

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Link** to goals of the school's single plan for student achievement
- **Focus** on student learning skills
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will communicate about student progress
- **Describe** opportunities for parents to volunteer, observe, and participate in the classroom

Our Goals for Student Achievement

District Goals - Local Control Accountability Plan (LCAP)

All students are provided a high-quality teaching and learning environment.

Staff, parents, families, and students are connected and engaged at their school to ensure student success.

All students are prepared for college and career beyond graduation.

School Goals

Goal 1: All teachers will be provided professional development in order to support effective data-driven instructional strategies, including re-engagement and extension in ELA/Math Essential Standards, with a focus on teacher clarity (Hattie effect size 0.7). By May 2024, there will be an increase (over last year) in classroom lessons that include visible learning intentions ("I can" statements) and student reflection as measured by classroom walkthrough data and District Essential Standards Assessments (ESAs).

Goal 2: School Connectedness: PBIS Tier 1, 2, and 3 behavior interventions will further support a positive school environment, as measured by the External TFI results.

Chronic Absenteeism: The school-wide attendance rate will increase to 96% as measured by the monthly school year attendance rate report by May 2024. A maximum number of 120 students will be on the chronically absent list. There will be a max number of 8 students with disabilities on the list of 120 in order for us to exit ATSI statues.

Goal 3: On the 2024 SBAC, the percentage of students scoring at Standards Met/Exceeded in Math and ELA will increase by 3%. English Learner will continue to make progress from 66% on the California Dash board.
