, spelling, vocabulary, and math assignments
  - The **2nd side** of the cover sheet explains spelling homework. Spelling can be done on a blank page or lined paper. Staple spelling to the packet when complete and initial all reading.
- 5 pages of math (sometimes less if we have a test scheduled, there will be no math assigned on those nights)
- Homework is due every **FRIDAY MORNING** as your child walks through the door.

# Grading Policy

## Grading Rubric

### Cal Aero Preserve Academy Grading Rubric

Grade	Level of Understanding	Depth of Knowledge
4	Excelling	Students at the excelling level of performance are consistently performing at grade level, can demonstrate independence, and can exceed the grade level standards, when applicable and expected at this point of the school year.
3	Achieving	Students at the achieving level of performance demonstrate an adequate understanding of and ability to apply skills needed to meet grade level standards at this point of the school year.
2	Progressing	Students at the progressing level of performance are partially meeting the grade level standards expected at this point of the school year.
1	Beginning	Students at the Beginning/Standard Not Met level are not yet meeting grade level standards expected at this point of the school year.

# Assessments

- Every **Friday** , we will be taking a **spelling and sight word test** . The words will be provided for you the Friday before on the homework cover sheet.
- **Math, Social Studies, & Science** Assessments come at the end of each unit so there is not a set date for each of those assessments.

# Report Cards

- Report Cards are distributed by me at the end of each trimester.
  - 1st Trimester: 9-19-24
  - 2nd Trimester: 1-24-25
  - 3rd Trimester: 5-23-25
- 
- Depending on how you filled out your student information in the Aeries Portal, your child will be handed their report card by me and they will take it home. If you decided against this, you'll need to pick it up from the office.

# Lunchtime

We have lunch from 11:00- 11:40 (M,T,W,F ),  
9:20- 9:50 (Thursday ).

**\*Thursdays** : your child doesn't need to bring lunch on Thursday, we go so early it's more a snack time anyway. They are allowed to bring lunch and the cafeteria provides a complete lunch on Thursdays too.

# Recess

1st recess is at 9:30-9:43am.  
Last recess is at 1:35-1:48 pm.

**Recess is for using the restroom. Please encourage your child to use the restroom before they play.**

# Dismissal

M, T, W, F we dismiss at **2:50 pm** and on **Thursdays** at **11:30 am** from the South gate. Your child will wait for you on the left side of the dismissal gate. 3rd and up are on the right of the gate. Please don't stand in the middle as the kids walk out. It creates too much traffic.

If you have plans to pick them up in another location, please let me know so I am aware. I dismiss the north gate students and high five to walk on their own in a group.

# Dismissal

- If you plan on picking your child up early from school please be aware of when we are scheduled out of the classroom.
- Plan to pick up your child **before** or **after** recess and lunch times.
- It takes time to locate your child.

# Star of the Week

Every week starting August a student will be selected to be the Star of the Week. Student will be given a poster and can bring back their poster the following Friday. Student will present their poster to the class, and will take home a class book created by the class.

# Class Parties

We are scheduled to have 3 classroom parties this year.

- Winter Celebration
- Valentine's Day
- **End of the year**

**Also, We usually collect \$5 from each child to fund parties prior to party or a sign-up sheet will be created.**

# Birthdays

Nothing may be dropped off in the office for birthday recognition. It must be pre arranged with the teacher and directly given to the teacher. Any treats/goodie bags must be store bought.

# Conferences

ParentSquare

A parent Square sign-up has been created. You can located on your Parent Square App. It opens for sign-ups on Wednesday, July 24rd..

**Parent Conferences are August 19-21**

# School Events

- Character Walk
- Fundraiser (possibly, the fun run)
- 3 class parties (Winter Celebration, Valentine's Day, End of the year)
