

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Link** to goals of the school's single plan for student achievement
- **Focus** on student learning skills
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will communicate about student progress
- **Describe** opportunities for parents to volunteer, observe, and participate in the classroom

Encourage your child to write often outside of homework (thank you notes, lists, letters, etc.)

Ask your child to explain what they are learning in math and practice different strategies.

Constantly reinforce school behavioral expectations: The 3 B's: Be Respectful, Be Responsible, Be Safe.

Encourage exploration and creativity at home

Read with your child nightly

Practice speaking in complete sentences

Make sure your child maintains excellent attendance.
