

OVERVIEW

The Employee Self Service gives you direct access to your payroll data via the web. You can review, print, or save your latest pay stub or annual W-2 tax form at your convenience from work or at home. Pay information is available for the current calendar year plus two historical years. W2 information is available for five calendar years. For districts currently using the **Employee Leave Tracking System**, real-time Leave Activity is also available in detail or summary.

The Employee Self Service is a secure web site which requires authentication during the initial registration process as well as a user name and password every time the site is accessed.

Future enhancements will include integrating benefit information.

The screenshot shows the BESTNET Home page. At the top left is the BESTNET logo with the tagline "Business Personnel Educational Software Technology and Network Consortium". To the right of the logo is the word "Home". Below the header is a "Main Menu" with links for Home, Earnings, Benefits, Taxes, Leave Balances, Preferences, Change Password, User Guide, and Logout. To the right of the menu are three sections: "News" with a link to "2012 W2's Displaying Incorrect Year" and "More News..."; "Recent Earning Statements" with a list of dates from January 31, 2013 to September 28, 2012; and "Recent Tax Documents" with a link to "2012 W-2".

Each paystub is listed by the issue date; the W2 information is listed by the "year". Click one of the records to open either a paystub or W2.
