Attendance is the key ingredient to success in a foreign language. Students who do not attend class will miss valuable communication time.

A tardy is counted if a student is not seated and ready to work when the bell rings. Third tardy is a detention and if not served a second detention will be added. Fourth tardy will be an office referral to the counselor and parent contacted.

- Missed homework assignments for anything other than an excused absence are not accepted late. For every excused absence a student has, she/he is given that many days to make up the work.

- Make appointment to make-up tests/quizzes (Must be made-up ASAP).
- If you are on a school related absence, you must turn in the completed assignment upon your return.
