

Signing up for GoFormative and Aeries

I have synced your Google Classroom accounts with GoFormative so you should already have a GoFormative account in my class and should be able to login with your school email and password. Please email me or visit me during my office hours if you have any trouble logging in.

Aeries

To make an account, you will need:

- 1) your child's student ID
- 2) your primary phone number (registered with the school)
- 3) your student's verification code (found on their original course schedule.)

Step by step instructions for parents and students to set up their own Aeries account can be found on the respective "Parents" and "Students" tabs on Townsend's website.
