### District Communique for A.C.T. Negotiations

March 1, 2024

Hello,

As you know, on February 22, 2024, ACT declared an impasse in reopener negotiations. The first stage in the process is mediation. The State mediator contacted the Parties and provided the following possible dates for mediation:

1. March 14, 2024
2. April 16, 2024
3. April 23, 2024
4. May 2, 2024
5. May 7-9, 2024

Upon receiving these proposed dates, the District promptly communicated its availability to ACT, expressing willingness to participate on any of the suggested dates, even if that involved cancelling or rescheduling previously calendared commitments. However, ACT has confirmed availability only on April 16 and May 9. On February 29, 2024, the mediator scheduled April 16 as our first mediation session. The District is eager to engage in productive discussions and work towards a resolution, and the team will continue to make itself available for those opportunities.

The District is committed to finding common ground and achieving a mutually beneficial outcome.
