CLASS EXPECTATIONS

It is critical that students do all homework problems assigned and review their notes each night. To better and more completely understand the material, each student needs to be a self-directed learner. Please ask questions during class as they arise. Work together with your classmates to solve problems. Be an active learner.

CLASSROOM ATTENDANCE & INSTRUCTION

You will be expected to attend class on time. Any absences or tardies will be recorded in Aeries. The tardy policy is in our school handbook. Remember you are in a classroom setting and are expected to conduct yourself in a respectful appropriate manner or are subject to appropriate discipline.

OFFICE HOURS

If you need extra help, please come in during my lunchtime office hours Monday through Thursday. Please don't wait until you get behind. It is much easier to understand concepts, and less work, if you ask questions and don't allow yourself to get behind.

CLASS WEBSITE & ONLINE GRADE POSTING

All important information such as announcements, assignments, and other resources will be shared on Google Classroom. Assessment and assignment grades will be communicated through Aeries. It is the student's responsibility to check Aeries.

HOMEWORK & CLASSWORK

Homework will be assigned and will be checked for completeness however points will be subtracted for clearly incorrect work or answers. Students are to grade and **correct** missed homework problems and ask questions as needed. For any excused absences, you will have the same number of days absent to make up the work you missed. Incomplete assignments will receive NO CREDIT. Late assignments will receive HALF CREDIT and will only be accepted prior to the day of the unit test. Homework must be labeled with the appropriate section, page and problem numbers. Answers must be boxed or highlighted, and **all work must be shown**. **NO WORK = NO CREDIT**. Classwork assignments will be given periodically and turned in the day they are assigned. Homework and classwork will comprise **30%** of the overall grade.

ASSESSMENTS

At **least** one quiz will be given for each unit and a cumulative unit test will be given at the end of each unit. At the end of each semester there will be a comprehensive final on all material covered. It is in the student's best interest to be present on the day of the assessment. If a student is absent on the day of the assessment, a make-up assessment (different from the original) will be taken when it is available. It is the student's responsibility to request the make-up assessment upon their return to class. If a student fails to take a make-up assessment, a score of zero will be recorded for that assessment. **IF YOU ARE TRUANT ON THE DAY OF AN ASSESSMENT, YOU CAN NOT MAKE IT UP.** Assessments will comprise **70%** of the overall grade.

PARTICIPATION & TIPS FOR SUCCESS

Active participation in class is a requirement. To be an active participant in class, students will be asked to answer questions, demonstrate knowledge, and work in groups. Participation will be reflected in the work habits grade. Success is achieved through active participation which includes asking and answering questions and completing all work on time.

ACADEMIC HONESTY

Academic cheating will not be tolerated and will result in a score of ZERO on the assignment or assessment. Copying a classmates' classwork or homework is considered cheating. Any talking or communicating during an assessment is considered cheating. Having any unauthorized materials out or present during an assessment (including notes and electronic devices) is considered cheating. All cases of academic cheating will be reported to the administration office.

GRADING SCALE

The following percentage grading scale applies.

| | | | |
|---------------|----------------|--------------|----------------|
