

# **Mrs. Santana & Mr. Bennett**

---

Integrated Math 3

Natalie\_Santana@chino.k12.ca.us

Lloyd\_Bennett@chino.k12.ca.us

Any questions: email us

## About Mrs. Santana

- I graduated from Cal Poly Pomona with a BS in Math
- I graduated from Claremont Graduate University with a MA in Education
- 6<sup>th</sup> year teaching at Ayala, 10<sup>th</sup> year teaching high school Math

## About Mr. Bennett

- CSUF graduate
- 28th year teaching
- 5th teaching at Ayala

# Website/ Google Classroom

- All assignments can be found through Google Classroom. Under the 'classwork page'
- Scheduled Quizzes and Tests will be announced in Google Classroom on the calendar updated per chapter.
- Class Expectations/Syllabus
- Absent
  - Check google classroom first, then email if needed
  - Videos that correlate to the lesson are posted in GC
  - Missed assessments will be taken the day the student returns

# Apps and Online Accounts

- Delta Math- students created an account
  - Most assignments and Assessments
- Classlink- access to google classroom, textbook, email, aeries

# Grading- Math 3

- Homework/Classwork= 30%
- Tests/Quizzes/Projects= 70%
- You can check grades on ABI/Aeries.
- Grades are updated weekly
  - I periodically send a weekly grade report via Aeries on Fridays

# Policies

- Homework
  - Must show ALL work for credit and be 100% complete
  - Turned in during class (not digitally)
  - Late work accepted until Test for  $\frac{1}{2}$  credit. After test = 0. (Missing work shows up as [ ] in Aeries)
    - Must be turned in before school during office hours
- Quizzes/Tests- No retakes

# Policies

- Chromebooks and Chargers
  - Bring daily
  - Misuse
- Phones/headphones/electronics
  - Warning/Parent contact
  - Paper bag/Parent contact
  - Office Referral
- Materials
  - Binder for notes only
  - Graph/lined paper for assignments

# Calculators

- Every student will need a **scientific** calculator for use in the classroom, on homework, and on quizzes/tests.
- It is important that students bring a calculator to class everyday.
- Graphing calculators are not recommended. Some assessments students will not be allowed to use graphing calculators.

# CAASPP

- All Juniors take at the end of the school year
- Measures how well Ayala teaches Math
- We will be preparing/reviewing in this class

## Office Hours

- Mrs. Santana is available for extra help before school by appointment Tuesday-Friday
- Mr. Bennett is available by appointment when needed before school or during lunch.
