2022-2023 IMPACT REPORT

WHAT DEFINES US

HELPING OUR PEOPLE EVERYDAY (HOPE)

The HOPE Program strives to identify and remove barriers that could keep children and youth from doing their best in school. The family unit can be strengthened and positively impacted when providing support and connections to BOTH District AND community resources.

FAMILY RESOURCE CENTERS (FRCS)

Why are FRCs important? Imagine moving to the area but not being able to understand the language or facing a family crisis with limited resources. Comprehensive family-support programs are needed more than ever before. We continue to see the negative effects of housing instability, the lack of basic needs, mental and physical health challenges, and more. FRCs provide the platform to connect with students and parents either at a school site or at a community location. Working in partnership, schools and FRCs can get to the root of a student's struggle to promote personal and academic growth.

HOPE FRCs strive to create a welcoming environment and improve family engagement via 10 centers and satellite locations within CVUSD.

INNOVATIVE PRACTICES

CVUSD was a recipient of the California Department of Education (CDE) Homeless Innovative Program (HIP) grant for 2022-2024! The newly released HOPE Toolkit promotes the integration of city, county, district, and community partnerships to form systemic alliances of support for students and families.

To learn more, visit our [HIP webpage](#).

SHARING OUR STORY OF HOPE

As the HOPE Program approaches its 10th birthday in March 2024, we celebrate the Chino Valley community and its commitment to serve alongside us assisting thousands of students and their families these past 10 years. It has been humbling and inspiring to see and hear the positive impact that HOPE has made on so many lives. Included in the release of the new HOPE Toolkit is a 20 minute video created to show how the program began, share some of the real challenges faced by some students and their families, and inspire hope! If you haven't watched it, we invite you [to see it here](#).

HOPE & CARE CLOSET

3,528 INDIVIDUALS
were directly assisted through
district, city, various community
partnerships, and available local
resources in the 2022-23 school
year.

3,085 REFERRALS TO CRITICAL CONNECTIONS

- Assistance with Medi-Cal, CalWorks & CalFresh Applications
- Mental Health Support
- Food/Pantry Resources
- Rental/Utility Assistance
- Educational Resources
- Basic Needs

775 CARE CLOSET VISITS

Number of students/families who
received school clothing and
personal care/hygiene/ emergency
supplies

823 BACKPACKS & SCHOOL SUPPLIES

Number of students who received
educational supplies

63 FAMILIES WITH 0-5

Number of families supported through
the TYKES Program

24 NEW COMMUNITY COLLABORATIVES

Number of non-profits,
faith-based, community
groups, or individuals
added in the past year

PARTNER SPOTLIGHT

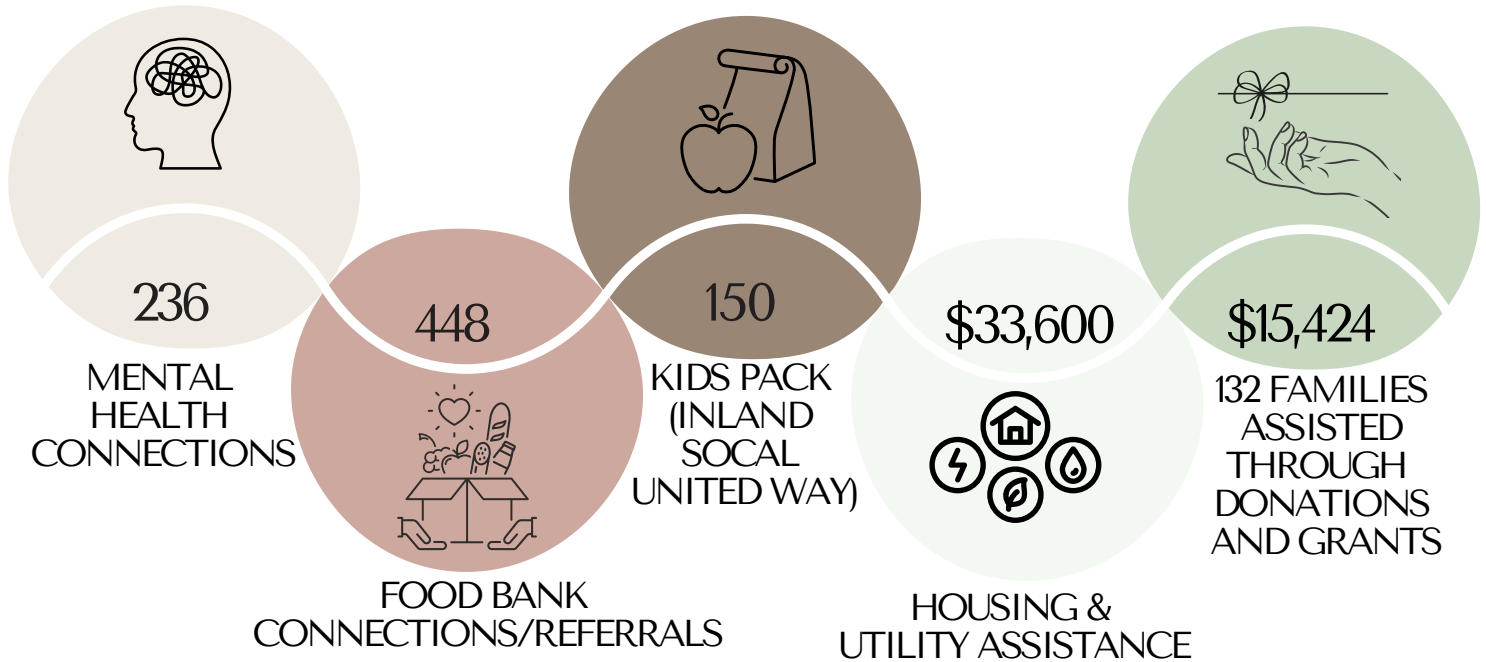

CROSSPOINT
A FAMILY CHURCH IN CHINA

Crosspoint Church has been a
committed and valued community
partner for many years. In the
summer of 2022, Crosspoint decided
to bring back the "Threads of Hope"
sponsorship program. Crosspoint's
church community sponsored over 70
local children/youth with brand new
clothing to begin the school year.
Through this partnership, referred
students and their families facing
economic hardship, were assisted
with Back to School clothing to help
them start the year off right.
In 2023, Crosspoint Church
sponsored 100 students!

*"There is no power for change
greater than a community
discovering what it cares about."
-Margaret J Wheatley*

FAMILY IMPACT

Did you know that more than 13% of children in California live in food-insecure homes? Food insecurity affects concentration, memory, mood, and motor skills, all of which a child needs to be able to be successful in school. The HOPE Program is dedicated to strengthening students and families in need of support.

PARTNERS' SPOTLIGHT

GOD'S PANTRY

In response to urgent food needs during the pandemic, two signature community partners, God's Pantry Food Bank in Pomona & Verve City Church in Chino, partnered with HOPE to provide food and pantry home deliveries for students & families referred by case managers.

In the 2022-2023 school year, **30** HOPE-referred families participated in the program and received weekly deliveries including fresh groceries and non-perishable items by Verve City volunteers.

MCKINNEY-VENTO HOMELESS EDUCATION CARE PROGRAM

1,622 Students Identified
McKinney-Vento (MV)

55 Students Received
Tutoring Support
