Key Objectives to Consider

- Reduce enrollment at Cal Aero Preserve Academy to a manageable level (Currently 1,354 daily / 1,691 total)
- Remove portable classrooms from Cal Aero Preserve Academy to reclaim lost playground space
- Balance enrollments of Cal Aero Preserve Academy and Preserve School Two based on school capacities, with room for growth
- Maintain educational parity between both schools which will ensure financial efficiency
- Maintain continuity of neighborhoods
- School Boundaries change when there are large changes of population; reconvene committee as needed

Questions from the Boundary Committee and Public Meetings

- Will all Cal Aero Preserve Academy parents have an opportunity to provide input?
 - Yes, there will be a parent survey sent to all Cal Aero Preserve Academy parents in April 2023. All parents should respond to survey.
- Will Preserve School 2 be ready for the 2024-2025 school year?
 - Yes, construction is in progress with opening date of July 2024.
- Will the new school name be Preserve School 2?
 - Not necessarily, school naming process will follow CVUSD Board policy.
- Will some portables be removed from Cal Aero Preserve Academy after new school opens?
 - Yes, that is the plan.

Questions continued.....

- Will Preserve School 2 be a STEM or STEAM school?
 - Curriculum will match other K-8 schools in CVUSD.
- Will additional crossing guards be added along Pine Avenue?
 - The need for crossing guards are evaluated annually in partnership with the city to ensure the safety of our students.
- What is the timeline for sidewalks, curbs, and gutters along West Preserve Loop and Meadowhouse Avenue?
 - The City of Chino oversees the street improvements, including sidewalks, curb, and gutters within the city.
- Will sidewalks be in place around the new school?
 - Yes, the City of Chino and Lewis are working on this.
- Will a bridge be built over Pine Avenue?
 - Any bridge built or not built would be a City of Chino decision.
