Grading for Distance Learning PE

Grades are based on total points earned, not weighted scores.

For example:

You would divide the total amount of points earned by the total amount of points.

If you have earned 85 points out of 100 total points, then your grade would be 85% or a B.

Grading Scale

100-90% A

89-80% B

79- 70% C

69 - 60% D

<59% F
