

Positive Prevention PLUS
Sexual Health Education for California Youth
Parent Permission Letter

Dear Parent/Guardian:

The Chino Valley Unified School District/Ayala High School offers a course of study on Sexual Health for 9-12 graders. This course topic addresses many of the health issues students face, or will face, in their lifetime.

This Sexual Health course is guided by several state laws including teaching that abstinence from sexual intercourse is the only 100% effective protection against unwanted teenage pregnancy, sexually transmitted diseases, and Acquired Immune Deficiency Syndrome (AIDS) when transmitted sexually. Sexual Health instruction content is recommended by Education Code 51933. We will be using **Positive Prevention PLUS** materials for this unit.

It is required that parents/guardians be notified prior to instruction. Parent/Guardian permission to participate in this Sexual Health course of study is mandatory; please return the portion below.

Sincerely,

Mrs. Draucker
