Period

Class Rules

1. No electronic devices or cell phones are to be out during class. This includes ear buds. They need to be in your backpack or they will be confiscated.
2. Come to class prepared. Have your textbook, notebook, sharpened pencils, pen, miscellaneous supplies, and homework ready for class and be in your seat when the bell rings.
3. There is no eating or gum chewing allowed.
4. Remember to use common courtesy. Please do not talk during instruction unless it is to ask or answer a question about the lesson.
5. Let others work undisturbed. There may be times when you will need to ask your classmate a question. Know when it is appropriate to do so. *Talking during a quiz or test will result in both students receiving a zero for that quiz/test.*
6. Hats and hoods are not to be worn in class.

Consequences for Rules Violations

1. Verbal warning (except for electronic devices)
2. Detention and possible parent contact
3. Office referral with the appropriate consequence to follow

For serious offenses the student will be given an immediate office referral.

Please read all information, sign and return the entire form to me by the time indicated in class.
