

Ride the word waves Z

\*If there is a box around the word, you must say it in a sentence to pass the Word Wave.

turned since morning door upon it's  
against didn't heard **however** whole told **several** course sure today **during** **across** **better** best ever  
five going himself **toward** **usually** done since I'm car upon  
seen I'll short fish gave black cold yet knew order table **ground** **front** really

PLEASE SIGN & RETURN

Dear Parent,

This is a list of sight words that your child should learn to read. Each evening, ask your child to begin reading from the waves at the left side of the page. When your child reaches a word that gives him or her difficulty, stop there. Circle (or highlight) and date the last correctly read word.
