

## PARTNERSHIPS

### What is Home-School Partnerships?

Home-School Partnerships is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Link** to goals of the school's single plan for student achievement
- **Focus** on student learning skills
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will communicate about student progress
- **Describe** opportunities for parents to volunteer, observe, and participate in the classroom

### Communication about Student Learning

Our school and families are committed to regular two-way communication about our children's' learning. Some of the ways families and staff communicate all year are:

- **School to Home**
  - Parent Square
  - school website
  - school marquee
  - Class Dojo
- **Home to School**
  - flyers
  - email
  - parent-teacher meetings
  - school agendas

## Our Goals for Student Achievement

### District Goals - Local Control Accountability Plan (LCAP)

All students are provided a high-quality teaching and learning environment.

Staff, parents, families, and students are connected and engaged at their school to ensure student success.

All students are prepared for college and career beyond graduation.

### School Goals

#### GOAL 1

The percentage of students meeting or exceeding standards in ELA will increase from 40% to 43%.

#### GOAL 2

The percentage of students meeting or exceeding standards in Math will increase from 29% to 34%.

#### GOAL 3

Parent involvement through workshops and learning opportunities that empower stakeholders to help student achievement.

Our school provides high quality curriculum and instruction in supportive and effective classroom environments to enable students to meet state

## Teachers, Parents, Students **Shared Responsibility** for Learning

### In the Classroom

As a 1<sup>st</sup> Grade teacher, I will engage all students with a vibrant learning climate and high-quality instruction. Listed below are some of the student learning strategies your child will use this year.

- Effective Classroom differentiated small group instruction
- Effective classroom management to support proper academic environment with MTSS-A
- Effective PBIS with alignment to MTSS-B
- Effective support of technology for instruction and student skills/critical thinking development
- Writing Block Emphasis

### At Home

Here are some ideas of how families can support students' success:

Encourage your child to write often outside of homework (thank you notes, lists, letters, etc.)

Ask your child to explain what they are learning in math and practice different strategies.

Constantly reinforce school behavioral expectations: The 3 B's: Be Respectful, Be Responsible, Be Safe.

Encourage exploration and creativity at home

Read with your child nightly

Practice speaking in complete sentences

Make sure your child maintains excellent attendance.
