

Back to School

Mr McIntosh

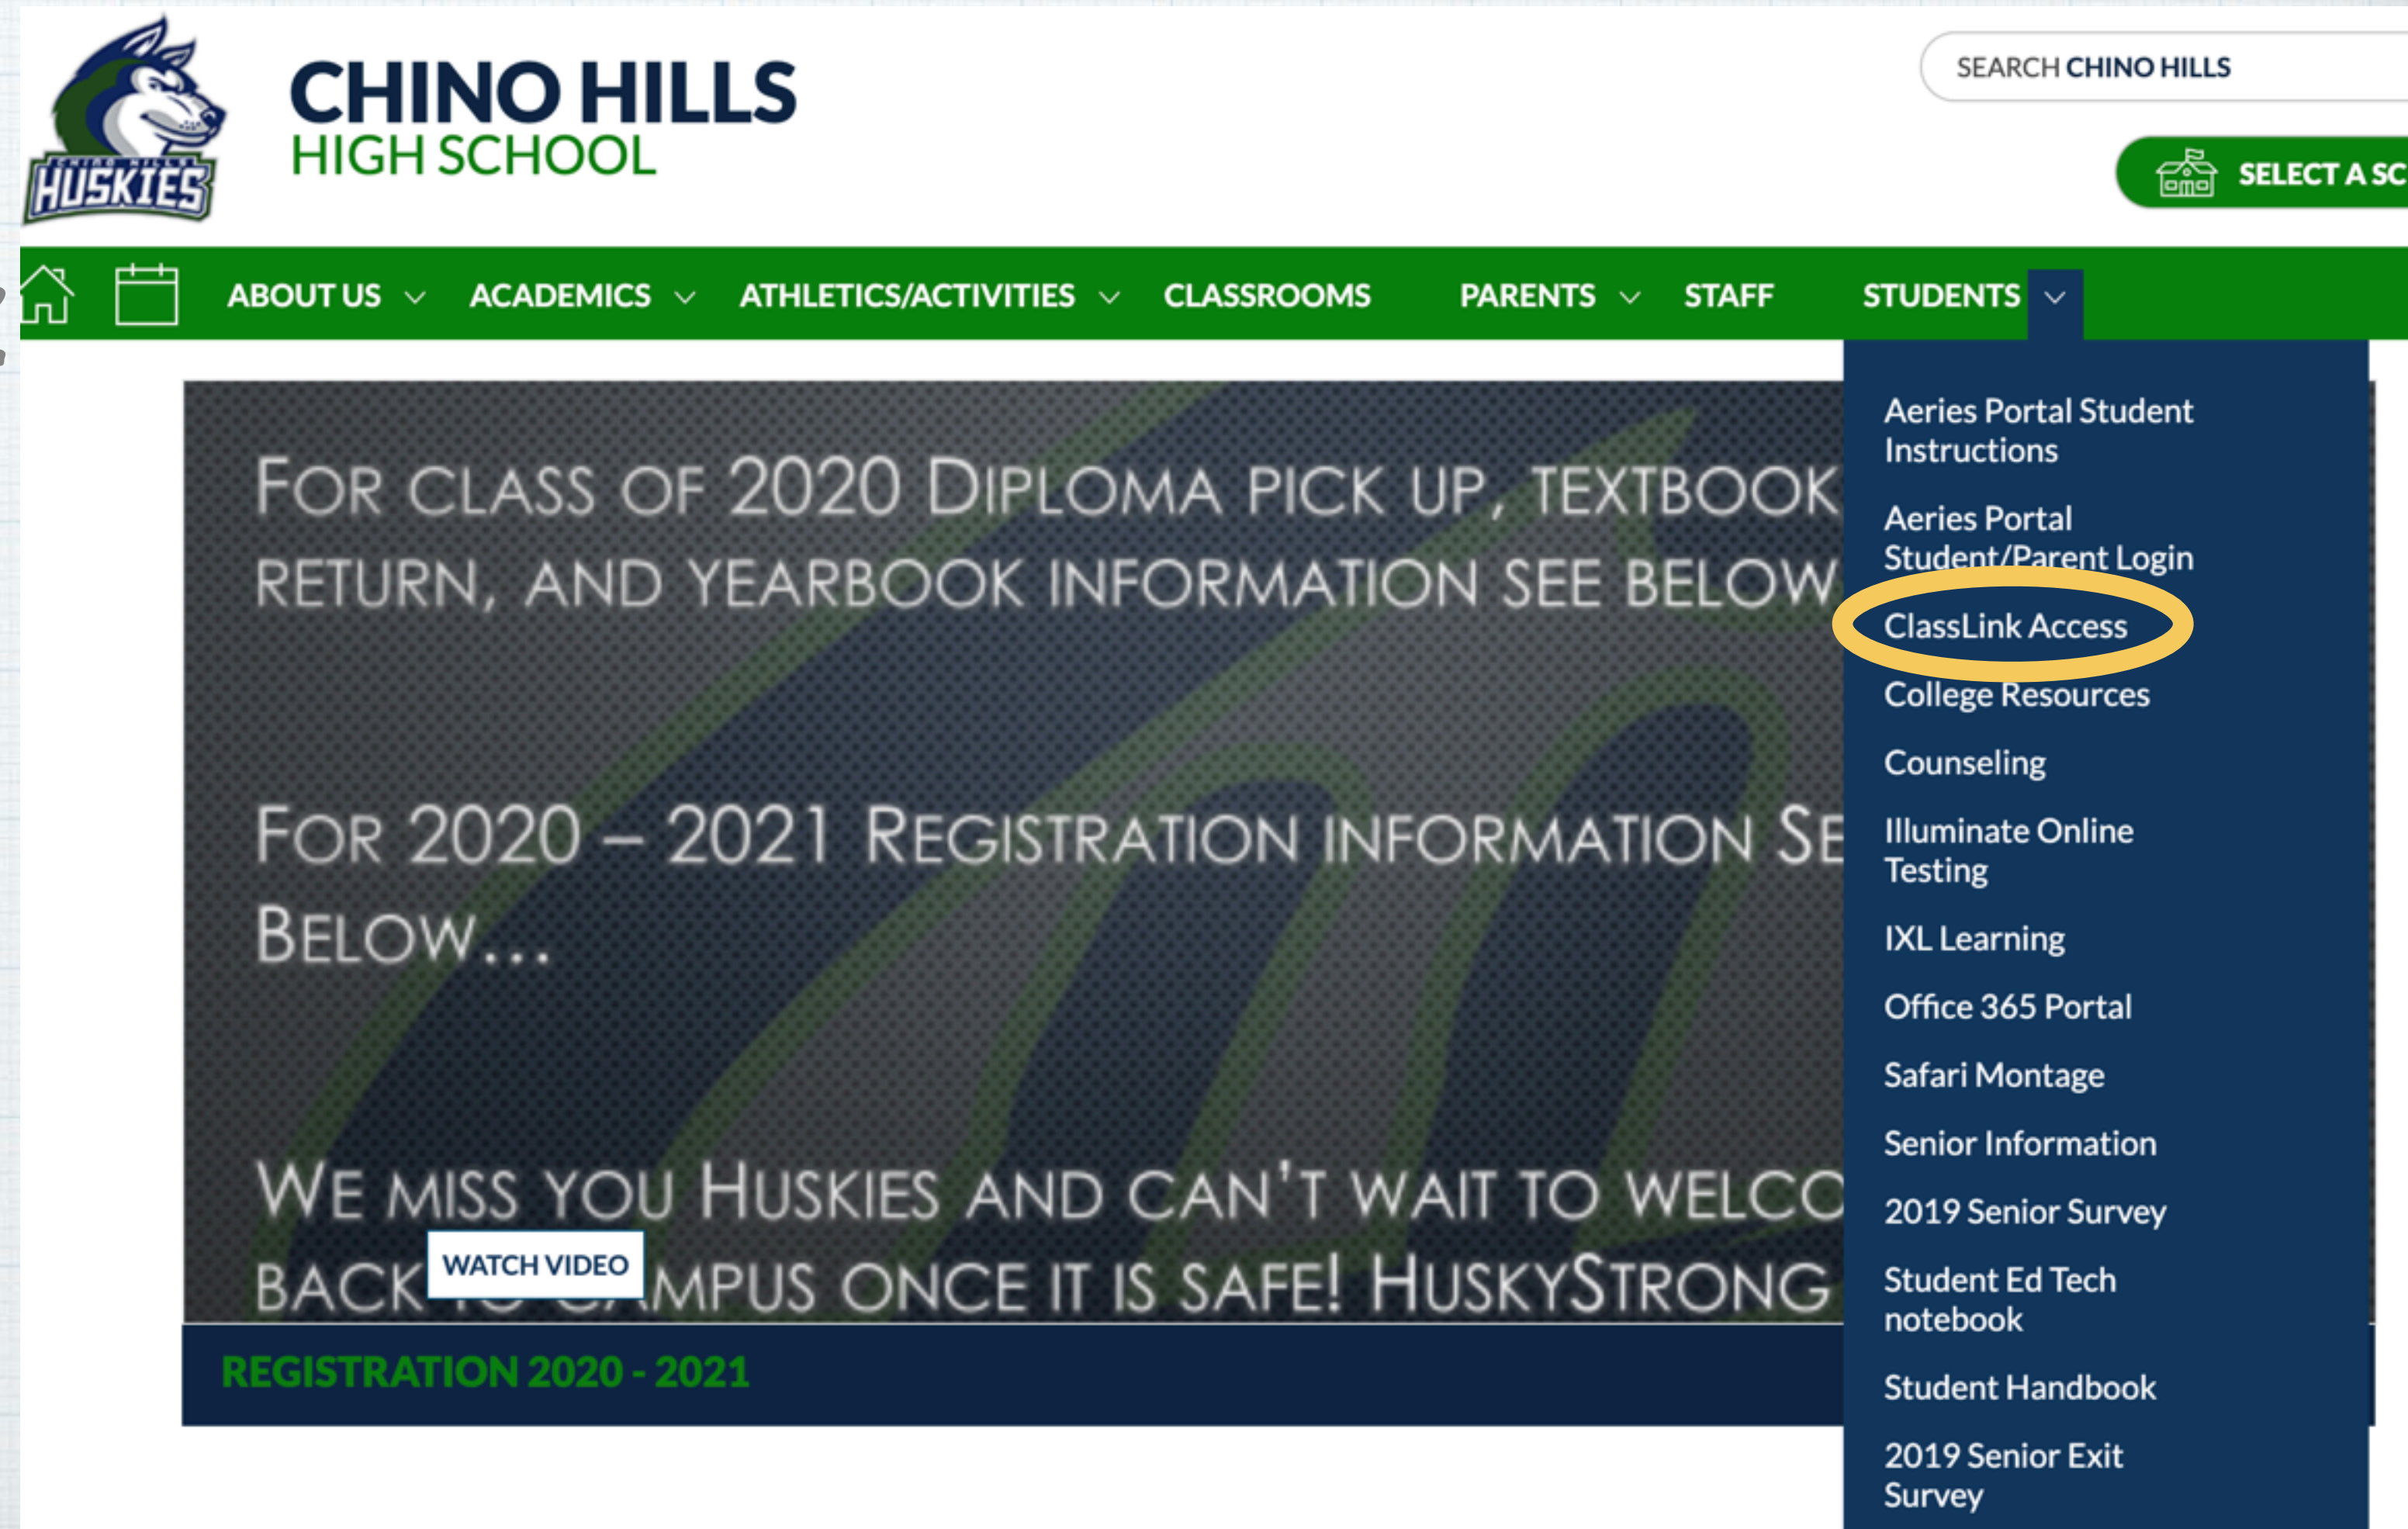

Welcome

* Students should access Google Classroom using your district assigned email and through Class Link.

* Access Class Link through the school website under "STUDENTS".

* Or

<https://launchpad.classlink.com/chino>

The screenshot shows the Chino Hills High School website. The header includes the school logo, name, and a search bar. The navigation menu is green with white text. The 'STUDENTS' menu is open, showing a list of links. The 'ClassLink Access' link is highlighted with a yellow circle.

Grading

- * Grades will be kept on Aeries. Parents find how to create an Aeries account at <https://www.chino.k12.ca.us/Page/38456>
- * The grading categories will be as follows:
 - * Trig/Pre-Calc, AP Stats
 - * Assessments - 75%
 - * Homework/Classwork - 25%
- * Assessments (Tests and Quizzes) will be completed in class.
- * Homework will be assigned out of the book, and there will be worksheets to be submitted through Google Classroom.

Calculators

* AP Stats will need a TI - 84 plus or TI-84 CE calculator.

* TPC does not require a calculator but a TI30xIIX will prove very useful.

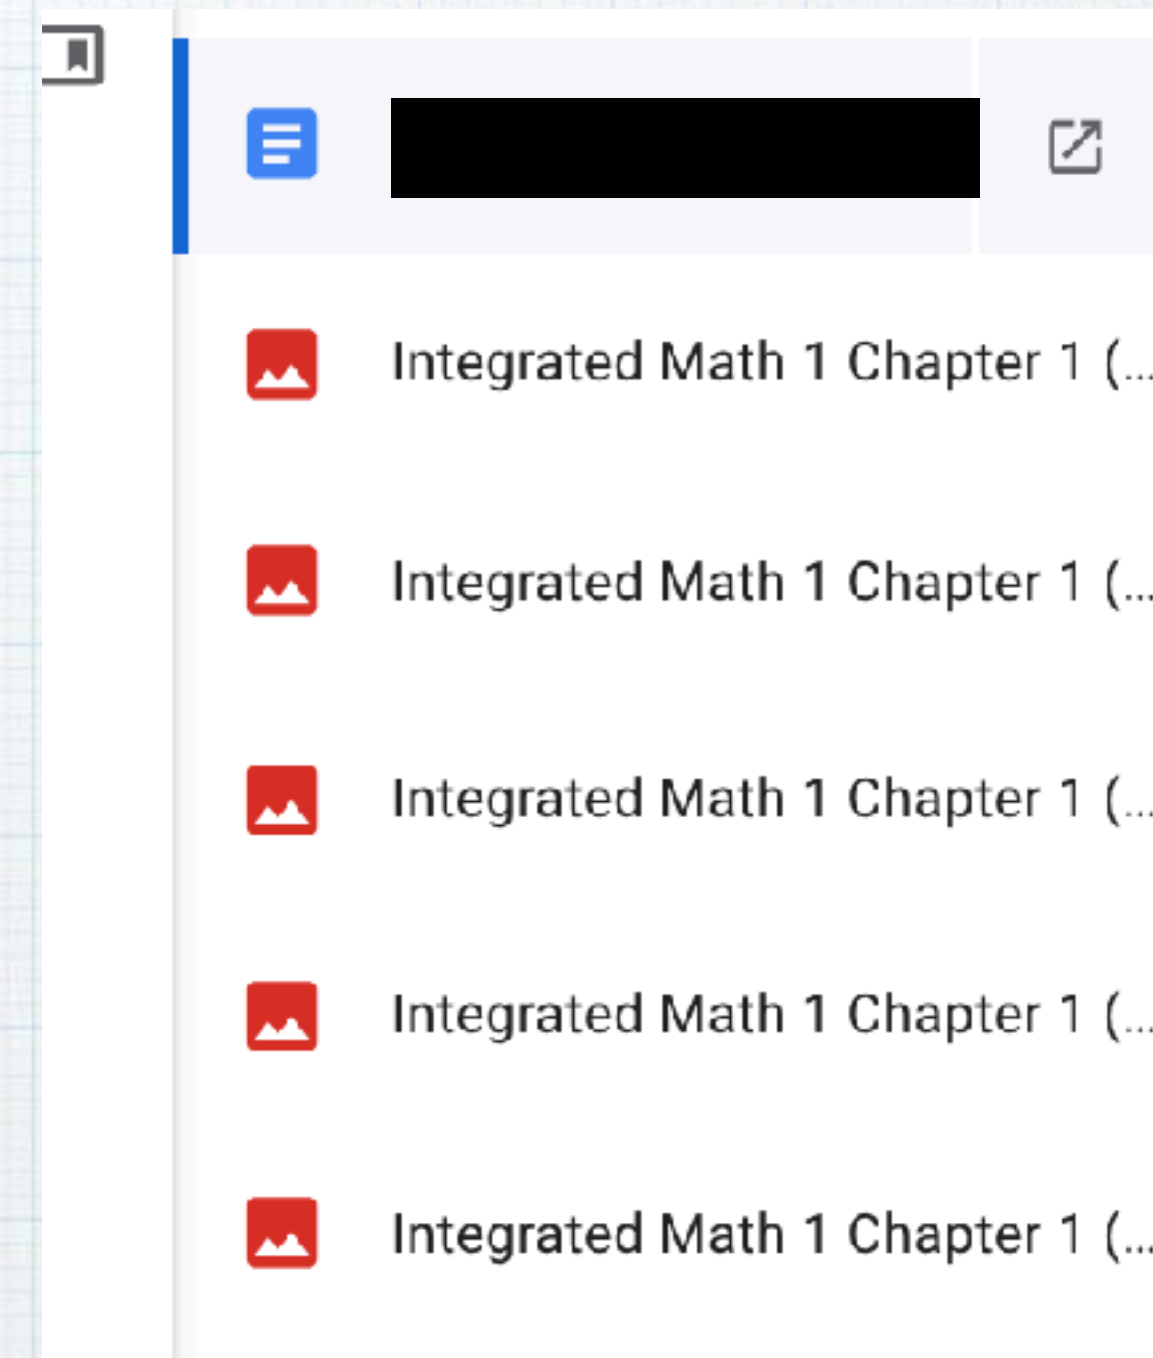

Communication

- * I am available most days immediately after school. Students are encouraged to come in. If students inform me they wish to come in, I will be here. If no one asks I may not still be on campus. Most of my work is accomplished on my home computer.
- * All work, and all student communications are to be done using the district issued email account. Only the stu.chino.k12.ca.us domain will receive credit for work submitted via Google Classroom using the Google Chrome browser.

Submitting Work

- * Students submit book homework and classwork by attaching to an assignment document as a pdf or picture (png or jpeg) as a separate file.

Lecture Presentations

- * The lecture presentations for each lesson are available in pdf format Google Classroom and on my SchoolWires webpage.

Mr McIntosh

Welcome to Mr. McIntosh's Classroom

First Day of School:

Should a student miss class (off) days they can still go to the CHHS Homepage and click the Student Menu in the toolbar, then go to Classlink and log in. Click on Google Classroom and find your math class. All materials and presentations provided in class are available in the Google Classroom and in the SchoolWires pages. You can also go to classroom.google.com using your district email and sign in with your district password.

Contact Information: ross_mcintosh@chino.k12.ca.us

Email is the best way to contact me with questions or concerns. I am committed to responding to all student and parent emails within 24 hours on weekdays.

Office Hours:

Office hours will be after school in the classroom. Students wanting additional help should come to the classroom (147) after school. I will be there if you show up. If no one appears before 3:30 I may have left. Students wanting me to wait should notify me that day.

- * College Board AP Statistics has online resources that will be of use. To enroll in the class use the code shown. You must enroll to be scheduled for the AP Exam.
