Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program
Additional Targeted Support and Improvement
Our school serves as a Title 1 Schoolwide Program. Chino Valley Unified School District in partnership with all educational partners has developed and will monitor the implementation and effectiveness of the School Plan for Student Achievement in order to improve student outcomes. Our school has been identified for Additional Targeted Support and Improvement (ATSI) based on the California 2022-2023 Dashboard results. Our school plan will specifically address the metrics that led to eligibility for ATSI, which includes monitoring Chronic Absenteeism and Suspension for our Homeless student group.

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

This plan effectively meets the Every Students Succeed Act (ESSA) and aligns with the district's three LCAP goals:
LCAP Goal 1: All students are provided a high-quality teaching and learning environment (Priority 1, 2 and 7)
LCAP Goal 2: Students, parents, families and staff are connected and engaged at their school to ensure student success (Priority 3, 5 and 6)
LCAP Goal 3: All students are prepared for college and career beyond graduation. (Priority 4 and 8)

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Our school begins the needs assessment process in the month of January when we hold our site LCAP engagement meetings. During this meeting we share data points and metrics that are available for the district and the school site. We also send a K12 Insight Survey to all of our staff, students, and parents. The District K12 Insight Survey is taken by students, parents, and staff, providing quantifiable data regarding school culture and climate. Likewise, data is documented in this plan in the following pages with a data analysis is at the end of each data point. Our needs are then listed on our Goal pages. The needs assessment process continues with our ELAC when they give input into the SPSA for EL programs. The SSC reviews all of this data and then approves the new plan to address the identified needs.

The 2022-23 School Quality Survey for parents, students and staff was administered during in winter of 2023. At our school, we had the following numbers of participants for each participating groups

ELEMENTARY

Parents -- 77

Students- 12

Staff – 74

This school values input and builds trusting relationships with families.

72% of parents agree

74% of staff agree

77% of students agree

Here are three data points that we can celebrate:

1. 91% of the parents, feel that they are encouraged to attend school-sponsored activities, such as back-to-school night, parent-teacher conferences, or college nights
2. 91% of parents and 92% of staff feel they are provided opportunities for two-way communication using a language that is understandable.
3. 94% of parents and 89% of staff feel this school is safe.
4. 96% of parents feel the principals and assistant principal(s) were responsive

Here are three data points that show our opportunities:

1. 74% of parents said they are aware of Peachjar to view digital flyers that share information about school events and opportunities.
2. 72 % of parents and 74% of staff said this school values input and build trusting relationships with families.
3. 70% of students said that students are academically challenged by their school work.
4. 67% of students feel that positive feedback is given on a regular basis.

JH HIGH

Parents -- 20

Students- 158

Staff – 4

In the K12 parent survey, we learned the following about our engagement groups:
This school values input and builds trusting relationships with families.

80% of parents agree

100% of staff agree

59% of students agree

Here are three data points that we can celebrate:

1. 100% of parents said that the principals and assistant principal(s) were courteous when I had a concern
2. 95% of parents said that the principal and/or assistant principal(s) are visible at school events
3. 95% of students said that this school keeps families informed of their student's academic progress, such as using the CVUSD Aeries Parent Portal.

Here are three data points that show our opportunities:

1. 40% of parent Strongly Disagree or Disagree that this schools offers students a variety of activities and courses.
2. 35% of parent Strongly Disagree or Disagree that this schools offers a variety of extracurricular activities
3. 30% of parent Strongly Disagree or Disagree that discipline is enforced fairly

In the 2022-23 Family Engagement Survey, parents told us that they would like us to offer the following workshops:

1. Supporting your Student Learning Modality
2. Transitioning to a New Grade Level
3. Family Literacy, College Awareness

An LCAP site engagement meeting was held and the following themes emerged from the feedback received through the survey that was provided to parents.

Goal 1: Conditions of Learning: (teachers assigned to correct courses, clean facilities, enough textbooks, implementation of state standards, and access to broad course of study) What conditions of learning at our school affect your performance?

I would love to see robotics or more engineering with younger students.

New desks for our math classrooms.

Soccer field with goals.

New (replacement) textbooks for History.

Exterior paint and repairs.

Timely feedback on academics.

Goal 2: Engagement: What motivates (i.e. classes, activities) students to be actively involved at school [to lower dropout rates, improve daily attendance, feel safe, and reduce discipline issues]? Some schools have an achievement assembly for students who did exceptionally well on the state testing. That would motivate students to do their best.

Morning activities for students.

Discipline with consequences.

More after school activities.

More electives.

Fewer disruptions from poorly behaved students

Improve condition of field.

To feel safe: discipline those who actions or words are the cause of issues.

Recognition for students that have 95% or better attendance.

Parent involvement opportunities
Volunteers in classrooms

Goal 3: Student Achievement: What do our students need to be better prepared for college and career?

Career Day

College Night

They need to establish healthy habits and routines.

Ways to take care of their needs.

Reading as an elective for low performing students.

Healthy, consistent habits of setting goals, strategies, to complete goals, recognition of goal completion.

Goal 4: Targeted Assistance: (Applies to Buena Vista High School, What targeted assistance do our students need to be better prepared for college and career?

Assistance on creating routines, priorities, etc.

Executive functioning skills.

Continue AVID classes

In the 2021-22 Healthy Kids Survey, 83% of 5th graders shared that they feel safe at school most/all of the time. 74% of the 5th grade students reported that they feel connected to school.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Our school participated in several types of classroom observations conducted during the school year. Types and frequency are as follows:

A District Collaborative Learning Round (CLR) made up of a team of District Administrators were scheduled to walk through classrooms to collect data that is relevant to the District's Areas of Emphasis/Goals, feeder group collaborative team actions, and site emphasis on increased engagement and rigor. This was cancelled for this year due to the unique challenges of the pandemic.

In addition, the school site instructional leadership team, consisting of one teacher from each grade level, planned to walk through classrooms to conduct site level CLRs with the principal. This was also postponed until next year.

Administrators did conduct walk-throughs on a regular basis and observations will continue to be focused on student observables in the learning environment based on District protocol and evidence based on the District's Yellow Sheet. Administration will closely observe the engagement of the EL students in the class in future visits. Specifically, our feeder group collected evidence of teacher clarity and visible learning.

Our feeder group walked classrooms at the following sites this year on the following dates:
11/2022- Ramona JH School

Additionally, before our monthly PLC Feeder meetings, each principal completes his/her Visible Learning Data (which is our walk-through observations).

We record our information on a Google Form (success criteria was identified by Feeder)

We turn that information in to an EXCEL Form

We then extract our individual school's data and create an additional sheet. With our own data we each complete our school site TACA and add it to the Google Classroom. At our monthly PLC Feeder meeting we complete our DAL Feeder TACA and answer the questions together to identify strengths, areas to improve, and to form next steps. We repeat this cycle 1-2 times a month.

Summary of Classroom Visits

Feedback Statements: 80% of teachers used the 5:1 specific positive to negative ratio

*Note: This is a tremendous increase from earlier in the year. Thank you for focusing on your specific feedback.

Expectations – 100% in all visited classroom

Evidence of positive behavior exist and are posted in teachers' classroom.

Classroom Routines- 100% in all visited classrooms

Evidence of predictable patterns and activities was observed.

Acknowledgement – 100 % in all visited classrooms

Evidence of an acknowledgement system was observed.

Responding to Behavior – 100% in all visited classrooms

Maximize Structure/Physical Design - 100% in all visited classrooms.

Active Supervision- 100% in all visited classrooms

Opportunities to Respond - 100% in all visited classrooms.

External Reviewer Feedback

Strengths:

Expectations posted in teachers' classroom.

Established classroom routines were in place.

The rewards posted in the classroom for Panther Perks (no other school has it)

Students understand classroom routines and expectations

Students were on task in all of the classrooms

Small group instruction was taking place while other students worked to complete work (and were on task).

Daily schedules and agendas were posted in a visible location.

Active supervision in all of the classes

All teachers were scanning the room.

Teachers utilized consistent positive contact.

Students had the opportunity to respond in a variety of ways:

Non-verbal and physical response

No-opt-out strategies

Recommendations:

Continue to connect and strengthen school-wide acknowledgement system:

Provide more Panther Perks to students so that the number of students who have received a Perk in the last month is 100%.

Develop and post a JH specific classroom matrix.

Our TFI Binder Review yielded a score of 100%.

Our PBIS Team and Administration will work on improving Tier I implementation, which will include:

Implementing the new TIPS (note taking form) at our Tier 1 meetings

Other areas of need to strengthen our PBIS Tier I implementation:

Continue to organize the Tier 1 Google classroom to ensure all documentation is present
These results continue to be a snapshot of the wonderful things happening on our campus. Thank you for your dedication to our students and implementation of PBIS to ensure a positive school climate.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Briggs K8 utilizes the Professional Learning Communities (PLC) process to analyze state and local assessments to modify instruction and improve student performance. PLCs occur weekly to analyze data and make decisions with regards to instruction and support. Our site administration met with district administration in Summer 2021 to review 20-21 SBAC data, Distance Learning data due to COVID-19, Spring 2021 ESA#3 data and review progress on our sites 2020-2021 SMART goals. Through this collaborative process schoolwide SMART goals were developed in the areas of ELA, Math and creating a Positive School Climate. Site administration met with Instructional Leadership Team and staff to determine action steps in the areas of curriculum and instruction, assessment, and professional development that will support achieving the SMART goals. Based on this process, the following SMART Goals were developed

Our school utilizes the Professional Learning Community (PLC) process to analyze state and local assessments to modify instruction and improve student performance. PLCs occur weekly to analyze data and make decisions with regards to instruction and support. Our site administration met with district administration during Leadership Charge in July 2021 to review CVUSD Essential Standards Assessment (ESA) Data and to review progress on our site 20-21 SMART Goals. Through this collaborative process School-wide SMART Goals were developed in the areas of ELA, Math and PBIS for the 21-22 school year. Site Administration met with the Staff Instructional Leadership Team to determine Action Steps in the areas of Curriculum and Instruction Assessment, and Professional Development that will support achieving the SMART Goals.

ELEMENTARY

21-22 K-6 SMART Goals:

ELA ESA 3: 62% GOAL EXCEEDED (68%)

MATH ESA 3: 60% GOAL EXCEEDED (61%)

JR. HIGH

21-22 K-6 SMART Goals:

ELA ESA 3: 58% NOT MET (49%)

MATH ESA 3: 42% GOAL EXCEEDED (44%)

PBIS

SMART Goal by the end of the 21-22 school year:

Second Step curriculum will be delivered in all classrooms in its entirety (100%). GOAL MET

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

The PLC process is used to analyze data and to monitor student progress and to respond with intervention and extension for the learning targets with Tier 1 and Tier 2 instruction. Our site will use the CVUSD Essential Standards in ELA and Math to monitor student progress and modify instruction. Essential Standards Assessments will be used three times a year to determine progress toward meeting site SMART Goals in ELA and Math. Our English Learners is a student groups that we will progress monitor regularly. Here are the end of the year benchmarks that we are striving to reach for each grade level:

ELEMENTARY

21-22 K-6 SMART Goals:

ELA ESA 3: 62% GOAL EXCEEDED (68%)

MATH ESA 3: 60% GOAL EXCEEDED (61%)

JR. HIGH

21-22 K-6 SMART Goals:

ELA ESA 3: 58% NOT MET (49%)

MATH ESA 3: 42% GOAL EXCEEDED (44%)

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

100% of our teaching staff meet the state certification and licensure requirements to in the field that they are assigned. We have successfully hired and filled every class with highly qualified teachers.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

The Board of Education believes that in order to maximize student learning certificated staff members must be continuously learning and improving their skills. The Superintendent or designee shall develop a program of ongoing professional development which includes opportunities for teachers and certificated teaching assistants to enhance their instructional and classroom management skills and increase their knowledge of academic content in the core curriculum. The program may include but is not limited to:

1. Mastery of discipline-based knowledge including the state-adopted standards, and effective subject-specific pedagogical skills.
2. Training in the use of technologies that enhance instruction.
3. Sensitivity to the needs of diverse student populations, including minorities, students with disabilities, English Language Learners, and economically disadvantaged students; ability to meet those needs.
4. Understanding of how academic and vocational instruction can be integrated and implemented to increase student learning; skill in evaluating and combining available instructional resources; opportunities to collaborate with other staff members in the alignment of academic and vocational curricula.
5. Knowledge of strategies that enable parents/guardians to participate fully and effectively in their children's education.
6. Effective classroom management skills; ability to relate to students, understand their various stages of growth and development, and motivate them to learn.
7. Training related to student health, safety and welfare.

The district's staff development program shall provide maximum opportunities for staff participation without impacting the number of instructional days offered to students as required by law.

The Board believes that staff development should support school improvement objectives. The Superintendent or designee shall develop a district staff development plan that is coordinated with school plans and objectives established by individuals who are closest to the classroom and most knowledgeable about the needs of the school and its students. The Superintendent or designee shall ensure that the district meets its obligations related to the professional growth of individual probationary and permanent teachers. Because the Board believes that intensive professional development is especially critical during the beginning years of a teacher's career, the Superintendent or designee shall develop a voluntary program of individualized support and assistance for first-year and second year teachers. The Board may budget funds for actual and reasonable expenses incurred by staff who participate in staff development activities.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff development is aligned to the district's 2023-2024 Areas of Emphasis and LCAP Goals. Staff development will focus on the PLC process, Student Engagement, and Instructional Technology. Support will also be given in ELA/ELD, Math, and Positive School Culture. Our site will hold PD annually to support the instruction of our English Learners.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

District instructional coaches will provide ongoing assistance and support to teachers to address the needs of English Learners, Students with Disabilities, Foster Youth, Economically Disadvantaged, and technology support in order to master standards in ELA and Math. An onsite instructional coach provides ongoing site specific professional development in collaboration with teachers and based on their needs. The instructional coach models lessons, co-teaches, and trains teachers in development of CCSS ELA and math lessons, student engagement, and intervention strategies. The coach collaborates with teachers to meet their individualized professional development support needs. An on-site Intervention Counselor will provide ongoing specific trainings to teachers to support student social emotional health.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teacher collaboration occurs weekly through the PLC process embedded in the school day. Teachers meet by grade level, departments, and/or school-wide articulation in order to plan, analyze and respond to student data. Following the District's Yellow Sheet, teachers are expected to follow and implement "PLC Right". Teachers also collaborate vertically with the grade levels above or below. Data gathered from these meetings is used to target intervention needs and strategies across the grade level.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

An analysis of the recent ESA data results took place in August, January, and March with district and site personnel. The ESA data is aligned to the Common Core Standards, which supports the curriculum and instruction of the teaching materials. SMART Goals were drafted in August, and action steps were identified in the areas of Curriculum/Instruction, Assessment, and Professional Development in order to ensure alignment and strengthen the core academic program in ELA and Math for all students. The following student groups were identified in needing support to become proficient: Students with disabilities, English Language Learners, and socio-economically disadvantaged students.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Our site adheres to the current state required daily instructional minutes. Students who are English Learners engage in a minimum of 30 minutes of ELD per day. PE minutes are provided based on the mandates listed in Education Code. A school year consists of a minimum of 180 school days. The following number of minutes are required by the California Department of Education within a school year:

K	36,000
1–3	50,400
4–8	54,000
9–12	64,800

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

An analysis of curriculum lesson pacing in ELA and Mathematics and master schedule flexibility has allowed for the development of the following intervention courses or blocks of time:

Elementary:

Universal Access time during the first part of the school day from 8:15-11:30

Jr. High:

Each department has two teachers. The master schedule is designed so that the teachers within the department have a common prep period for planning and designing First Best Instruction (FBI) and Interventions.

No changes will occur should we implement an alternative instructional program due to COVID-19.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

100% of our students have available to them standards-based instructional materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

100% of our students have access to standards-aligned core courses and instructional materials.

100% of our students have access to Distance Learning and technology materials and support.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

The following services are provided by our regular program that enable under-performing students to meet standards:

STEP (Student Teacher Excellence Program) Meetings as derived by FastBridge (academics) and SEABRS (behavior) trimester screening. Briggs uses an instructional framework that includes universal screening of all students, multiple tiers of instruction and support services, and an integrated data collection and assessment system to inform decisions at each tier of instruction:

MTSS-A - The Fountas & Pinnell Leveled Literacy Intervention is a powerful, short-term intervention, that provides daily, intensive, small-group instruction, which supplements classroom literacy teaching delivered during the school day.

MTSS-B - All students receive Second Step Tier I in their classroom. Students needing additional SEL support participate in Tier II group counseling intervention/CICO or Tier III individual counseling intervention are identified by STEP team.

Student Skills Courses are built into the Master Schedule for Jr High Students

The following services are provided by our regular program that enable underperforming students to meet standard the above supplemental material are used within our intervention courses. AOE Instructional Technology strategies are provided by our regular program as well. Our counselor will engage with weekly progress monitoring and check in with students on any assistance/support needed during Distance Learning for our EL and Homeless population. Case carriers will implement Individualized Learning Plan (ILP) with IEP team, including parent/guardian for all students with IEPs.

Evidence-based educational practices to raise student achievement

Through this comprehensive needs assessment process, academic performance and language development data determined that our English Learners continue to be a group that we need to support during ELD and IELD. The number of students scoring a 4 on ELPAC declined significantly as shown in the data summary pages of this SPSA. English Learner data will be evaluated annually through the ELPAC and the ESA. The three goals within this SPSA plan will monitor the progress of the English Learners each year and actions are developed to support implementation towards accomplishing program goals. In order to raise student achievement, the following educational practices are in place:

Professional Learning Communities (PLC)

Instructional Strategies:

No-opt-out, Restate the question, Answer the question, Cite the evidence, Explain the evidence, Summarize the information (RACES)

Claim, Evidence, Reasoning (CER)

Thinking Maps

Focus on the SMPs

Additional AVID courses offered in Jr. High

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Information is provided on best practices focusing on parent and family engagement topics that assist the needs of our school and under-achieving students as described from feedback in our annual parent survey. The district Family Engagement Center (FEC) provides monthly and weekly workshops on topics parents can use to support their child's academic and behavioral success. The FEC offers a seven-week English Learner Parent Academy and monthly Special Education support group meetings. Federal funds are used to support the teacher-parent partnership for building a strong community for student success. We also have multiple resources available to support under-achieving students including multiple intervention programs both in school and outside of school, parent classes and programs, and access to intervention software programs. Students who are in-transition of housing needs or financial hardship are referred to the HOPE Center for supports. The district uses Parent Square and Peach Jar to regularly communicate the resources available to the families.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

The Action Team for Partnership committee collaborates on the development of the engagement policy and the Home School Compact. This committee ensures each site receives SSC approval and distributes a copy to each parent and family member of each student. The Action Team for Partnership meets three times per as a group of admin, parents, and teachers to discuss the planning, implementation, and evaluation of parent programs. DELAC meets 4 times per year and discuss the planning, implementation, and evaluation of the consolidated application programs. The Parent Engagement Policy is found our on school website and in the lobby of our school office. The district has scheduled parent training and workshops on topics such as understanding LCAP, SSC, ELPAC, CAASPP, Early Literacy, Parents as Partners, Transitions, Learning at Home, and IEP 101. The district Parent School Community Specialist works collaboratively with site administration to promote and increase parent engagement in monitoring student academic progress, school decision-making and participation in activities. The Family Engagement Center provides professional development for administration, teachers and classified support staff on topics such as training parent son PBIS, the Reading Process and Effective Instruction, Parents as Partners, Digital Tools, Learning at Home, and Struggling Learners in Reading, Writing, and Math to support creating partnerships for academic success. Each workshop addresses the unique needs of students with disabilities, English learners and migratory children when applicable. The FEC hosts workshops for parents and family caregivers to support mental health awareness. Our school site has a ELAC and School Site Council.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Lyle S. Briggs Fundamental is committed to meaningful stakeholder involvement in developing and gaining input on the development of the SPSA Plan. Students, parents,/guardians, staff and community were involved in the process. All stakeholders reviewed the progress of the actions/services implemented in the past year and reviewed data related to each school goal. Feedback from stakeholder surveys were included as part of the data review. An analysis of progress toward goals, current data and impact on learning took place and the SPSA was revised and updated based in identified current learning needs. The SPSA was reviewed and shared at the following meetings in the Spring of 2021

A) School Site Council

September 6, 2022

November 9, 2022

January 25, 2023

April 26, 2023

The School Site Council (SSC) works effectively with its stakeholders to complete the variety of tasks involved in developing, implementing, and monitoring the effectiveness of the Single Plan for Student Achievement (SPSA). As the lead group, the SSC agrees to the following procedures for completing all work involving the SPSA:

Step 1: Analyze ESA and local assessment data.

Step 2: Gather input from GATE, ELAC, and various district advisory committees.

Step 3: SPSA strategies Process: Staff/ILT members and grade levels/departments meet regularly on a monthly/weekly basis to review ESA data and local benchmark results. Findings from step 1 will be used to complete step 3. Final findings will be presented for review and approval to the SSC during scheduled meetings.

Step 4: Budget development Process: The council at-large will discuss budget allocations for the adopted strategies from step 3

Step 5: Finalize and submit SPSA for School Board Approval Date: The principal will turn in the final draft of the SPSA to the Department of Access and Equity State for submission to the CVUSD School Board in December.

Step 6: SPSA monitoring Process: The council at-large or a committee will complete the Round 1 monitoring forms for all strategies by early winter. The council or committee will involve the following groups in completing the forms – ILT, ELAC, GATE. The council-at-large will complete round 2 monitoring forms for all strategies by late spring.

B) ELAC

August 30 2022

November 9, 2022

January 25, 2023

April 26, 2023

C) ILT (Instructional Leadership Team) Meeting

The last Thursday of every month for the 22-23 school year

D) Site LCAP Meeting

January 25, 2023

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

During our comprehensive needs assessment, the School Site Council as well as the Site Instructional Leadership Team analyzed student achievement data to evaluate the needs of our students, school, and programs. Through a close study of our data we recognized that students with disabilities and socio economically disadvantages are underperforming in the areas of ELA and Math when compared to the rest of the student. This year, greater resources will be allocated to our students with disabilities. We recognize additional resources are necessary to increase the achievement of our students with disabilities and the socio economically disadvantaged. We will work on providing special education teachers additional trainings and resources. Teachers (Gen Ed and SAI) will be intentional during PLC's with monitoring and re-engagement for our SPED population.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	54	44	58
Grade 1	61	55	44
Grade 2	81	64	55
Grade3	82	79	63
Grade 4	83	82	80

Grade 6	77	79	82
Grade 7	110	85	95
Grade 8	107	104	85
Total Enrollment	733	670	644

Conclusions based on this data:

- Declining enrollment is noted over the past three years from the 2018-2019 to the 2020-2021 school years. however an increase in grade 4 is noted and our 3rd grade classes have stayed the same. This makes sense as student enrollment from 3rd-4th grade in creases from 28 to 31.

 K: 72-54 = -18
 1st: 72-61 = -11
 2nd: 84-81 = -3
 3rd: 82-82 = stayed the same
 4th: 79-83 = +4
 5th: 84-78 = -6

- Over the past three years from the 2018-2019 to the 2020-2021 school years:
 Elementary has decreased by 54 students.
 JH has decreased by 25 students.
- Over the past three years from the 2018-2019 to the 2020-2021 school years:
 K-8 enrollment has decreased by 79 students.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	39	40	35	5.30%	6.0%	5.4%
Fluent English Proficient (FEP)	97	90	78	13.20%	13.4%	12.1%
Reclassified Fluent English Proficient (RFEP)	14			35.9%		

Conclusions based on this data:

1. As with a overall decrease in student enrollment, our EL population has also decreased in the past three years.
2. In the past three years, the number of students reclassified as RFEP has increased.
3. The fundamentals of English in will be incorporated through students' school day; teachers will scaffold students' developing language skills into rich academic content in all subjects. Teachers will also provide ELL students with relevant background knowledge about a topic to be discussed in class, or activate their existing knowledge of a topic. Teachers will bridge new knowledge to old knowledge, increasing understanding, and it helps ELLs fill in contextual information. Additionally, ELL's receive designated ELL instructional time during their school day. Teachers will participate in ELL professional development to hone in on strategies and making curriculum accessible for students. This will support the reclassification of more students. Reclassified students will also be progress monitored for two years to ensure regression does not occur.

Conclusions based on this data:

1. From the 18-19 CAASPP to the 21-22 CAASPP, Briggs ELA scores increased for student who met or exceeded from 26% to 50%
2. We recognize this school year that less students performed below standard per grade on specific claims.

3. Little or no data is reflected in 20-21 due to the test being suspended after the testing window opened. This data will not be included in an analysis. We utilized ESA data as local measure in lieu of CAASPP for the this school year.

Conclusions based on this data:

1. As with an overall decrease in student enrollment, our EL population has also decreased in the past three years.
2. In the past three years, the number of students reclassified as RFEP has increased.
3. The fundamentals of English in will be incorporated through students' school day; teachers will scaffold students' developing language skills into rich academic content in all subjects. Teachers will also provide ELL students with relevant background knowledge about a topic to be discussed in class, or activate their existing knowledge of a topic. Teachers will bridge new knowledge to old knowledge, increasing understanding, and it helps ELLs fill in contextual information. Additionally, ELL's receive designated ELL instructional time during their school day. Teachers will participate in ELL professional development to home in on strategies and making curriculum accessible for students. This will support the reclassification of more students. Reclassified students will also be progress monitored for two years to ensure regression does not occur.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

School and Student Performance Data

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

1. ELA - 7.2 points above standard
Math - 27.7 points below standard
2. 65.7% making progress towards English language proficiency

3. Chronic Absenteeism is High. This could be in correlation to COVID-19 guidelines

High-Quality Teaching and Learning Environment

LEA/LCAP Goal

LCAP Goal 1: All students are provided a high-quality teaching and learning environment. [Priority 1, 2, and 7]

Priority 1: Credentials, Instructional materials, Facilities

Priority 2: Implementation of SBE adopted standards and programs/services that enable English learners to access the CA standards and ELD standards

Priority 7: Broad course of study, Programs/Services for Unduplicated pupils and provided to individuals with exceptional needs (College and Career Readiness for High school ONLY)

Goal 1

All teachers will provide quality first best rigorous instruction and targeted intervention utilizing instructional strategies and evidenced-based programs and adoptions to ensure that all under-performing and disadvantaged students experience academic growth as measured by CVUSD assessments throughout the year and SBAC results at the end of the year.

All teachers will be provided professional development that supports effective instructional strategies In ELA/ELD, Math, Science and Technology to ensure all students experience academic growth as measured by CVUSD assessments throughout the year and SBAC results at the end of the year.

Goal 1: When administration visits classrooms, minimum 5 classroom visits per week, teachers will have:

1. Our collective school site agreements are:
2. Learning Intention Visible/posted
3. Success Criteria "I Can"
4. Referenced
5. Essential
6. Activity Match success criteria/learning intention
7. Students know what are you Learning?
8. Students know why are you Learning it?
9. Students are able to share how they know they have Learned it?

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Strategy 1 Certificated and Classified employees attend PD given by the District and outside organizations upon request. Professional Development for PLCs (Release time and workshops/conference). Teachers were able to meet in PLCs on a regular basis and have 2 grade level and departments. This strategy will continue next year. ESAs scores have demonstrated significant growth through out our school site.

Strategy 2: Administration and Counselors hold small sessions for parents/families to receiving technology and Aeries Portal clinics.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Strategy 1: Professional Development for PLCs (After school). Because the teachers were able to meet in PLCs on a regular basis, we noticed an increase in our ELA ESA scores from ESA 1 to ESA across all grade levels. Similarly, learning objectives were aligned to essential standards 80% of the time during administrative walk-throughs. Next year, this strategy will continue since it was effective.

Strategy 2: Fully Implemented and overlapped with Goal 2, Parent Involvement. Parent Tech Clinics were help by counselors and administration 3/year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Strategy 1: Selected parents participated in SSC training. Administration holds small sessions for parents/families to receiving technology and Aeries Portal clinics. We utilized the funds allocated for this strategy in Goal 1 and 2.

Strategy 2: We have had 2 days STEP MTSS B meetings scheduled since the start of the school year. We used the funds allocated in this area to hold 3 rounds of STEP MTSS-B Meetings 3 times this year and as needed per teacher or parent request.

Strategy 3: Assistant Principal and selected staff members participated in Restorative Practice training as part of one of the District's pilot schools.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Strategy 1: There has been more parent involvement on campus in the classroom, through volunteerism, and with our PFA with the lifting of COVID- Restrictions.

Strategy 2: Eligible students were able to participate in MTSS-B Tier II and III services with counselors and referred services.

Strategy 3: With the pilot of PBIS Rewards App and Restorative Practices we have noticed a positive shift in our school climate. There are less ODRs reported.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Strategy 1: We will combine the language in this goal with Goal 1 to cover a wider scope of parent involvement activities.

Strategy 2: We will combine the language in this goal with Goal 1 to cover a wider scope of staff release time on campus.

Strategy 3: We will grow this for the 2023-2024 School Year

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Strategy 1:

Elementary: By end of year, all students identified as at risk in ELA will be enrolled in at least 2 full cycles of intervention that address specific reading skills needed to successfully complete all grade level reading assessments.

Elementary: By end of year, all students identified as at-risk in mathematics will be enrolled in at least 2 full cycles of intervention that address specific math skills needed to successfully complete all grade level math assessments.

Secondary: By the end of year, all students identified as at risk in ELA will be enrolled in an ELA Intervention Course that addresses specific ELA skills needed to be successfully complete all grade level ELA assessments.

Secondary: By the end of year, all students identified at risk in Mathematics will be enrolled in a Math Intervention course that addresses the specific mathematics skills needed to be successfully complete all grade level mathematics assessments

STEP-MTSS-A team will schedule parent engagement meetings with guardians to address students' academic strengths, concerns, discuss goal setting and accommodations. Student success will be measured by progress on goals, district assessments and teacher observations. A substitute to support teacher attendance and an extra hours will be provided, as needed, to support teacher attendance at STEP-MTSS-A intervention meeting. Student improvement is noted on the 22-23 District ESA Assessments

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

When looking at our expected outcome for this goal, ESA 2 data results indicate:

K-6: 69% of students met/exceeded on ELA and 59% of students met/exceeded on Math on ESA 2; we are waiting on scores for ESA 3

JHS: 62% of students met/exceeded on ELA and 44% of students met/exceeded on Math on ESA 3

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

As a result of this analysis, the new goal will incorporate our Feeder Group focus for the 2023-24 school year. We will add walkthrough data as part of the metrics. We will keep all strategies the same for next year, except I will add an action to bring back and a school-wide SMART Goal will be written after ESA 3 data is available.

Teacher Clarity and the PLC Process will continue to be areas of focus.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 4 Parent or Community Members
- 1 Secondary Students

Name of Members	Role
Jennifer Fordyce (1)	Classroom Teacher
Corine Scrugham (1)	Classroom Teacher
Virginia Linenberger (1)	Other School Staff
David George (1)	Classroom Teacher
Debra Letcher-Boeve	Principal
Breanna Atcheson (2)	Parent or Community Member
Nina Gruezo (1)	Parent or Community Member
Jose Perez (1)	Parent or Community Member
Efren De Santiago (1)	Parent or Community Member
Melissa Valtes (2)	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
	English Learner Advisory Committee
	Other: Parent Faculty Association (PFA)

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on April 26, 2023.

Attested:

	Principal, Debra Letcher-Boeve, Ed.D. on April 26, 2023
	SSC Chairperson, Brianna Atcheson on April 26, 2023

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Link** to goals of the school's single plan for student achievement
- **Focus** on student learning skills
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will communicate about student progress
- **Describe** opportunities for parents to volunteer, observe, and participate in the classroom

Our Goals for Student Achievement

District Goals - Local Control Accountability Plan (LCAP)

All students are provided a high-quality teaching and learning environment.

Staff, parents, families, and students are connected and engaged at their school to ensure student success.

All students are prepared for college and career beyond graduation.

School Goals

Academic: Goal 1: High-Quality Teaching and Learning Environment. This goal supports teachers and classified staff in the classroom including Professional Development training, materials for students, and release time. Allocation includes, Professional Development of Choice, Release days for PLC Planning, and Classroom Supplies.

Non-Academic: Goal 2: Connections to and Engagement at School ensure student success. This supports parent involvement, school climate, and students feeling safe in school. This is accomplished by workshops for parents, assemblies, MTSS-B/PBIS implementation, bilingual clerk (community liaison), and second step lesson completion.

English Learner: Goal 3: Preparation for College and Career. This goal supports all students but focuses on EL and SPED intervention, which includes, an Intervention teacher, STEP meetings, specific materials, and Professional Development.

Our school provides high quality curriculum and instruction in supportive and effective classroom environments to enable students to meet state academic standards. We support our students and work hard to provide a welcoming, safe school environment.

Teachers, Parents, Students **Shared Responsibility** for Learning

In the Classroom

As a first-grade teacher, I will engage all students with a vibrant learning climate and high-quality instruction. Listed below are some of the student learning strategies your child will use this year.

Academic Goal

- Engage students in group projects with an emphasis on STEAM
- Teach basic coding and use a variety of apps
- Reading groups to improve reading strategies
- Utilize thinking maps across the curriculum
- Focus on Essential Standards

Non-Academic Goal

- Use the Second Step Curriculum to show students how to cooperate with others
- Recognize students for positive character traits through awards such as Panther Perks and Student of the Month, and weekly behavior awards

English Learner Goal

- Use extensive guided reading and writing program and the Wonders Curriculum
- Assign group projects to create culminating experiences

At Home

Here are some ideas of how families can support students' success:

Academic Goal

- Log on to Wonders ConnectEd at home
- Practice on Reflex Math, Reading Eggs, Headsprout, and Razz Kids
- Encourage your child to work on IXL at home
- Read stories with your child on a nightly basis and encourage participation in Accelerated Reader (AR)
- Use flashcards to practice sight words
- Check that your child completes homework on a nightly basis

Non-Academic Goal

- Reinforce positive behavior at home
- Keep a line of communication between school and home

English Learner Goal

- Read all weekly stories and review vocabulary words sent home
- Encourage conversation about the work done each day

Our Goals for Student Achievement

District Goals - Local Control Accountability Plan (LCAP)

All students are provided a high-quality teaching and learning environment.

Staff, parents, families, and students are connected and engaged at their school to ensure student success.

All students are prepared for college and career beyond graduation.

School Goals

Academic: Goal 1: High-Quality Teaching and Learning Environment. This goal supports teachers and classified staff in the classroom including Professional Development training, materials for students, and release time. Allocation includes, Professional Development of Choice, Release days for PLC Planning, and Classroom Supplies.

Non-Academic: Goal 2: Connections to and Engagement at School ensure student success. This supports parent involvement, school climate, and students feeling safe in school. This is accomplished by workshops for parents, assemblies, MTSS-B/PBIS implementation, bilingual clerk (community liaison), and second step lesson completion.

English Learner: Goal 3: Preparation for College and Career. This goal supports all students but focuses on EL and SPED intervention, which includes, an Intervention teacher, STEP meetings, specific materials, and Professional Development.

Our school provides high quality curriculum and instruction in supportive and effective classroom environments to enable students to meet state academic standards. We support our students and work hard to provide a welcoming, safe school environment.

Teachers, Parents, Students **Shared Responsibility** for Learning

In the Classroom

As a second-grade teacher, I will engage all students with a vibrant learning climate and high-quality instruction. Listed below are some of the student learning strategies your child will use this year.

Academic Goal

Math:

- Daily math instruction, teaching how to make sense of problems, using the *Standards for Mathematical Practices* to achieve Common Core State goals.

Reading:

- Instruction with an emphasis on reading closely and analytically to comprehend literary and informational text, using text evidence.

Writing:

- Daily writing across all curricular areas using Thinking Maps.
- Direct interactive instruction in sentence and paragraph writing.

Physical Education:

- Direct instructional minutes as per state code.

Non-Academic Goal

- Positive behavior systems, including PBIS and Second Step instruction. Emphasis on Be Respectful, Be Responsible, and Be Safe

English Learner Goal

- 30 minutes of daily Designated English Language Development instruction (DELD)
- Strategies used for oral language development such as pair share, visuals, and read-alouds
- Utilize sentence frames to support speaking in complete sentences

Second graders will participate in many activities using the 4 C's (Communication, Collaboration, Critical Thinking, and Creativity).

At Home

Here are some ideas of how families can support students' success:

Academic Goal

- Support your child in meeting their goals in Accelerated Reading and fluency of addition/subtraction math facts.
- Ensure that your child reads every night for 20 minutes and completes the Weekly Reading Log.
- Practice speaking/writing in complete sentences.
- Ensure that homework is done completely, neatly, and accurately.
- Use IXL at home to strengthen math and ELA skills.

Non-Academic Goal

- Make illness the only excuse for an absence.
- Reinforce the positive behavior model used in class.
- Communicate with teacher as needed and volunteer as available.

English Learner Goal

- Ensure that your child is speaking in complete sentences.
- Encourage your child to use programs on classlink to help them with their studies.

At home, I will reinforce classroom learning by checking my child's work for accuracy, neatness, and completeness.

Academic Goal

- Implement STEAM activities into curriculum
- Utilize thinking maps across the curriculum
- Support student collaboration in the classroom through group activities and partner work
- Assign in class projects that students will complete using technology such as power point or Office 365

Non-Academic Goal

- Use the Second Step Curriculum to show students how to cooperate with others
- Promote Academic/Attendance Awards
- Post classroom and school-wide expectations

English Learner Goal

- Teach vocabulary in depth using multiple modalities
- Implement 30 minutes of designated ELD time (writing, listening, and speaking)
- Encourage students to answer in complete sentences
- Teach students context clues to help them independently figure out the meanings of words
- Provide writing opportunities to extend student learning and understanding of the content material

At Home

Here are some ideas of how families can support students' success:

- Check the Aeries Portal Weekly
- Ask your child questions about their day and encourage them to answer in complete sentences
- Make sure homework gets done on a nightly basis. You can help your child with homework by setting aside a special place to study, establishing a regular time for homework, and removing distractions such as the television and social phone calls during homework time.
- Use classroom/school resources. Be aware what the school/classroom has to offer: school/classroom websites, AR, IXL, All The Right Type – Keyboarding Program, Pearson Math & Wonders
- Encourage your child to read. Know your child's reading level and encourage them to appropriately challenge themselves to read chapter books at a minimum of half a grade level above
- Attend parent teacher conferences and keep in touch with your child's teacher
- Volunteer at your child's school and/or join your school's parent-teacher group

If you would like to volunteer, participate in, and/or observe a classroom, please contact your child's teacher!

Lyle S. Briggs K-8 School

Parent and Family Engagement Policy

2023-2024

School Policy Engagement:

Lyle S. Briggs K-8 School recognizes that **parents and family members are their children's first and most influential teachers** and that continued **parental engagement in the education of children contributes greatly to student achievement and conduct**. Lyle S. Briggs K-8 School shall jointly develop with, and distribute to, parents of Title 1 and Non-Title 1 students a written parental engagement policy, agreed upon by such parents and updated periodically to meet the needs of parents and the school. This policy shall be an addendum component of the School Plan for Student Achievement (SPSA) that promotes a meaningful partnership between the school, the home, and the community.

Title I schools will convene an **annual meeting to inform parents** the requirements of Title I and their right to be involved in the parental engagement policy, and the school-parent compact of strategies to increase parental engagement. The parents of participating students will be involved in an organized, ongoing, and timely way, in the planning, review, and improvement of its Title 1 programs and parent and family engagement policy and school-parent compact. The school will offer a flexible number of meetings and provide, if requested, parents' opportunities for regular meetings to participate in decisions relating to the education of their children and respond to any such suggestions as soon as practicably possible. The parent and family engagement policy and school-parent compact will be posted on the school website and distributed to all parents through regular means of communication.

Shared Responsibilities for High Student Academic Achievement:

The staff of Lyle S. Briggs K-8 School in consensus with research-based practices knows that the education of its students is a **responsibility shared between school and parents**. The school's primary responsibility shall be to have an effective learning environment that enables all students to meet the academic expectations set forth in the CA Common Core state standards. Parents shall have the responsibility and opportunity to work with the school in a mutually **supportive and respectful partnership** with the goal of supporting their child's learning. The school-parent compact of strategies to increase parental engagement outlines how the parents, the teachers, and students will share the responsibility for improved student academic and behavioral achievement. Lyle S. Briggs K-8 School will provide parents with an explanation of the curriculum, academic assessment, and proficiency levels students are expected to meet. Through an *Action Team for Partnership* process school staff, parents, and community members will jointly review, plan and develop a one-year school-parent compact by grade or department level of promising practices to increase parental engagement to include the six types of engagement listed below (*Epstein's Six Types of Parental Involvement*). The annual school-parent compacts will specify partnership activities for as many of the six types of engagement as possible. The school-parent compact will list district and school improvement goals and describe the "in the classroom" and "at home" strategies for teachers, parents, and students to implement. Lyle S. Briggs K-8 School's **goals will include a school improvement goal in these three areas: English Learners, one academic area, and one non-academic area**. The compact will list how the school provides two-way communication between home and school. It will also describe opportunities for parents to volunteer, observe, and participate in the classroom. Annually the school-parent compact will be updated by staff and parents, based on formal and informal data. Also, annually, the *Action Team for Partnerships* will evaluate the effectiveness of the school's home-school-community partnership activities and celebrate successes.

This **shared responsibility** will help the school and parents build and develop a partnership to help children reach or exceed the grade level standards.

Lyle S. Briggs K-8 School will support these home-school partnerships by using the following **six types of engagement**:

1. ***Parenting.*** We will promote and support parenting skills and the family's primary role in encouraging a child's learning at each age and grade level, and all staff members will work effectively with our diverse families. Lyle S. Briggs K-8 School will provide parent informational classes and meetings to support our families' needs. We will also update parents on all relevant district education classes that are offered to support our families.
2. ***Communication.*** We will communicate about curriculum, instruction, assessment, staff development, school programs and student progress through two-way, meaningful, timely and effective methods. At a minimum, annual conferences, reports on student progress, reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities will be provided to parents and family members. Lyle S. Briggs K - 8 School will inform parents through a variety of methods including phone calls, email, AERIES communications (Parent Square), Peachjar (digital flyers), and teacher communication tools such as Class Dojo.
3. ***Volunteering.*** We will expand the recruitment, training, and recognition of family and community volunteers; we will provide opportunities for families and community members to contribute from home, the workplace, and other community-based sites. Lyle S. Briggs K - 8 School will support the PFA, which encourages parents to be involved in their student's school career by volunteering in classes and events and participating in meetings for their student.
4. ***Learning at Home.*** We will promote family engagement in learning activities at home including homework and other curriculum-related activities appropriate to the grade and development of the student. Lyle S. Briggs K - 8 School developed parent and student expectations at home using our PBIS matrix. This allows a continuity of expectations between home and school. The school also encourages students to use the services found as a tile on their ClassLink webpage.
5. ***Decision-making.*** We will include students, parents, and community members as partners in planning and decision-making. We will encourage participation by parents and family members in decisions that affect their child's educational experiences and comply with state and federal laws and regulations pertinent to family engagement. Lyle S. Briggs K - 8 School will offer many opportunities such as the PFA, CSSP, SSC, ELAC, GATE, and parent teacher conferences to encourage participation in the decision making of their child's education. Through these meetings we will solicit feedback from parents and members of the community.
6. ***Collaborating with Community.*** We will coordinate resources and services for students and families with businesses, agencies, service organizations and other groups and provide services to the community through our volunteer efforts and community improvement projects. Lyle S. Briggs K - 8 School will

provide parents with resources, should the need arise, through programs such as the CARE center, Counseling services (Chino Human Services or MTSS-B), and the Family Engagement Center.

Building Capacity for Parent Engagement

The Lyle S. Briggs K-8 school staff is committed to partnering with parents in the following ways:

- assist parents in understanding academic content and achievement standards and assessment and how to monitor and improve the achievement of their children
- provide materials and training to help parents work with their children to improve their children's academic achievement
- educate staff, with the assistance of parents, in the value of parent contributions and how to work with parents as equal partners
- coordinate and integrate parental engagement with other programs and activities in our school and support parents in more fully participating in the education of their children
- distribute information related to school and parent programs, meetings, and other activities to the parents of participating students in a format and, to the extent practicable, in a language the parents understand
- provide such other reasonable support for parental engagement activities under this section as parents may request

Accessibility

Our school, Lyle S. Briggs K-8 School and our LEA shall provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory students including providing information and school reports required under Section 6311 in a format and, to the extent practicable, in a language such parents understand.

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Link** to goals of the school's single plan for student achievement
- **Focus** on student learning skills
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will communicate about student progress
- **Describe** opportunities for parents to volunteer, observe, and participate in the classroom

Our Goals for Student Achievement

District Goals - Local Control Accountability Plan (LCAP)

All students are provided a high-quality teaching and learning environment.

Staff, parents, families, and students are connected and engaged at their school to ensure student success.

All students are prepared for college and career beyond graduation.

School Goals

Academic: Goal 1: High-Quality Teaching and Learning Environment. This goal supports teachers and classified staff in the classroom including Professional Development training, materials for students, and release time. Allocation includes, Professional Development of Choice, Release days for PLC Planning, and Classroom Supplies.

Non-Academic: Goal 2: Connections to and Engagement at School ensure student success. This supports parent involvement, school climate, and students feeling safe in school. This is accomplished by workshops for parents, assemblies, MTSS-B/PBIS implementation, bilingual clerk (community liaison), and second step lesson completion.

English Learner: Goal 3: Preparation for College and Career. This goal supports all students but focuses on EL and SPED intervention, which includes, an Intervention teacher, STEP meetings, specific materials, and Professional Development.

Our school provides high quality curriculum and instruction in supportive and effective classroom environments to enable students to meet state academic standards. We support our students and work hard to provide a welcoming, safe school environment.

Teachers, Parents, Students **Shared Responsibility** for Learning

In the Classroom

As a kindergarten teacher, I will engage all students with a vibrant learning climate and high-quality instruction. Listed below are some of the student learning strategies your child will use this year.

Academic Goal

- Use Reading Eggs to strengthen reading skills and comprehension
- Use IXL to strengthen math skills.
- Have students answer questions about key details of text and read aloud
- Implement STEAM activities into curriculum
- Utilize thinking maps across the curriculum

Non-Academic Goal

- Use the Second Step Curriculum to show students how to cooperate with others
- Recognize students for positive character traits through awards such as Panther Perks and Student of the Month, and weekly behavior awards

English Learner Goal

- Use extensive guided reading and writing program and the Wonders Curriculum
- Assign group projects to create culminating experiences

At Home

Here are some ideas of how families can support students' success:

Academic Goal

- Work with your child online on our Keyboarding - All the Right Type Program
- Read to children to support language development
- Follow up on homework to ensure it is completed on a daily basis
- Ask your child to retell the events of the day in sequential order at least two times per week
- Review letter sounds and sight words daily
- Help your child use Phonics skills to read "Learning Dynamics Books" on a daily basis
- Encourage and praise children when they are meeting behavioral and social expectations

If you would like to volunteer, participate in, and/or observe a classroom, please contact your child's teacher.
